Shannon, 2023-07-25 This book written both for a Canadian and an international readership provides a multidisciplinary review of the framework and performance of the Canadian Medical Assistance in Dying MAID program In the first five years 2015 2021 of operation this program delivered voluntary euthanasia and assistance in suicide to over 30 000 Canadian residents presently representing a 30% annual growth Looking back on these first five years the 30 Canadian scholars and clinicians contributing to this volume raise important issues and attempt to answer key questions that have arisen in regards to its operation and its stated objectives This volume strikes the most appropriate balance between the autonomy of persons who seek medical assistance versus the interests and protection of vulnerable persons Finally the book makes suggestions on how the program can presently be improved It identifies gaps in knowledge about MAID s operational program and its impact on individuals families and society in order to stimulate the necessary research that is essential to the evolution of a healthy and well balanced program As a first comprehensive examination of medically assisted deaths in Canada this publication will be of great value to lay professional academic political audiences both domestically and internationally especially in jurisdictions that are examining their options of permitting assisted deaths      Unravelling MAiD in Canada Ramona Coelho, K. Sonu Gaind, Trudo Lemmens, 2025-05-22 Since legalizing euthanasia and assisted suicide as medical assistance in dying MAiD in 2016 Canada has witnessed an internationally unprecedented expansion of the practice making it the country with the highest number of MAiD deaths Initially introduced to relieve suffering in a broad end of life context the law expanded quickly to make MAiD available to disabled Canadians not approaching their natural deaths MAID will also become legal for sole reasons of mental illness sometime after 2027 and there are plans to expand it further to include minors and advance requests From a cross disciplinary perspective including contributions from authors with lived experience Indigenous perspectives and expertise in medicine mental health disability law and ethics Unravelling MAiD in Canada challenges readers with the ethical medical legal societal and disability justice rights concerns that have arisen in regard to this hotly debated irreversible practice Canada now provides more state facilitated euthanasia and assisted suicide than any other country This volume puts forth critical reflections and valuable insights as more jurisdictions consider their own assisted dying laws and policies      **Vogue** , 1929      The Dramatic Works and Poems of William Shakspeare William Shakespeare, 1841      *Love's cure; or, The martial maid. *Christ Entered Jerusalem* S. A. Abakwue, 2000-12 *Christ Entered Jerusalem* is the contemporary take on the life of Christ It goes from the time he was at the obscure village Bethany near Bethphage till the moment he was lynched on the cross of evil men To digress however the book's preface gives a world of thankful praise to women because the author believes that women are better than men And according to the author When God created a man that was his rough draft but when he made a woman that was his masterpiece The acknowledgment page pours a well of kudos to many great people especially to the remarkable members of the author's own church The book gives the individual names of the twelve men and some notable women who in their unique ways played their tremendous roles in the life and even in the ministry of Christ The great religious forces were there too to give Christ nothing but hard time They were there to test tempt mock and to betray him They were there to find faults to hurt his ministry and to destroy him Indeed they were the hateful elements of Sanhedrin the biased Pharisees and the unbelieving Sadducees they were the angry Chief Priests the selfish Elders of the Jewish race and the eminent authors of the laws of the Chosen Land To achieve their prime diabolic objective they used Judas a self-centered son of the FIRST APOSTLE OF CHRIST PETER to betray the SON OF A LIVING GOD Eventually Jesus the Son of God was judged found innocent yet condemned to die like a common criminal
