The Sociocultural Context of Romantic Relationships Brian G. Ogolsky, 2023-10-25 Embedded within the sociocultural context of romantic relationships are features such as race culture neighborhoods the legal system and governmental policy. Due to the inherent difficulties with studying large structures and systems little work has been done at the macro level in relationship science. This volume spotlights the complex interplay between romantic relationships and these structural systems including varied insights from experts in the field. In turn more diverse and generalizable research programs on the social ecology of relationships can be developed helping to facilitate advances in theory. Scholars and students of relationship science in psychology sociology communication and family studies will benefit from these discussions.
