Men Who Knew Christ

Larry Todd

Men Who Knew Christ:

Men Who Knew Jesus Well James Vasquez, 2008-11 Contained within are forty seven poems about men in the Gospels who met Jesus Some knew him as a friend and some as an enemy yet they all experienced profound changes in their lives as a result of contact with Him From Zecharia to the two men on their way to Emmaus these stories faithfully portray in elegant verse each biblical account

Men who Knew Christ William Sanford La Sor, 1971 **The "Man Christ Jesus"** Stephen Oliver Stout, 2011-06-17 Does the Apostle Paul have any use for the person of Jesus presented in the Gospels Critical scholarship thinks not but this book argues that Paul not only mentions more than seventy specific details of the historical Jesus but he also commends the character of Jesus and echoes His teachings repeatedly in his letters and sermons in full agreement with the Gospel accounts Stout examines Paul's intriguing description of the Man Christ Jesus 1 Tim 2:5 and suggests that this title fulfills the OT expectation of God appearing in human history as a man In his incarnated humanity the Man Christ Jesus accomplished salvation in the historical events of his life and death and in his resurrected humanity he appeared to Paul on the Damascus Road rooting Paul's Christology deeply in human experience Furthermore Stout shows how Paul rests his concept of salvation on a neglected aspect of his doctrine that the entire church is associated with the historical events of the life death and resurrection of Jesus an association which also unites his church with one another in fellowship and service This book then demonstrates that Paul's gospel rests upon Jesus as a man of history who brings salvation into human history in his life death and exaltation as the Man Christ Jesus

Paul, Covenant Killer Timothy L Parrott,2021-11-17 Paul is one of the more interesting and least understood characters in history quite bluntly a man who changed history not just of the Christian community but the Jewish community as well Paul was a rising star in the Jewish culture and openly admits to being the chief persecutor and prosecuting those of this upstart movement While applying the legal system within the Jewish culture to all those now anathema to the Jewish culture he finds himself not just defending this new movement but laying the groundwork for the behavior customs and legality of the Christ movement and organization Once a defender of the Jewish faith he now becomes a greater and stauncher defender of the Christian faith even to the point of death in martyrdom as a political prisoner a prosecuting attorney within the Jewish legal system now working as the principal legal and as the author claims prime legal counsel for the new Ekklesia His letters are not so much about theology but legality He was born to have a foot in the Jewish legal system and a foot in the world s then dominating legal system only to serve as the first legal counsel and attorney general of the coming new legal system this is Paul the lawyer this is Paul the covenant killer *Christian Apologetics Past and Present (Volume 2, From 1500)* William Edgar,K. Scott Oliphint,2011-09-13 Amid a revival of apologetics few things could be more useful than an acquaintance with how Christian faith was defended down through the ages say the editors in their introduction to this two part anthology Access to both historical and contemporary texts gives us fresh insight into how our fathers in the faith responded to the

questions facing them Volume 2 in this one of a kind resource takes a sweeping look at apologetics from the Reformation to the present Readings from twenty six apologists including Martin Luther John Calvin Blaise Pascal Jonathan Edwards S ren Kierkegaard Francis Schaeffer Alvin Plantinga and William Lane Craig are included With editorial commentary and questions for reflection Christian Apologetics Past and Present will prove a valuable text for students as well as a unique resource for those interested in defending the faith *Sermons Preached and Revised by C. H. Spurgeon* Charles Haddon

Spurgeon,1860 **A Rebellious Heart** Larry Todd,2011-06 I was reaching to turn off the light when I heard a knock at the front door It was loud especially for this late at night I went over and looked through the curtain next to the double doors Two men were standing at the top of the steps They appeared to be paramedics One was carrying what looked like medical toolkits The other had a large clipboard in one hand and an oxygen tank in the other I noticed an ambulance parked on the street in front of the house I thought they must be lost so I opened the door Professor Brent Wilkins was an intelligent man who didn t believe in God So when two men claiming to be angels with a message sent from God appeared on his doorstep he wasn t buying it until they took him on the road to truth Michelle Wilkins was on a retreat discouraged by her husband s years of rejection toward anything even remotely spiritual On the verge of losing all hope she was awakened in the night by a voice saying Pray for your husband s heart As far as she knew Brent s health was in perfect condition But in only a few hours she found herself in the hospital staring at her unconscious husband with an unknown heart condition Through their stories weave the mystery of what happened to Brent and Michelle s daughter Drea on a tragic missionary trip to Central Africa Can Michelle find the faith to trust God with saving her husband s life Will Brent put aside his anger to discover the truth Is this truth worth dying for **The Works of John Owen, D.D. Edited by T. Russell. With Memoirs of His Life and Writings, by W. Orme. (Funeral Sermon ... by D. Clarkson.).** John OWEN (D.D.),1826
