Murder Along The Cape Fear A North Carolina Town In The Twentieth Century:

Murder Along the Cape Fear David T. Morgan, 2005 Murder Along the Cape Fear is the story of Fayetteville and Fort Bragg North Carolina during the twentieth century Seen through the eyes of a native son this is the tale of one a distinguished historian who lived through some of it and heard about much of it from friends and relatives In this hundred year journey the town was profoundly impacted by the establishment of Fort Bragg 10 miles to its west Throughout this hundred year history murder seems to be the scarlet thread that stitched the town into infamy The book demonstrates that Fayetteville was by no means innocent prior to the coming of Fort Bragg Nor did all of the crime and evil emanate from Fort Bragg after 1918 As for murder there was an abundance of killing that had no connection with Fort Bragg but the most sensational murder case of the century involved Jeffrey MacDonald a Green Beret Army captain and physician who received three life terms in federal prison for killing his pregnant wife and two daughters While many other Fort Bragg soldiers were involved with murders along the Cape Fear murders were also committed by transient civilians and local citizens like the famous inventor of the M 1 carbine Marshall Carbine Williams and Velma Barfield who poisoned her mother and three other people In all about two dozen murder cases some highly publicized and some not are woven into this story about a North Carolina town in the twentieth century Engagingly told this book is a wonderful blend of history lore and murder

Defence Sites C. Clark, 2012 some of the papers presented at the 1st International Conference on Defence Sites Heritage and Future held in Portsmouth Preface **True Crime Stories of Eastern North Carolina** Cathy Pickens, 2020-09-28 Eastern North Carolina is a land of contrasts and its crime stories bear this out A lovelorn war hero or a stalker Conniving wife or consummate homemaker Murder or suicide The answers can be as puzzling as the questions Mystery author Cathy Pickens details an assortment of quirky cases including a duo of poisoning cases more than one hundred years apart a band of folk hero swamp outlaws sex swingers and a couple of mummies Each story has in its way helped define Eastern North Carolina and its history **The North Carolina Historical Review**, 2006 [Dying Hard](#) French MacLean, 2024-09-28 Of the 177 enlisted men who formed Company B in 1941 less than 7% percent were still with the unit in May 1945 Many of the absent 93% had died hard brutal deaths in combat In the mold of the classic Band of Brothers Colonel French MacLean presents a dramatic personalized history of a single company of the US Army through brutal combat in battles at locations such as Normandy the Ardennes and Hurtgen Forests Merode Castle and Remagen Bridge This is the story of the 9th Division's 39th Infantry Regiment Company B a true American melting pot of soldiers from diverse ethnic religious racial and national backgrounds including Black Hispanic White Mexican Lakota Quechan Canadian Cuban Hungarian Austrian Norwegian Scottish Korean Filipino Chinese Italian Irish Greek Polish Jewish Catholic and Protestant Of the 177 enlisted men who formed Company B in 1941 less than 7% percent were still with the unit in May 1945 Many of the 93% whose lives were lost died hard brutal deaths in combat Readers will learn about the heritage upbringing

and experiences of individual soldiers along with the history of the unit This is a personal dramatic history Numerous vignettes appear throughout the text which provide contextual information about equipment terminology locations and more They function like a glossary but with greater detail and narrative effect In total 40 photos and 10 maps are included most of which are previously unpublished French MacLean is a retired colonel in the US Army and author of more than a dozen books on the Second World War he is a recognized expert and experienced researcher His father Myron served as a private in Company B

The New Brothers Grimm and Their Left Behind Fairy Tales David T. Morgan, 2006 The New Brother s Grimm examines the twelve volumes of the very popular Left Behind series by Tim LaHaye and Jerry B Jenkins relating the story and the theological arguments of each book and then challenging those arguments One of the centerpieces of their interpretation of the Bible is that the church of Christ will be raptured to be with Christ for seven years During that time people who have been left behind will have an opportunity to accept Christ as savior but they will have to pass through the tribulation a time of unimaginable horror with Satan ruling the world At its end Christ will appear with his heavenly army and defeat the forces of Antichrist in the battle of Armageddon After that Christ will establish an earthly kingdom lasting exactly 1000 years during which Satan will be bound in the bottomless pit Ultimately the author suggests that the theological premises set forth in the series are at best dubious and at worst theological snake oil *America, History and Life* ,2007

Article abstracts and citations of reviews and dissertations covering the United States and Canada **American Book Publishing Record** ,2005 **The Journal of Southern History** Wendell Holmes Stephenson, 2006 Includes section Book reviews *The Publishers Weekly* ,2005
