Twentieth Century Crime & Mystery Writers NA NA, 2015-12-25 **Different Crimes, Different Criminals** Doris Layton MacKenzie, Lauren O'Neill, Wendy Povitsky, Summer Acevedo, 2014-09-25 This book focuses on the importance of incorporating both sociological and psychological viewpoints in the understanding of criminal behavior It identifies and explains emerging criminal offenders within the criminal justice system examining the individual differences that make different types of offenders unique *Miracle of Love - Stories about Neem Karoli Baba* Ram Dass, The material in this volume is culled from over two thousand stories about Maharajji gathered during five years from more than one hundred devotees To these devotees who shared their treasured memories I wish to express my deep love and appreciation Some of them felt that no book could or should be written about a being with qualities as vast formless and subtle as Maharajji s and yet they contributed their stories nevertheless I honor them for this kindness and I hope that in my zeal to share experiences of Maharajji with others who were not fortunate enough to have met him I have not misused their trust Some devotees tell me that stories told by other devotees are not factually accurate I have no way of ascertaining the authenticity of any single story All I can report is that those of us who gathered the stories were impressed by the credibility of those of us who told the stories Though the responsibility for this manuscript lies solely with me I am delighted to acknowledge a lot of loving help from my friends **The Gilligan Tapes** Jason O'Toole, 2023-09-04 John Gilligan is no altar boy by his own admission One of Ireland s most infamous criminals and drug lords and widely believed in the court of public opinion to have ordered the cold blooded murder of journalist Veronica Guerin he remains a defiant figure In this remarkable

Sectarian Order in Bahrain Staci Strobl,2018-09-15 Sectarian Order in Bahrain connects the rise of colonial criminal justice in Bahrain and sectarianism making detailed use of an archival cache of colonial criminal court cases in the British Library and offering a critical analysis Using primary and secondary historical documents including ethnographic and anthropological accounts the book links major themes in critical and cultural criminology southern criminology historical sociology post colonialism and

Gulf studies which have not been adequately examined together. It drills down on an important group of surviving criminal court case files and shows how they can describe the problem of and inform solutions to sectarian discrimination in Bahrain. There are two major shifts in notions of the social order and order maintenance that characterize the 20th century, highlighting a sectarianism modus operandi within the colonial criminal justice system. The shifts are the criminalization of inter-tribal competition and honor-based modes of behavior in order to prevent intra-Sunni contestation and to unite Sunnis under Al Khalifah and colonial authority and the invention of indigenous Shi'a and Persian Bahrainis as a criminal class as an extension of the sectarianism long practiced by the Al Khalifah and other Sunni tribes. Together, these two shifts birth a modern criminal justice system that institutionalizes Sunni chauvinism and Shi'a discrimination problems evident in the Bahraini criminal justice system today.
