Murder At Yosemite:

Murder at Yosemite Carlton Smith, 2014-11-11 Please note This ebook edition does not contain the photos found in the print edition Amidst the breathtaking natural beauty of Yosemite National Park four terrifying killings took place For months law enforcement officials were stumped by the deaths of three tourists Carole Sund her teenaged daughter Juli and a family friend Silvina Pelosso But when they found the decapitated body and head of 26 year old naturalist Joie Ruth Armstrong they were led to one man 37 year old handyman Cary Stayner Stayner was arrested at a California nudist colony and soon admitted to all four killings claiming he d had urges to kill women for thirty years And Cary s twisted impulses were not the only tragedy of the Stayner family At the age of seven his younger brother Steven was abducted by a pedophile and forced to live with the man for seven years until he escaped His story was told in a TV movie called I Know My First Name is Steven Steven would ultimately die in a motorcycle crash at twenty four What are the odds of one family suffering such astounding tragedies What would compel a seemingly pleasant clean cut man to brutally attack and gruesomely kill four innocent women Did he act alone Or was his a false confession Bestselling true crime author Carlton Smith searches for the shocking answers in *Murder at Yosemite* this fascinating account of murder and madness *The Yosemite Murders* Dennis McDougal, 2000 Drawing on several personal conversations with confessed killer Cary Stayner his family and the victims families the author presents the complete story of the 4 murders that took place in Yosemite National Park during the winter of 1999 **Cary Stayner** Jack Rosewood, 2015 **Murder at Yosemite** Carlton Smith, 1994 **Cary Stayner: the True Story of the Yosemite Park Killer** Jack Rosewood, 2015-08-09 While some would say that American serial killer Cary Stayner was influenced by family tragedy his already troubled family was shattered when his brother was abducted for seven years and held as a sex slave before his heroic return inspired the miniseries I Know My First Name Is Steven in reality Cary Stayner s true crime story is much more ominous The handsome outdoorsy guy with a love for marijuana nude beaches and the Sierra Nevada mountain range where he once spotted Bigfoot had been harboring fantasies of brutally killing women years before his brother s abduction turned the Stayner family upside down And in the annals of historical serial killers Stayner s story stands out because for months he made one of the most beautiful places on earth a nightmare for women when California s majestic Yosemite National Park became his own devil s playground and he finally found himself unable to control his long suppressed urges Because he didn t look menacing the man one FBI agent compared to actor Tom Laughlin in Billy Jack was able to gain the trust of his victims and three vacationing women who were staying at the lodge where he lived and worked during the busy tourist season and a nature loving teacher who help kids become stewards of the land she loved made that fatal mistake before they were savagely sadistically murdered The biography of serial killer Cary Stayner and his psychopathic crime spree leaves spine tingling chills because as far as the outside world was concerned he was a fairly normal guy who found himself uncontrollably compelled to kill Stayner has been on death row in California s famed San

Quentin for more than 10 years but for the families of his victims no punishment is just enough to make up for the vibrant lives Stayner took making him one of the most depraved American serial killers in contemporary history *The Greater Good* J.
