works that had appeared in various periodicals of the time LIFE TRUTH TOWN TOPICS VOGUE and MUNSEY S MAGAZINE during the five years 1893 1898 the 19th C s Romantic period and whose editors kindly gave Tom Hall permission to republish them So popular was this collection of poetry that it had at least six print runs This volume is made up of two parts The first contains the more serious poetry of the heart and the second part more light hearted and sometimes comical poems about love However of special mention are In Old Madrid and on amore light hearted note A Slight Surprise But these are not just poems for the young for love belongs to all ages Here we recommend Love s Return about a grey haired man whose heart is bursting because he has found love again at a later stage in life and never fear if you have been rejected or if your heart has been broken by a love lost to another there is a poem for you too Here we recommend Hard Hit Rejected and What It Is We ask you to be aware that these poems were penned over one hundred years ago and the protocols for dating and courting in the 19th C were vastly different to those of today So when reading these poems to your loved one think Jane Austen Mr Darcy and Elizabeth Bennet and you re sure to deliver the prose with all the meaning intended and with a degree of elegance missing from the current age Oh don t forget the chocolates roses and champagne for they with the reciting of a romantic poem are sure to win over an unsure heart NOTE The contents of this volume are not related to the 1920 silent movie of a similar name neither is it related to the 1981 novel also of a similar name It is quite simply a collection of ninety one enjoyable short poems which relate to matters of the heart Some are solemn and others more jovial in nature and with the exception of one or two all are one page or less in length which makes for an easy and pleasant read This volume has been especially produced to help raise funds for that charity of charities So buy a copy and be assured that 10% of the profit from the sale of this book will be donated to a worthwhile cause TAGS Poetry poems Verse romance romantic st valentines st valentine s day roses chocolates champagne kings queens bowers Perfect Face Moonlight Sonata Kiss smooch snog lips Bride love Rose From Her Hair Blush Blood On The Rose Old Madrid Duel Shroud Return Wish Serenade Rose In Her Hair Reverie Beauty Dream Return Hyacinth dance waltz Farewell Valentine Hard Hit Rejected rejection jokers heart Ingratitude resolve Resolution Girl woman women Hero Sweet Summer Pew Suspicious Lover Afraid Tantalize tantalise no Uncertainty Youth Bachelor man men Discovered Midsummer Night Tempest Gallant Vanity proposal ring diamond head over heels **When hearts are trumps** Tom Hall,2022-09-16 In When Hearts Are Trumps Tom Hall deftly intertwines themes of love betrayal and the complexities of human relationships within the framework of a contemporary social narrative Set against the backdrop of a bustling urban milieu Hall employs an incisive literary style characterized by rich imagery and nuanced character development The novel s structure which oscillates between introspective monologues and dynamic dialogue reflects the fragmentation of modern life and the universal quest for connection making it a poignant exploration of the heart s intricacies in a seemingly indifferent world Tom Hall an accomplished author with a background in psychology and sociology brings a unique perspective to this work His deep understanding of human emotions and interpersonal dynamics is

evident throughout the narrative allowing readers to engage with characters who are both relatable and compelling Hall's previous experiences as a counselor and his keen observations of social interactions have undoubtedly shaped the thematic concerns explored in this book I highly recommend *When Hearts Are Trumps* to readers who appreciate literary fiction that delves into the depths of emotional complexity Hall's skillful storytelling and profound insights into human nature will resonate with anyone seeking an authentic depiction of love's trials and triumphs This novel is not only a testament to the resilience of the heart but also an invitation to reflect on our own connections *The White Shield* Myrtle Reed, 2014-12-24

The editor takes great pleasure in being able to give to the public another volume from the pen of the lamented author Myrtle Reed These fascinating bits of fiction reflect the characteristics of the writer the same vivid imagination the quick transition from pathos to humour the facility of utterance the wholesome sentiment the purity of thought the delicacy of touch the spontaneous wit which endeared her to friends and to thousands of readers not only in Europe and America but also in Australia and South Africa are here fully represented Her mission was largely one of comfort to the suffering and the sorrowing letters of good cheer went to far away countries where her personal ministry could reach in no other way and her writings are rich with sympathy and hope which have poured the oil of gladness into many a wounded spirit Pathos is not sadness but it is rather the sunshine gleaming through a passing cloud and hence the writings of Myrtle Reed are illumined with the gladsome light of unflinching love Not only in her books and in letters to troubled souls but also in her personal records we find the unfading lines of a deeply devotional nature which was sacredly guarded from the careless observer and seldom discussed even with friends But in this abiding faith was rooted the brave loyalty and high purpose which not only characterised herself but also all of her productions The beautiful stories here presented have given pleasure to thousands of readers in the magazines in which they first came into print and it is to the unvarying courtesy of the publishers that we are indebted for the privilege of thus binding the scattered grain into a single golden sheaf For the many letters of sincere sympathy which in response to a formal request have come from these stranger friends the editor is especially grateful

a Time ... There Was a Tavern Volume 1 Lathan Hudson,2013-06-13 This is the memoir of Lathan Hudson's successful 18 years as a Nashville country music songwriter. He tells it like it was with the stars and the movers and shakers recalling the hilarious as well as bittersweet details of his experience. If you're a country music fan if you've ever wondered what it's like behind the scenes with the best known celebrities in country music this is a book you won't want to miss. *The Light Within* Elizabeth Haldane Sawtelle,2006-08 Although this book is written under my name many of the poems and all of the messages that are included have come from God and His Angels using me as an instrument to bring them to mankind. For many years I have been awakened in the night or early morning hours with words racing through my mind and not leaving there until I have put them down on paper. Seldom have I known what was contained in these until I finished writing for in most cases this was done through automatic writing. I am humbled to accept this gift and to be sharing it with you. **Desert Conquest; or, Precious Waters** A. M. Chisholm,2019-11-27 In *Desert Conquest or Precious Waters* A. M. Chisholm crafts a mesmerizing narrative that intertwines adventure, environmental exploration, and the quest for sustenance in an arid landscape. Through rich, immersive prose, Chisholm paints a vivid tableau of the harsh realities of desert life while also highlighting the resilience of the human spirit. The novel serves as both an allegory for survival and a commentary on the essential nature of water, encapsulating the intricate relationship between humanity and its environment amidst the backdrop of an unforgiving desert. A. M. Chisholm, known for his expertise in environmental themes and deep appreciation for nature, draws on his experiences and academic background in ecological studies to underscore the significance of sustainable water practices. His ability to weave authenticity with imagination reflects a profound understanding of the challenges faced by communities reliant on fragile ecosystems. Through this lens, Chisholm succeeds in illuminating critical issues surrounding resource management and environmental justice, informing readers of the pressing challenges faced by contemporary societies. Highly recommended for those interested in ecological literature and adventure narratives, *Desert Conquest or Precious Waters* invites readers to embark on a transformative journey. Chisholm's deft storytelling not only entertains but also educates, making this book a must-read for anyone concerned about environmental sustainability and resilience in the face of adversity. **The Yellow Dove** George Gibbs,2019-12-12 In *The Yellow Dove*, George Gibbs deftly interweaves themes of love, loss, and social upheaval against the backdrop of early 20th-century America. This richly layered narrative explores the life of its protagonist whose poignant journey through the emerging landscapes of urbanization and changing societal values serves as a microcosm of the larger human experience. Gibbs employs a vivid and evocative literary style, marked by lush descriptions and fine character development, thus immersing readers in a world where personal struggles mirror the broader cultural tensions of the time. George Gibbs, an astute observer of his era, drew inspiration for this narrative from his firsthand experiences and the prevailing zeitgeist of the Progressive Era. A journalist and accomplished novelist, Gibbs's literary career unfolded during a period marked by profound transformation in American society. His keen insights

into the human condition and commitment to social issues shine through in this work illustrating his desire to bridge narrative with moral inquiry as he reflects upon the complexities of human relationships amid changing moral landscapes I highly recommend *The Yellow Dove* to readers who appreciate intricate character studies and social commentary Gibbs's timeless exploration of human emotions and societal constructs invites reflection and resonates with contemporary relevance making it a compelling read for anyone interested in the intersections of personal and collective narratives
