Midge Decter

Old Wives Tale My Seven Decades In Love And War:

An Old Wife's Tale Midge Decter, 2002-08-20 An outspoken opponent of ideological feminism dissects the changing roles of women over the last fifty years in this energetic pithy memoir Over the past few years young voices from Katie Roiphe to Wendy Shalit have started to question the assumptions of women's lives since the advent of feminism and the sexual revolution But how did we get from there to here A well known essayist editor and lecturer Midge Decter's conservative stands on modern social issues have historically raised controversy *An Old Wife's Tale* is her thoughtful pointed examination of the role of women over the last sixty years as viewed through the lens of her own life From stories of her youth during after World War II to wry observations about the supposedly oppressed housewives who were her peers in suburban Long Island to analysis of her later roles as single mother publishing executive happily married woman and doting grandmother Decter takes unstinting aim at those who in her view have completely reordered the roles and expectations of both men and women with confusion and misery the result for both *The Conservative Intellectual Movement in America Since 1945* George H. Nash, 2014-04-08 First published in 1976 and revised in 1996 George H Nash's celebrated history of the postwar conservative intellectual movement has become the unquestioned standard in the field This new edition published in commemoration of the volume's thirtieth anniversary includes a new preface by Nash and will continue to instruct anyone interested in how today's conservative movement was born **Taking the Fight to the Enemy** Adam L. Fuller, 2012-01-01 Neoconservatism is more of a disposition than a single political theory but it is an attitude that has had a profound impact on the broader conservative effort in the United States since the Fifties It is a unique blend of skepticism and fortitude about a host of wide ranging issues spanning culture economics and national defense This book looks at six neoconservative intellectuals Irving Kristol Gertrude Himmelfarb Norman Podhoretz Midge Decter Daniel Bell and Nathan Glazer and the intellectual influences on their thinking about the defects of communism fascism progressivism the dominant American culture and even capitalism itself This book looks at the gestation of political criticism within the pages of the neoconservatives own writings as well as the books they read and the thinkers they either learned from or came to fear The book looks at the ways in which the neoconservatives adapted Lenin's formula for success to conservative efforts in the United States arguing that neoconservatism is an anti ideology ideology in that it considers a New Class of professional ideologically motivated reformers to be the greatest problem facing the United States because of their increased efforts to technocratize ordinary life their moral relativism their efforts to usurp human nature and supplant it with their own utopian visions their anti Americanism and their unwillingness to face imminent dangers threatening the American way of life The book argues that the neoconservative political strategy is to take the fight to the enemy *They Knew They Were Right* Jacob Heilbrunn, 2009-01-06 From its origins in 1930s Marxism to its unprecedented influence on George W Bush's administration neoconservatism has become one of the most powerful reviled and misunderstood intellectual movements in

American history But who are the neocons and how did this obscure group of government officials pundits and think tank denizens rise to revolutionize American foreign policy Political journalist Jacob Heilbrunn uses his intimate knowledge of the movement and its members to write the definitive history of the neoconservatives He sets their ideas in the larger context of the decades long battle between liberals and conservatives first over communism and now over the war on terrorism And he explains why in spite of their misguided policy on Iraq they will remain a permanent force in American politics **Mass Media and the Shaping of American Feminism, 1963-1975** Patricia Bradley, 2009-09-18 Beginning in 1963 with the publication of Betty Friedan's *The Feminine Mystique* and reaching a high pitch ten years later with the televised mega event of the Battle of the Sexes the tennis match between Billie Jean King and Bobby Riggs the mass media were intimately involved with both the distribution and the understanding of the feminist message This mass media promotion of the feminist profile however proved to be a double edged sword according to Patricia Bradley author of *Mass Media and the Shaping of American Feminism 1963-1975* Although millions of women learned about feminism by way of the mass media detrimental stereotypes emerged overnight Often the events mounted by feminists to catch the media eye crystalized the negative image All feminists soon came to be portrayed in the popular culture as bra burners and strident women Such depictions not only demeaned the achievements of their movement but also limited discussion of feminism to those subjects the media considered worthy primarily equal pay for equal work Bradley's book examines the media traditions that served to curtail understandings of feminism Journalists following the craft formulas of their trade equated feminism with the bizarre and the unusual Even women journalists could not overcome the rules of *What Makes News* By the time Billie Jean King confronted Bobby Riggs on the tennis court feminism had become a commodity to be shaped to attract audiences Finally in mass media's pursuit of the new counter feminist messages came to replace feminism on the news agenda and helped set in place the conservative revolution of the 1980s Bradley offers insight into how mass media constructs images and why such images have the kind of ongoing strength that discourages young women of today from calling themselves feminist The author also asks how public issues are to be raised when those who ask the questions are negatively defined before the issues can even be discussed *Mass Media and the Shaping of American Feminism 1963-1975* examines the media's role in creating the images of feminism that continue today And it poses the dilemma of a call for systematic change in a mass media industry that does not have a place for systematic change in its agenda **The Two-Income Trap** Suzanne Venker, 2017-06-06 Dispelling our most cherished myths about work family balance Suzanne Venker argues in *The Two Income Trap* that women who want to get married and have children will find their home lives less chaotic and far more satisfying by making motherhood not career their primary focus The premise of *The Two Income Trap* *Why Parents Are Choosing to Stay Home* is that childrearing is no longer recognized for the enormous undertaking it is Having it all is an impossible goal for anyone male or female The needs of children don't allow two married parents the freedom to dedicate themselves fully to something

else That isn't a bad thing says Venker It's a good thing It's time to shift our paradigm There is value in pursuing both work and family but prioritizing family over career and being realistic with one's goals is the only way women can be successful at both The Two Income Trap does two things helps elevate the status of parents at home and helps mothers who want to be employed create a life that works Without the stress Without the guilt Without regret **Willie** Teresa Nicholas,2016-03-10

In 2000 readers voted Willie Morris 1934-1999 Mississippi's favorite nonfiction author of the millennium After conducting over fifty interviews and combing through over eighty boxes of papers in the archives at the University of Mississippi many of which had never been seen before by researchers Teresa Nicholas provides new perspectives on a Mississippi writer and editor who changed journalism and redefined what being southern could mean More than fifty photographs some published here for the first time including several by renowned photographer David Rae Morris Willie's son enhance the exploration From an early age Willie demonstrated a talent for words At the University of Texas at Austin he became a controversial editor of the Daily Texan He later studied history as a Rhodes Scholar in Oxford England but by 1960 he was back in Austin working as editor for the highly regarded Texas Observer In 1967 Willie became the youngest editor of the nation's oldest magazine Harper's His autobiography North Toward Home achieved critical as well as artistic success and it would continue to inspire legions of readers for decades to come In the final tally he published hundreds of newspaper and magazine articles along with twenty three books His work covered the gamut from fiction to nonfiction for both adults and children often touching on the personal as well as the historical and the topical and always presented in his lyrical prose In 1980 he returned to his home state as writer in residence at the University of Mississippi In 1990 he married his editor at the University Press of Mississippi JoAnne Prichard and they made a home in Jackson With his broad knowledge of history his sensitivity and his bone deep understanding of the South he became a celebrated spokesman for and interpreter of the place he loved *Intellectuals and Society* Thomas Sowell,2012-03-06

The influence of intellectuals is not only greater than in previous eras but also takes a very different form from that envisioned by those like Machiavelli and others who have wanted to directly influence rulers It has not been by shaping the opinions or directing the actions of the holders of power that modern intellectuals have most influenced the course of events but by shaping public opinion in ways that affect the actions of power holders in democratic societies whether or not those power holders accept the general vision or the particular policies favored by intellectuals Even government leaders with disdain or contempt for intellectuals have had to bend to the climate of opinion shaped by those intellectuals *Intellectuals and Society* not only examines the track record of intellectuals in the things they have advocated but also analyzes the incentives and constraints under which their views and visions have emerged One of the most surprising aspects of this study is how often intellectuals have been proved not only wrong but grossly and disastrously wrong in their prescriptions for the ills of society and how little their views have changed in response to empirical evidence of the disasters entailed by those views *The Right* Matthew Continetti,2022-04-19 A

magisterial intellectual history of the last century of American conservatism When most people think of the history of modern conservatism they think of Ronald Reagan Yet this narrow view leaves many to question How did Donald Trump win the presidency And what is the future of the Republican Party In *The Right* Matthew Continetti gives a sweeping account of movement conservatism's evolution from the Progressive Era through the present He tells the story of how conservatism began as networks of intellectuals developing and institutionalizing a vision that grew over time until they began to buckle under new pressures resembling national populist movements Drawing out the tensions between the desire for mainstream acceptance and the pull of extremism Continetti argues that the more one studies conservatism's past the more one becomes convinced of its future Deeply researched and brilliantly told *The Right* is essential reading for anyone looking to understand American conservatism

On Human Life Pope Paul VI, Mary Eberstadt, 2014-09-16 The papal encyclical *Humanae Vitae* On Human Life made headlines worldwide Many talked about the encyclical when it was issued in 1968 but few actually read it Why is it perhaps the most controversial document in modern Church history *On Human Life* combines *Humanae Vitae* with commentary by popular and respected Catholic authors Mary Eberstadt James Hitchcock and Jennifer Fulwiler in order to address this question and to shed light on the document's enduring wisdom *Humanae Vitae* is Pope Paul VI's explanation of why the Catholic Church rejects contraception The pope referred to two aspects or meanings of human sexuality the unitive and the procreative He also warned of the consequences if contraception became widely practiced consequences that have since come to pass greater infidelity in marriage confusion regarding the nature of human sexuality and its role in society the objectification of women for sexual pleasure compulsory government birth control policies and the reduction of the human body to an instrument of human manipulation The separation of sexuality from its dual purpose has also resulted in artificial reproduction technologies including cloning that threaten the dignity of the human person Although greeted by controversy and opposition *Humanae Vitae* has continued to influence Catholic moral teaching St John Paul II's popular theology of the body drew deeply on the insights of Paul VI Pope Benedict and now Pope Francis have upheld the long standing teaching and a new generation of Catholics as well as non Catholics is embracing the truths of the encyclical

Write Like a Man Ronnie Grinberg, 2024-03-26 How virility and Jewishness became hallmarks of postwar New York's combative intellectual scene In the years following World War II the New York intellectuals became some of the most renowned critics and writers in the country Although mostly male and Jewish this prominent group also included women and non Jews Yet all of its members embraced a secular Jewish machismo that became a defining characteristic of the contemporary experience *Write like a Man* examines how the New York intellectuals shared a uniquely American conception of Jewish masculinity that prized verbal confrontation polemical aggression and an unflinching style of argumentation Ronnie Grinberg paints illuminating portraits of figures such as Norman Mailer Hannah Arendt Lionel and Diana Trilling Mary McCarthy Norman Podhoretz Midge Decter and Irving Howe She describes how their construction of Jewish masculinity helped to propel the American Jew

from outsider to insider even as they clashed over its meaning in a deeply anxious project of self definition Along the way Grinberg sheds light on their fraught encounters with the most contentious issues and ideas of the day from student radicalism and the civil rights movement to feminism Freudianism and neoconservatism A spellbinding chronicle of mid century America *Write like a Man* shows how a combative and intellectually grounded vision of Jewish manhood contributed to the masculinization of intellectual life and shaped some of the most important political and cultural debates of the postwar era

Russell Kirk Bradley J. Birzer, 2015-11-09 Emerging from two decades of the Great Depression and the New Deal and facing the rise of radical ideologies abroad the American Right seemed beaten broken and adrift in the early 1950s Although conservative luminaries such as T S Eliot William F Buckley Jr Leo Strauss and Eric Voegelin all published important works at this time none of their writings would match the influence of Russell Kirk s 1953 masterpiece *The Conservative Mind* This seminal book became the intellectual touchstone for a reinvigorated movement and began a sea change in Americans attitudes toward traditionalism In *Russell Kirk* Bradley J Birzer investigates the life and work of the man known as the founder of postwar conservatism in America Drawing on papers and diaries that have only recently become available to the public Birzer presents a thorough exploration of Kirk s intellectual roots and development The first to examine the theorist s prolific writings on literature and culture this magisterial study illuminates Kirk s lasting influence on figures such as T S Eliot William F Buckley Jr and Senator Barry Goldwater who persuaded a reluctant Kirk to participate in his campaign for the presidency in 1964 While several books examine the evolution of postwar conservatism and libertarianism surprisingly few works explore Kirk s life and thought in detail This engaging biography not only offers a fresh and thorough assessment of one of America s most influential thinkers but also reasserts his humane vision in an increasingly inhumane time

Commentary In American Life Murray Friedman, 2005 Founded by the American Jewish Committee in 1945 as a monthly journal of significant thought and opinion Jewish affairs and contemporary issues *Commentary* magazine has through the years had a far reaching impact on American politics and culture *Commentary in American Life* traces this influence over time especially in creating the neoconservative movement The authors of each chapter also consider the ways the magazine shaped and reflected major cultural and literary trends in the United States The end result offers a full accounting of one of the most important journals of American political thought providing insight into the development of American collective politics and culture over the last six decades

The New York Public Intellectuals and Beyond Ethan Goffman, Daniel Morris, 2009 Here a variety of distinguished scholars revisit and rethink the legacy of the New York intellectuals showing how this small predominantly Jewish group moved from communist and socialist roots to become a primary voice of liberal humanism and in the case of a few to launch a new conservative movement

American Conservatism Bruce Frohnen, Jeremy Beer, Nelson O. Jeffrey, 2014-05-20 A must own title National Review Online *American Conservatism* An Encyclopedia is the first comprehensive reference volume to cover what is surely the most influential

political and intellectual movement of the past half century More than fifteen years in the making and more than half a million words in length this informative and entertaining encyclopedia contains substantive entries on those persons events organizations and concepts of major importance to postwar American conservatism Its contributors include iconic patriarchs of the conservative and libertarian movements celebrated scholars well known authors and influential movement activists and leaders Ranging from abortion to Zoll Donald Atwell and written from viewpoints as various as those which have informed the postwar conservative movement itself the encyclopedia s more than 600 entries will orient readers of all kinds to the people and ideas that have given shape to contemporary American conservatism This long awaited volume is not to be missed [Humanities](#) ,2002 **Running Commentary** Benjamin Balint,2010-06-01 In the years of cultural and political ferment following World War II a new generation of Jewish American writers and thinkers arose to make an indelible mark on American culture Commentary was their magazine the place where they and other politically sympathetic intellectuals Hannah Arendt Saul Bellow Lionel Trilling Alfred Kazin James Baldwin Bernard Malamud Philip Roth Cynthia Ozick and many others shared new work explored ideas and argued with each other Founded by the offspring of immigrants Commentary began life as a voice for the marginalized and a feisty advocate for civil rights and economic justice But just as American culture moved in its direction it began inexplicably to some to veer right becoming the voice of neoconservatism and defender of the powerful This lively history based on unprecedented access to the magazine s archives and dozens of original interviews provocatively explains that shift while recreating the atmosphere of some of the most exciting decades in American intellectual life **Norman Podhoretz** Thomas L. Jeffers,2010-06-14 This is the first biography of the Jewish American intellectual Norman Podhoretz longtime editor of the influential magazine Commentary As both an editor and a writer he spearheaded the countercultural revolution of the 1960s and after he broke ranks the neoconservative response For years he defined what was at stake in the struggle against communism recently he has nerved America for a new struggle against jihadist Islam always he has given substance to debates over the function of religion ethics and the arts in our society The turning point of his life occurred at the age of forty near a farmhouse in upstate New York in a mystic clarification It compelled him to unlearn much that he had earlier been taught to value and it also made him enemies Revealing the private as well as the public man Thomas L Jeffers chronicles a heroically coherent life [Start Your Family](#) Candice Watters,Steve Watters,2009-01-01 Starting a family is a soul shaping world altering experience Unfortunately in a culture of competing values and protracted timelines couples are increasingly backing their way into parenting or missing it altogether By the time the average couple tries to have kids they are often beyond their late twenties and surprised to learn they are sliding past the peak of their fertile years In Start Your Family Steve and Candice Watters encourage couples to be intentional about their timeline in the early years of marriage and to trust God to help them boldly launch their families Responding to the most common doubts and hurdles they offer biblical inspiration for the questions Why have kids When is

the best time to start How can we fit kids into our lives *African Americans in Conservative Movements* Louis G. Prisoek, 2018-05-23 Providing an expansive view of the making and meaning of African American conservatism this volume examines the phenomenon in four spheres the political realm the academic world the black church and grass roots activism movements In his analysis of their activities in these realms Louis Prisoek examines the challenges African American conservatives face as they operate within the context of largely white conservatism At the same time that African American conservatives challenge the white conservative movement's principle of color blindness they are accused of being racial mascots or tokens from those outside of it Prisoek unwinds the intricacies of black conservatives relationships to both the wider conservative movement and the everyday life experiences of black Americans showing that they are as vulnerable to the inescapability of race as any other individual in a racialized America

Old Wifes Tale My Seven Decades In Love And War Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Old Wifes Tale My Seven Decades In Love And War free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Old Wifes Tale My Seven Decades In Love And War free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Old Wifes Tale My Seven Decades In Love And War free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Old Wifes Tale My Seven Decades In Love And War. In conclusion, the internet offers numerous platforms and websites that

allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Old Wives Tale My Seven Decades In Love And War any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Old Wives Tale My Seven Decades In Love And War Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Old Wives Tale My Seven Decades In Love And War is one of the best book in our library for free trial. We provide copy of Old Wives Tale My Seven Decades In Love And War in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Old Wives Tale My Seven Decades In Love And War. Where to download Old Wives Tale My Seven Decades In Love And War online for free? Are you looking for Old Wives Tale My Seven Decades In Love And War PDF? This is definitely going to save you time and cash in something you should think about.
