Browning's Ancient Classical Sources Thurman Losson Hood,1922 **Browningiana in Baylor University** Baylor University. Library,1921 **The Shelleys and the Brownings** Rieko Suzuki,2022-01-13 This book is about the intertextual relationships between the works of the Shelleys and the Brownings While a lot of research has been done on the relationship between Percy Bysshe Shelley and Robert Browning virtually nothing has been said about the links between Mary Shelley and Robert Browning and very little on the connections between the Shelleys and Elizabeth Barrett Browning Rieko Suzuki seeks to address this blind spot by focusing on three areas in particular firstly the way that Browning s later poems reflect back on and re engage with Shelley s work secondly Mary Shelley s influence on Browning s early poems and thirdly Shelley s presence in and influence on Elizabeth Barrett Browning s writing In mapping out the various ways in which texts relate to other texts the book also identifies a number of important thematic threads that run throughout the work of all four writers These include theories of history and historical consciousness providing a further dimension to the question of influence They also include ideas about exile gender liberal politics and cultural heritage central to almost all the texts discussed here as the Shelleys and the Brownings in different ways and in varying contexts tried to negotiate the possibility of a more tolerant and resilient social political and cultural environment **The Poetical Works of Robert Browning** Robert Browning,1983 This volume presents poetry Browning wrote in his seventies his last two books Parleyings 1887 and Asolando 1889 Both volumes are presented here with previously unknown sources a wealth of new contextual material and many textual nuances clarified giving a fresh view of the last phase of Browning s career What emerges is a poet more seriously Christian Protestant and Liberal than previously supposed more interested in Britain s destiny and Empire more enmeshed in the local battles of the 1880s and a writer of considerable range and wit Book Jacket **The Poetical Works of Robert Browning: Volume VIII. The Ring and the Book, Books V-VIII** Robert Browning,1983 This is the second instalment of Browning s great murder story set in the Italy of the 1690s The Ring and the Book a poem which Henry James called a monstrous magnificence Here Browning lets the central characters of his poem the corrupt aristocrat and murderer Franceschini his victim and her rescuer tell the story in their own words **University of California Chronicle** University of California, Berkeley,1926 **The Juridical Review** ,1925 Covers general areas of Scottish law including criminal commercial contract delict environmental family administrative and socio legal issues Also includes some articles on comparative law plus book reviews and case notes **Catalogue** Sotheby, Wilkinson & Hodge,1913 **Readers' Guide to Periodical Literature** Anna Lorraine Guthrie,Bertha Tannehill,Neltje Marie Tannehill Shimer,1910 **Monthly Bulletin** San Francisco Free Public Library,1905 **Bulletin of the Wilmington Institute Free Library** Wilmington Institute Free Library (Wilmington, Del.),1912 **Bulletin ... of Books Added to the Public Library of Detroit, Mich** ,1908 **Bulletin ... of Books Added to the Public Library of Detroit, Mich** Detroit Public Library,1909 **The Contemporary Review** ,1909 **The Vagabond in Literature** Arthur

Compton-Rickett,2019-11-27 In *The Vagabond in Literature* Arthur Compton Rickett embarks on an incisive exploration of the archetype of the wanderer tracing its rich trajectory across various literary traditions The book deftly combines literary critique with autobiographical insights employing a lyrical style that often mirrors the journeys of its subjects Compton Rickett analyzes the nuanced representation of vagabondage in works from the Romantic period to the early 20th century examining figures such as Byron Thoreau and even the modernist depictions of transient identities His insights resonate with the themes of freedom existential questioning and societal critique that characterize these works providing a compelling contextual framework for understanding the persistently alluring nature of the vagabond in literature Arthur Compton Rickett was not only a scholar of literature but also a traveler himself allowing his personal experiences as a wanderer to inform his academic pursuits His broad background in English studies and a keen interest in social issues gave him the unique perspective necessary to delve deeply into the symbolism and significance of vagabondage These experiences of exploration and their inherent challenges are poignantly reflected in his literary analyses underlining the intricate relationship between life and literature *The Vagabond in Literature* is a must read for anyone intrigued by the complex interplay between identity and movement in literary history Compton Rickett s eloquent prose invites readers to reflect on their own connections to the themes of wandering and belonging This book not only sheds light on classical literary forms but also encourages contemporary readers to consider the implications of vagabondage in today s increasingly transient world

Blood & Ink Albert Borowitz,2002 The interplay between crime fact and crime fiction can be detected back to literature s earliest beginnings True crime has long been the basis of many plots of memorable literature from Nathaniel Hawthorne s *The Scarlet Letter* to Jean Genet s play *The Maids* there has often been blood on the page Quarterly Bulletin of the Providence Public Library Providence Public Library (R.I.),1925 *Classified Catalogue of the Carnegie Library of Pittsburgh* Carnegie Library of Pittsburgh,1914 *Bulletin* Texas University,1918 **The English Bulletin** ,1915
