A to Z of American Women Writers Carol Kort, 2014-05-14 Presents a biographical dictionary profiling important women authors including birth and death dates accomplishments and bibliography of each author's work The Oldest Map with the Name America Lucia Perillo, 1999 Lucia Perillo's poetry embodies a sensibility at once personal and national Many of her poems are candid and affecting some document how she negotiates life with multiple sclerosis others concern her working class Catholic childhood in a small Hudson River town But in general and even in these personal works her poetry picks up the fragments of American culture Bart Simpson crimes of violence Girl Scouting teen rebellion redneck survivalists and assembles them into a highly readable and illuminating cultural commentary One poem Foley blends the subjects of movie sound effects and phone sex to make the point that in electronic America things are seldom as they seem or sound In For I Have Taught the Japanese an ESL instructor confesses I was such an idiot I even tried to apologize more than once for Nagasaki In a third Perillo thumbs through a survivalist magazine to see what it has to offer to her newborn nephew They're hawking a T-shirt I entered the world fat mad and bald and I plan on leaving that way The texture of Lucia Perillo's writing is conversational poignant often mordantly funny The structure of her work is architectural in its grandeur dramatic in its impact Taken together the poems in The Oldest Map with the Name America present the reader with an important new way of looking at the world a vision that in its coherence provides us with a deep and original understanding of what we're all about as individuals and as a culture

Buried Caesars, and Other Secrets of Italian American Writing Robert Viscusi, 2012-02-01 Winner of the 2006 Pietro Di Donato and John Fante Literary Award from The Grand Lodge of the Sons of Italy New York State Robert Viscusi takes a comprehensive look at Italian American writing by exploring the connections between language and culture in Italian American experience and major literary texts Italian immigrants Viscusi argues considered even their English to be a dialect of Italian and therefore attempted to create an American English fully reflective of their historical social and cultural positions This approach allows us to see Italian American purposes as profoundly situated in relation not only to American language and culture but also to Italian nationalist narratives in literary history as well as linguistic practice Viscusi also situates Italian American writing within the eccentric design of American literature and uses a multidisciplinary approach to read not only novels and poems but also houses maps processions videos and other artifacts as texts

Are We There Yet? Susan Sessions Rugh, 2008-06-12 When TV celebrity Dinah Shore sang See the USA in your Chevrolet 1950s America took her to heart Every summer parents piled the kids in the back seat threw the luggage in the trunk and took to the open highway Chronicling this innately American ritual Susan Rugh presents a cultural history of the American middle class family vacation from 1945 to 1973 tracing its evolution from the establishment of this summer tradition to its decline The first in depth look at post World War II family travel Rugh's study recounts how postwar prosperity and mass consumption abetted by paid vacation leave car ownership and the new interstate highway system

forged the ritual of the family road trip and how that ritual became entwined with what it meant to be an American With each car a safe haven from the Cold War vacations became a means of strengthening family bonds and educating children in parental values national heritage and citizenship Rugh s history looks closely at specific types of trips from adventures in the Wild West to camping vacations in national parks to summers at Catskill resorts It also highlights changing patterns of family life such as the relationship between work and play the increase in the number of working women and the generation gap of the sixties Distinctively Rugh also plumbs NAACP archives and travel guides marketed specifically to blacks to examine the racial boundaries of road trips in light of segregated public accommodations that forced many black families to sleep in cars a humiliation that helped spark the civil rights struggle In addition she explains how the experience of family camping predisposed baby boomers toward a strong environmental consciousness Until the 1970s recession ended three decades of prosperity and the traditional nuclear family began to splinter these family vacations were securely woven into the fabric of American life Rugh s book allows readers to relive those wondrous wanderings across the American landscape and to better understand how they helped define an essential aspect of American culture Notwithstanding the rueful memories of discomforts and squabbles in a crowded car those were magical times for many of the nation s families

In the Blue Pharmacy Marianne Boruch, 2011-04-14 Celebrated poet and essayist Marianne Boruch ponders poets and poetry examining how the imagination works with mystery and surprise in a variety of writers Combining a richly associative style with original insights on poetic texts she brings in material from other worlds among them science and music to demonstrate the myriad ways we transform experience and knowledge The sixteen essays here explore poets and poetry the writing life and a host of fascinating topics that come into the wide range of Boruch s attention She looks at how the imagination works with mystery and surprise in a variety of poets from Elizabeth Bishop to Theodore Roethke from Russell Edson to Larry Levis from Walt Whitman to Eavan Boland She considers how the atomic bomb changed William Carlos Williams s deepest ambition for poetry and how Edison s listening through his famous deafness informs our sense of the poetic line Other essays explore how the car its danger and solitude helps us understand American poetry or how Dvo k and Whitman shared darker things than their curious love for trains Poetry transforms changing over time in the work of individual poets as well as changing us as we read it or write it Boruch s writing has a kind of musical incantatory style creating a mood in which many of her subjects are immersed Her approach isn t meant to fix or crystallize her ideas in any hard and fast light but rather to present the music of her thinking its movement its poetry Boruch brings in personal memory and philosophical speculation infusing much of this writing with slightly skewed skepticism and rueful uncertainty about one s ability to be absolute about anything least of all poetry She recognizes that much of the process of writing poetry is as mysterious as the power at the heart of a poem and it s that mystery that fascinates both the writer and the reader These essays start in passion and quietude and curiosity that willful not knowing a process similar to how poems themselves begin and keep going

Writing With An Accent Edvige Giunta,2016-04-30 Mary Cappello Louise DeSalvo Sandra M Gilbert Maria Mazziotti Gillan Carole Maso Agnes Rossi These are some of the best known Italian American writers today They are part of a literary tradition with mid twentieth century roots that began to develop in earnest in the late 1970s and early 1980s During those decades a number of Italian American women such as Helen Barolini began to publish books that depicted their perspectives on life through the critical lenses of gender class and ethnicity At the end of the twentieth century this literature finally blossomed into a fully fledged cultural movement that also took into account issues of sexuality age illness and familial and societal abuse Writing with an Accent takes a look at this vibrant literary movement by discussing those first writers of the 1970s and 1980s as well as later authors At the center of Edvige Giunta s Writing with an Accent is the literal notion of accent the marker of linguistic and cultural difference that separates and identifies recent immigrants to the United States In this study an accent symbolically embodies the differences and creative strategies through which contemporary Italian American women writers engage Italian American culture in works of fiction poetry and memoir Giunta also looks at the links between the literature and art music film and video produced by contemporary Italian American women The literature of the Italian American women in Writing with an Accent is shaped by the complicated connections these authors maintain with their cultural origins but also and perhaps more importantly by their feminist consciousness and politicized sense of ethnic identity Writing with an Accent celebrates and explores a group of authors who characteristically mix the joy and pain of Italian American life to paint a multifaceted picture of Italian American women and their complex place in U S culture

The Extraordinary Tide Susan Aizenberg,Erin Belieu,Jeremy Countryman,2001 Featuring four hundred poems by more than one hundred female authors this celebration of American women poets includes major work from the last third of the 20th century

Windows and Doors Natasha Saje,2014-08-06 Windows and Doors is a poetry handbook that places poststructuralist and postmodern ways of thinking alongside formalist modes making explicit points of overlap and tension that are usually tacit Each of Natasha Saje s nine essays addresses a topic of central concern to readers and writers of poetry while also making an argument about poetic language and ideology Foundational topics diction syntax rhythm surprise figurative language narrative genre book design and performance are explained through the lenses of theory history and philosophy and illuminated through vibrant examples from the works of numerous contemporary American poets
