somewhat like Alice of Alice in wonderland Her father had travelled right across India for work and as a result the entire family was always and forever caught up in the cultural crossfire of North and South Yet it was fun straddling both the worlds and making the most of the plenitudes life had to offer Her marriage took her to another entirely different world where she found herself thrown into a strange modern and liberal yet disturbed world Life turns full circle as she returns to the city of her childhood and youth and looks at the travails of the present generation from the perspective of a wanderer s soul The angst felt by Nitya is why is the human society reeling in the grip of greed intolerance and hatred With better access to basic necessities comforts technology intellectual resources and faster communication life in the present times should have been more peaceful accommodating and non threatening But sadly that is not true Where have we the people gone wrong
