Hughes, 2002-10 In a significant contribution to the history of Chichester and of the Blue Coat e t m schools in general the author tells the entire story of an exceptional school Oliver Whitby was born in 1664 the son of Chichester e t m s Archdeacon and died in 1702 founding a boys e t m school by the terms of his will It opened its doors in 1712 and sadly closed in 1949 when the author of this account was in his fifth year at the school In addition to a full chronological history of the school he explains the events ideals and prejudices of Whitby e t m s time and the school e t m s often turbulent existence *A History of the Western Division of the County of Sussex* James Dallaway, 1815 *The History of Harting* Henry Doddridge Gordon, 1877 **The Chichester Guide, Containing the History and Antiquities of the City ... a Description of the Cathedral and Its Monuments ... Green, 2015-02-02 Chichester is the archetypal Georgian town with streets of elegant buildings gathered closely around the ancient cathedral It usually appears to today's first time visitor that the city has been largely untouched by the hand of time particularly the destructive hand that guided the 1960s However this is not the case in the 1960s Chichester faced the same challenges as all historic towns and much was lost but the brakes were applied in good time and it became one of the first conservation areas in the country This book the first of its kind looks at how Chichester fared in that turbulent decade how it gained its status as a city of culture with a new theatre and museum and how it expanded to meet the demands of its growing populace Historical research blends with personal anecdote to produce a heartfelt portrait of the decade **The Parliamentary Gazetteer of England and Wales**, 1845 Bibliography of Historical Works Issued in the United Kingdom, 1946-1956. Compiled for the

Sixth Anglo-American Conference of Historians Joan Cadogan Lancaster, 1957
