Olivofonics Small Business Management And Philosophy For Beginners:

Olivofonics Francis A. Olivo, 2001-02 Olivofonics Oh Lee Vo Fawn Ecks Small Business Management Philosophy for Beginners Small business management is nothing more than philosophies It covers business ethics business reality marketing philosophies logic and much more As individuals the only thing that we own is our beliefs If you believe something to be true you consider it to be your knowledge If however you don't believe something to be true you have very little knowledge of it So knowledge is power but only if you believe it to be true If one side of the coin says Man has no guarantees in life then it's safe to assume that the opposite side of the coin guarantees man one thing No individual can live forever Yet people flip the coin every day Even though I cannot offer you any guarantees we already have our guarantee Let me say that if you believe the philosophies in this book then my philosophies will become your knowledge If however you don't believe the philosophies in this book you'll have very little knowledge of small business management Regards Frank **Olivononics** Francis A.

Olivo, 2000-07 Olivononics Oh Lee Vo Non Ecks is a basic look at the philosophies of the human mind reality ethics and logic to see if it's possible for an inmate to philosophically earn an early parole through the Olivononics program Philosophy is like a breath of fresh air that blows away all the haze that sometimes blurs our vision Unlike psychology philosophy looks at the conceptual questions like what is reality Philosophy has been around for thousands of years and it's answered thousands of questions Now it's time to answer the question of is it possible to get out of prison early and stay out for life This book was written in easy to understand English and is intended to help inmates earn an early parole Books In Print 2004-2005 Ed
