Omega Diary:

Counseling Widowers Jason M. Troyer, 2014-04-24 Working with widowers can be one of the most challenging parts of a therapist's career. Despite the need for better research and professional guidance, therapists have often been left alone to confront a group struggling with high rates of suicide, mortality, physical health problems, and depression. *Counseling Widowers* builds from the latest developments in grief research and men's studies to bridge the gap between counseling practice and the needs of bereaved men. In these pages, therapists will find tools for adjusting their clinical strategies to work more effectively with these men. Through a more empathic understanding of widowers, therapists can help them build from their strengths as they face the loss of their partner. *Alpha's Obsession, The Omega's Destiny* RM Lehman, 2024-12-27 The rain fell hard the night Remi's life truly began to unravel. Once she had dreamed of belonging, of carving out a place for herself in the Silver Fang pack, a place where she wasn't just the orphaned omega raised in the shadows. But fate had other plans. On her eighteenth birthday, she discovered Elias, the cold and arrogant heir to the pack, was her fated mate. Instead of a bond to cherish, she found herself tethered to a man who despised her, humiliated her, and refused to claim her. When she's taken by the hybrid pack outcasts shrouded in whispers of danger, Remi's world shifts. The hybrids, led by the enigmatic and sharp-tongued Damien, have one goal: reclaim what the Silver Fang pack stole from them. To do that, they need leverage, and Remi, the alpha's fated mate, seems like the perfect pawn. But the plan comes with complications, especially when Julian, Damien's softer, more empathetic brother, starts to see her for who she really is: more than just an omega or a tool for revenge. As Remi begins to find her footing in a world that views her as weak, she's torn between two conflicting bonds: There's Elias, her fated mate, whose cold rejection has left her questioning the Goddess's plan. And then there's the brothers: Julian, who brings her peace, and Damien, whose fire ignites something in her she never thought she could feel. Amid lies, fragile alliances, and battles for survival, Remi is thrust into a love triangle that will test her heart and her loyalty. Will she fight for the mate who was destined for her, or will she choose a bond forged not by fate but by choice? In a world where betrayal breaks, fate binds, and love ignites, Remi's story isn't about finding someone to save her. It's about discovering the strength to save herself and choosing the love that's worth the fight. **Katie's Diary** David Lester, 2004-03 Katie's Diary is a unique analysis of the diary left behind by a young woman who has committed suicide.
