oracles and omens in the wars of the Archaic and Classical Greek world Religion was integral to the conduct of war in the

ancient world and the Greeks were certainly no exception No campaign was undertaken no battle risked without first making

sacrifice to propitiate the appropriate gods such as Ares god of War or consulting oracles and omens to divine their plans Yet

the link between war and religion is an area that has been regularly overlooked by modern scholars examining the conflicts

of these times This volume addresses that omission by drawing together the work of experts from across the globe The

chapters have been carefully structured by the editors so that this wide array of scholarship combines to give a coherent

comprehensive study of the role of religion in the wars of the Archaic and Classical Greek world Aspects considered in depth

will include Greek writers on religion and war declarations of war fate and predestination the sphagia and pre battle
