ancestral healing having worked with hundreds of individuals across the globe It's About You! Chris W. E. Johnson, 2020-01-31 The ultimate guide to understanding your magnificent multi dimensional Self so that you can begin living a fearless fulfilling life of contentment Why are you here in the physical world at this crucial and chaotic time for humanity What if you were aware of your higher self s spiritual reasons for being here What if you could fearlessly pursue those things that excite your passions without worrying about money or whether you are worthy of doing so What does it take to fully express your Self It s About You Know Your Self is the first book in a trilogy that integrates profound insights from a wide variety of physical and nonphysical sources of knowledge into a set of experiential workbooks The primary aim of the trilogy is to make the reader consciously aware of the subconscious spiritual impulses that steer one s experiences in life Such awareness brings clarity on the purpose of our current lifetime and why our Essence higher self presents us with certain challenges along the way Essentially our Essence self has a few learning goals for this lifetime all of which contribute to the overall expansion and evolution of our personal expression within Consciousness Know Your Self through its series of exercises initiates a journey of gentle self transformation that releases emotional and psychological obstructions on the way to consciously managing the key issues that affect our lives self worth health relationships and our flow of abundance enabling us to live a more fun filled altruistic way of life In this newly edited revised edition you will discover the totality of your indivisible Self from the fabulous resources of your Essence self to the foibles fears and wayward beliefs of your ego self and learn how to deal with your ego self s challenges in a compassionate and forgiving manner Know Your Self presents a new model of the Self incorporating psychological aspects and layers to the Self offered in the Seth material and other channeled sources of wisdom This new model allows the reader to understand better the nature of your spiritual existence how this provides the source energy for your physical existence to feel more confident of your continued existence after physical death and open a reconnection to the inner guidance of your Essence self As the metaphysical character Seth reminds us The ego then is only part of a much larger self but because consciously you do not perceive the whole self you arbitrarily make it a unit from a truly indivisible identity and call this the I You succeed in cutting off in theory one portion of the self from the whole self Seth in Roberts J 1998 The Early Sessions Book 3 of The Seth Material Manhasset NY New Awareness Network Inc p 266 Know Your Self gives a clearer understanding of the root causes of the challenges and problematic events occurring in one s life and crucially how to address such problems A review of the first edition Our long dominant worldview of materialism is giving way in a shift in our individual and collective psyches awakening to a more spiritual knowing Therefore now more than ever before we humans need teachers and guides grounded in an emerging truth we can trust Johnson provides us here with an outstanding 21st century metaphysical textbook to empower us to use more consciously our intention to change and enrich our lives and the reality we are manifesting Professor Jon Klimo author of Channeling Investigations on Receiving Information from Paranormal Sources Order your ego self a copy now and begin

The Wonder of the Cross Richard A. Shenk, 2013-05-08 When considering and confronting the problem of evil we may be asking the wrong question Why is there evil in the world if God is good and powerful It may be wrong because it smuggles in an unbiblical premise God can and should use his coercive power to relieve suffering since he is both good and able But what if coercive power does not work to accomplish God s goals This book is an investigation into the possibility that the noncoercive power of the Cross must be at the center of this issue and that the Cross could reform this question We could ask instead How is God destroying evil and suffering and why is he taking so long The answer to this reframed question might be He is using evil and suffering to destroy evil and suffering for His People this is how long it takes While not a solution to the problem of evil could this help us learn to delight in God in a world in which evil and suffering seem at times so relentless
