On A Spaceship With Beelzebub

Johanna Petsche

On A Spaceship With Beelzebub:

On a Spaceship with Beelzebub David Kherdian, 1998-03-01 An award winning author's uncompromising and brutally honest inside story of the powerful Gurdjieff Work of self transformation Offers a stirring account of spiritual transformation as well as a warning of the real dangers inherent in being a member of any spiritual group Acclaimed author David Kherdian tells us the inside story of the powerful Gurdjieff Work of self transformation He describes his interaction with the hierarchy of various groups involved in the Work and tells the inspiring story of his own awakening that will resonate deeply with anyone involved in disciplined spiritual practice Drawing on his own decades of intense study and application of Gurdjieff's philosophy Kherdian offers us a stirring account of spiritual transformation as well as a warning of the real dangers inherent in being a member of any spiritual group

On a Spaceship with Beelzebub David Kherdian, 1991 **Gurdjieff's America** Paul Beekman Taylor, 2004 Offers information and stories about Gurdjieff setting him within the cultural and social contexts of America between 1924 and 1935

Classical Spirituality in Contemporary America Michael S. Pittman, 2012-03-08 G I Gurdjieff d 1949 remains an important if controversial figure in early 20th century Western Esoteric thought Born in the culturally diverse region of the Caucasus Gurdjieff traveled in Asia Africa and elsewhere in search of practical spiritual knowledge Though oftentimes allusive references to Sufi teachings and characters take a prominent position in Gurdjieff's work and writings Since his death a discourse on Gurdjieff and Sufism has developed through the contributions as well as critiques of his students and interlocutors J G Bennett began an experimental Fourth Way school in England in the 1970s which included the introduction of Sufi practices and teachings In America this discourse has further expanded through the collaboration and engagement of contemporary Sufi teachers This work does not simply demonstrate the influence of Gurdjieff and his ideas but approaches the specific discourse on and about Gurdjieff and Sufism in the context of contemporary religious and spiritual teachings particularly in the United States and highlights some of the adaptive boundary crossing and hybrid features that have led to the continuing influence of Sufism

America's Alternative Religions Timothy Miller, 1995-07-01 This is a single volume source of reliable information on the most important alternative religions covering for each such

essentials as history theology impact on the culture and current status The chapters of the book were written by experts who study the movements they have written about **Gurdjieff and Music** Johanna Petsche,2015-02-04 In Gurdjieff and Music Johanna Petsche examines the large and diverse body of piano music produced by Armenian Greek spiritual teacher G I Gurdjieff c 1866 1949 in collaboration with his devoted pupil Thomas de Hartmann 1885 1956 Petsche draws on a range of unpublished materials and data from original field research to critically situate and assess this music within its socio cultural and unique religio spiritual context Focusing on the tremendous role that music played in the life and teaching of Gurdjieff Petsche chronicles the unique relationship and collaboration between Gurdjieff and de Hartmann analyses the styles and possible sources of their music and explores Gurdjieff s ultimate intentions for the music in light of his esoteric teaching

The Realized Idiot Bruno Martin,2015-01-21 Becoming an Idiot Everyone who decides to work on himself is an idiot in both meanings The wise know that he is seeking reality The foolish think he has taken leave of his senses John G Bennett says The famous life teacher and philosopher G I Gurdjieff 1866 1949 taught his developmental psychology for thirty years during daily ritual meals In this book this special teaching gets published for the first time and is explained in a contemporary way The Science of Idiotism puts out a challenge for those who are striving to get to the bottom of their own being for those who want to become an Idiot in the original sense and step up the ladder of reason as Gurdjieff puts it Bruno Martin found a key for interpreting the metaphorical descriptions of the 21 types of Idiots Gurdjieff used in the old Tarot of Marseilles and compares both teachings Teaching stories from Sufism and Zen are further illustrating the meanings Written in an inspiring and entertaining way the book gives an introduction in Gurdjieff s artful psychology and also instructions for conducting a ritual meal with the toasts on the idiots which can help to win new insights into the essence of the participants **Gurdjieff:**

The Key Concepts Sophia Wellbeloved,2013-04-15 This unique book offers clear definitions of Gurdjieff s teaching terms placing him within the political geographic and cultural context of his time Entries look at diverse aspects of his Work including possible sources in religious Theosophical occult esoteric and literary traditions the integral relationships between different aspects of the teaching its internal contradictions and subversive aspects the derivation of Gurdjieff s cosmological laws and Enneagram the passive form of New Work teaching introduced by Jeanne de Salzmann Monkey David

Kherdian,2005-04-12 A classic of Chinese literature this beloved folktale is part adventure story part spiritual allegory now reimagined by a National Book Award nominee Part spiritual pilgrimage part historical epic the folk novel Journey to the West which came to be known as Monkey is the most popular classic of Asian literature Originally written in the sixteenth century it is the story of the adventures of the rogue trickster Monkey and his encounters with a bizarre cast of characters as he travels to India with the Buddhist pilgrim Tripitaka in search of sacred scriptures Much more than a picaresque adventure novel Monkey is a profound allegory of the struggle that must occur before spiritual transformation is possible David Kherdian s masterful telling brings this classic of Chinese literature to life in a way that is true to the scope and depth of the

original **Encounters with Gurdjieff** David Hughes,2016-12-27 This is an unexpected input from the remarkable mystical teacher George Ivanovitch Gurdjieff over thirty years after his passing in 1949 A method of transmission was devised through a trance medium with multiple means for pursuing and checking the authenticity of the material and demonstrating the validity of the explanations provided The information given is linked with clues in the published corpus of available teachings and backed by research into ancient sources of what Gurdjieff knew It comes with the intriguing stories of how both the author found himself involved in the project and Gurdjieff's explanation of why he had to resort to such a means of communication Much of the mystery surrounding the man and his mission is unpacked and many things about his life and work are revealed for the first time We get a fuller picture at last of what he was trying to achieve during his lifetime Special groups were set up by Gurdjieff before his passing to protect his writings and disseminate his teachings when he was no longer here Many groups in many countries still carry on that work What Gurdjieff addresses in the message of this book is the incompleteness of what he was able to pass on by that means His students simply weren't ready to receive all he had to give to them What couldn't be directly said or grasped was hidden in his enigmatic writings At some future time those messages would need to be revealed This book is part of that process Followers of Gurdjieff will find invaluable updated teaching here Those previously unacquainted with him will nevertheless find a reliable path to self development Masters Speak Seymour B. Ginsburg,2014-04-01 If you want to pursue in a Western way the path that we follow here at Mirtola you need to study and work with the Gurdjieffian teaching Thus did the guru Madhava Ashish at their first meeting invite American businessman Sy Ginsburg on a spiritual journey that would last 19 years until the guru's death and include both annual visits to Sri Madhava Ashish's Mirtola ashram near Almora in India's Himalayan foothills and a lengthy correspondence Along the way the entrepreneur author would not only be caught up in the teachings of G I Gurdjieff but also in the search for the elusive unitive vision the world viewed from the perspective of the greater Self and not the personality In this remarkable spiritual document the reader shares the search increasingly catching glimpses of the unitive vision as the book draws toward a close that is also an opening out into the vaster dimensions of the human mind **International Who's Who in Poetry 2004** Europa Publications,2003 Provides up to date profiles on the careers of leading and emerging poets **Philosophy and Art in Gurdjieff's Beelzebub** Anna T. Challenger,2021-07-26 This book demonstrates that the most forceful contribution to George Gurdjieff's world view is Sufism understood as the tradition of seeking truth wherever it can be found especially at the meeting place of the world religions Gurdjieff's masterpiece Beelzebub's Tales to His Grandson is philosophically analyzed in its use of literary devices to jolt the reader into radical transformation Lives in Spirit Harry T. Hunt,2012-02-01 Lives in Spirit explores the dynamic conflicts that both energized and distorted the spiritual development of key precursor figures of a contemporary secular or this worldly mysticism With its historical roots in the early Gnostics and Plotinus this characteristically Western spirituality re-emerges with the secularization and loss of traditional religious

belief of modernity The lives works and direct experiences of Nietzsche Emerson Thoreau Jung Heidegger Gurdjieff Crowley and contemporary feminist mysticism are considered in terms of transpersonal psychology Almaas the sociology of mysticism Weber and Troeltsch and contemporary psychoanalysis Winnicott Bion Kohut Spiritual or essential experience is seen as an inherent form of human intelligence which while potentially and even increasingly impacted by personal dynamics and social crisis is not reducible to them Explorations in Active Mentation Keith A. Buzzell, 2006 Unlimited action Dominic Johnson, 2018-12-07 Unlimited action concerns the limits imposed upon art and life and the means by which artists have exposed refused or otherwise reshaped the horizon of aesthetics and of the practice of art by way of performance art It examines the performance of extremity as practices at the limits of the histories of performance and art in performance art s most fertile and prescient decade the 1970s Dominic Johnson recounts and analyses game changing performance events by six artists Kerry Trengove Ulay Genesis P Orridge Anne Bean the Kipper Kids and Stephen Cripps Through close encounters with these six artists and their works and a broader contextual milieu of artists and works Johnson articulates a counter history of actions in a new narrative of performance art in the 1970s to rethink and rediscover the history of contemporary art and performance **Gurdjieff** John Shirley, 2004 A dramatic and literate introduction to one of the twentieth century s most influential and intriguing spiritual teachers Born in the shifting border between Turkey and Russia in 1866 G I Gurdjieff is a man who would continually straddle borders between East and West between man and something higher than man between the ancient teachings of esoteric schools and the modern application of those ideas in contemporary life In many respects from the concept of group meetings to the mysterious workings of the enneagram to his critique of humanity as existing in a state of sleep Gurdjieff pioneered the culture of spiritual search that has taken root in the West today While many of Gurdjieff s students including Frank Lloyd Wright Katharine Mansfield and P D Ouspensky are well known few understand this figure possessed of complex writings and sometimes confounding methods In Gurdjieff An Introduction to His Life and Ideas the acclaimed novelist John Shirley one of the founders of the cyberpunk genre presents a lively reliable explanation of how to approach the sage and his ideas In accessible dramatic prose Shirley retells that which we know of Gurdjieff s life he surveys the teacher s methods and the lives of his key students and he helps readers to enter the unparalleled originality of this remarkable teacher **The Cambridge Handbook of Western Mysticism and Esotericism** Glenn Alexander Magee, 2016-04-18 Mysticism and esotericism are two intimately related strands of the Western tradition Despite their close connections however scholars tend to treat them separately Whereas the study of Western mysticism enjoys a long and established history Western esotericism is a young field The Cambridge Handbook of Western Mysticism and Esotericism examines both of these traditions together The volume demonstrates that the roots of esotericism almost always lead back to mystical traditions while the work of mystics was bound up with esoteric or occult preoccupations It also shows why mysticism and esotericism must be examined together if either is to be understood fully

Including contributions by leading scholars this volume features essays on such topics as alchemy astrology magic Neoplatonism Kabbalism Renaissance Hermetism Freemasonry Rosicrucianism numerology Christian theosophy spiritualism and much more This Handbook serves as both a capstone of contemporary scholarship and a cornerstone of future research

Perspectives on Beelzebub's Tales and Other of Gurdjieff's Writings Keith A. Buzzell, 2005

As recognized, adventure as skillfully as experience virtually lesson, amusement, as with ease as contract can be gotten by just checking out a ebook **On A Spaceship With Beelzebub** with it is not directly done, you could say you will even more more or less this life, roughly the world.
