*Manual of Direction for the Use of the Stellar Tellurian* Edward Payson Jackson,1872     **Pandora's Box** Kyle Weyburne,2023-07-06 Pandora s Box is the story of Gilbert O Sullivan a middle aged man stuck in his monotonous existence at Leeds University After investigating an archaeological dig in Palestine he is befriended by an Israeli who tells him about another Bible one slightly different to the one we all know When Gilbert visits Bugenheim he finds him dying on the floor of his apartment His final words send him on a hunt for a copy of this legendary book Gilbert finds himself in the depths of Africa scaling a cliff to an ancient monastery Unbeknownst to him though an agent of the Church is hot on his heels and engineers a fall which sees Gilbert encased in plaster and confined to a wheel chair with a morphine drip His experiences now humorously coloured by the morphine seeping into his veins allow him to discover things which his academic brain would otherwise struggle to recognise As the revelations unfold his pursuer starts to question his own faith as the evidence mounts that someone other than his beloved Jesus is the Messiah The interesting thing about this book is that it is a real conspiracy theory The original Messiah was not Jesus but a man who lived 150 years before him who few today have heard of Pandora s Box is a fictional account of how this might have come to the world s attention The information in this book is accurate the maps are real the information in Enoch is real and the quotes from Judas are from the actual Gospel of Judas History is not always a reliable witness     **Atmospheric Perspectives** Vlado Spiridonov,     *Cradle of the Serpent* Linda Lee Greene,2017-03-20 2018 American Fiction Awards Cross Genre Finalist Multi award winning author Linda Lee Greene weaves a tale that brims with unimaginable twists and turns in a long term marriage Enthralling journeys into the human psyche romantic love archaeology and American Indian history carry the reader into archaeologist Lily Light s quest to come to terms with the catastrophic consequences of her husband s infidelity The trauma throws Lily into amazing episodes of past life regression in which she takes on the persona of a young maiden named White Flower a tribal member of the long ago builders of Ohio s Great Serpent Mound White Flower s life of thousands of years before reveals to Lily the unexpected path to her own salvation Given 5 Stars by Readers Favorite CRADLE OF THE SERPENT brims with enthralling journeys into the human psyche romantic love archaeology American Indian history spinal cord injury its consequences and its contemporary treatments as well as amazing sequences of past life regression and unimaginable twists and turns in a long term marriage 5 STARS FROM READERS FAVORITE Author s Social Sites BOOK REVIEW Reviewed by Sefina Hawke for Readers Favorite Cradle of the Serpent A Man and a Woman s Imperfect Love by Linda Lee Greene is a fictional drama with a theme of dream time travel and archaeology This is a book that would appeal most to an audience of young adults and adults who enjoy drama romance novels that are not erotic Lily Light is an archaeologist who works at the Great Serpent Mound in Ohio Her work opened her to experiences knowledge and beliefs she never knew existed Psychotherapist Michael Neeson is Lily s

therapist and guide in her dream travels where she becomes a woman known as White Flower Lily's life path takes her to heights she never knew existed in her dream travels yet she also experiences hurt when she discovers her husband's infidelity *Cradle of the Serpent A Man and a Woman's Imperfect Love* by Linda Lee Greene is a book with a slower pace yet the leisurely pace only added to the story instead of detracting from it I enjoyed the way that Lily Light develops as a character during the course of the book as her husband's shooting his paralyzed state and the discovery of his mistress leave her reeling The way that she not only recovers but also throws herself into her dream states that allow her to embrace White Flower was amazing I loved the suspense in trying to discover if White Flower was a dream state or if Lily was time traveling The additional perspective of Michael Neeson provided a nice balance to the story I also particularly liked that the love scenes were written to be romantic instead of erotic
