Wendover, Terrence L. Gargiulo, 2006 Illustrations by Eldon Dedini A recent survey reveals that customer satisfaction with the weather is at an all time low It's up to Wally director of the Weather Consumer Satisfaction Bureau to sort things out In this witty fable the root of the problem is a disagreement between old and new clouds The upstarts think technology is the answer while the old guard says there's no substitute for the tried and true The resulting storms are having a direct effect on customers who wonder if they will ever see sunny skies again Can Wally reconcile these seemingly conflicting views and leverage the unique strengths of all the clouds into a successful customer friendly plan *On Cloud Nine* presents real lessons about what is valuable in the workplace balancing the past and the future encouraging diversity of ideas and more The story is followed by simple yet powerful tools that will help readers apply these lessons to their own work and organizations
