Preaching Effectively, Revitalizing Your Church Guerric DeBona, 2009 *Preaching Effectively Revitalizing Your Church* offers a practical and theological guide to effective preaching Guerric DeBona an experienced and respected teacher of homiletics uses the metaphor of a ladder to describe the ascent up seven rungs that constitute the strategies of preaching Beginning with advice on discovering a personal theology of preaching the author proceeds to unlock the power of the Bible and the liturgy He then guides preachers in creating a unified homily and in discovering a homiletic method that best suits their own intellect and temperament Chapters on communicating in contemporary culture and on globalizing the homily for the New Evangelization are vital for coming to grips with the technological age and the often bewildering diversity of today's world Finally DeBona challenges readers to recognize and confront their own obstacles to effective preaching Each chapter ends with questions to assist preachers in appropriating the material With bad homilies consistently cited as a factor in declining church attendance *Preaching Effectively Revitalizing Your Church* answers a very pressing need especially in view of the papacy's urgent call to rescue traditionally Christian countries from the brink of total secularization Book jacket **A**

Well-Built Faith Joe Paprocki, 2010-06 Nail down the facts tear down the barriers The Catechism of the Catholic Church is over nine hundred pages long so it comes as no surprise that many Catholics think of their faith as complex and certainly too complex to share with others *A Well Built Faith* cleverly developed around a construction theme makes it easy and flat out fun for any Catholic to know what they believe and to feel confident in sharing those beliefs with others The eighteen chapter book at times profound at times humorous always practical follows the structure of the four pillars of the Catechism of the Catholic Church Creed Sacraments Morality and Prayer Taking otherwise difficult topics about the Catholic faith and making them accessible and relevant to the lives of average Catholics acclaimed author and teacher Joe Paprocki does so in a way that never compromises the rich depth of Catholic teaching and tradition From the Trinity to the seven sacraments from the Ten Commandments to the Lord's Prayer *A Well Built Faith* will help Catholics nail down the facts of the faith and tear down the barriers keeping them from sharing their beliefs with others Heribert Mühlen: His Theology and Praxis Wolfgang

Benedict XVI: His Life and Thought Elio Guerriero,2018-10-17 In these pages Benedict XVI shares his reasons for retiring from the papacy in 2013 in an interview with the author Many saw his astonishing retirement as a sign of the Church s decline but he intended it as a seed sown in the hope of bringing the Church a younger more vigorous leadership in the face of daunting challenges Among those challenges are the financial and sexual scandals that continue to undermine the Church s mission When Ratzinger was elected Pope in 2005 he opened a path of purification for the Church while calling upon the Western world to return to its Christian roots and to build a new humanism for the twenty first century and his call for renewal is still relevant Widely recognized as one of the most important theologians and spiritual leaders of our time Joseph Ratzinger served throughout the papacy of John Paul II as the Prefect of the Congregation for the Doctrine of the Faith Both men had witnessed how atheistic philosophies and war had ravaged twentieth century Europe and they shared in the effort of revealing to modern man his need for God for redemption in Jesus Christ **Evangelizing America** Thomas P.
