events in the long histories of racial and colonial power relations embedded in Nordic societies and their gender equality and welfare state regimes It examines the role of whiteness and racism and seeks to decolonize feminist knowledge and genealogies of feminist movements in the region The contributions provide in depth knowledge on the different orientations dilemmas and tactics that feminisms develop in these challenging times and show the centrality of antiracist and decolonizing critiques of feminisms They further highlight the strategies of feminist and related antiracist and indigenous movements in regards to ideas about hope solidarity intersectionality and social justice Chapters 6 7 9 and 10 are available open access under a Creative Commons Attribution 4 0 International License via link [springer.com](https://www.springer.com) **Eugenic Feminism**

Asha Nadkarni,2014-04-01 Asha Nadkarni contends that whenever feminists lay claim to citizenship based on women s biological ability to reproduce the nation they are participating in a eugenic project sanctioning reproduction by some and prohibiting it by others Employing a wide range of sources from the United States and India Nadkarni shows how the exclusionary impulse of eugenics is embedded within the terms of nationalist feminism Nadkarni reveals connections between U S and Indian nationalist feminisms from the late nineteenth century through the 1970s demonstrating that both call for feminist citizenship centered on the reproductive body as the origin of the nation She juxtaposes U S and Indian feminists and antifeminists in provocative and productive ways Charlotte Perkins Gilman s utopian novels regard eugenic reproduction as a vital form of national production Sarojini Naidu s political speeches and poetry posit liberated Indian women as active agents of a nationalist and feminist modernity predating that of the West and Katherine Mayo s 1927 *Mother India* warns white U S women that Indian reproduction is a world menace In addition Nadkarni traces the refashioning of the icon Mother India first in Mehboob Khan s 1957 film *Mother India* and Kamala Markandaya s 1954 novel *Nectar in a Sieve* and later in Indira Gandhi s self fashioning as Mother India during the Emergency from 1975 to 1977 By uncovering an understudied history of feminist interactivity between the United States and India *Eugenic Feminism* brings new depth both to our understanding of the complicated relationship between the two nations and to contemporary feminism

Walsh,2024-04-02 *Writing Resistance in Northern Ireland* is an examination of feminist republicanism s in the north of Ireland between 1975 and 1986 Republican prison protest was rife during this period and fractures opened up between the feminist and republican movements Despite their shared objective of self determination the two movements did not achieve a natural or total congruence While it has been argued that there is a disjuncture between feminism and nationalism this book

argues for a new perspective on feminist republicanism s in the north and tells the story of a niche collective of republican feminists who came to the fore during the Troubles and sought bodily political and economic autonomy The book examines source material including historical narratives jail writings journalism documentary film and literary texts and paints a vivid picture of a movement of republican feminist women s writing concerned with political crisis gender and the nation Aim e Walsh uses the plural republicanism s as a way of encapsulating the varied iterations of nationalist feminism from militant republicanism in Armagh Gaol to a non violent literary nationalist feminism This examination of the interaction between nationalism and gender shows how the study of women s writing can offer a paradigm shift in the history of the Troubles as seen through a feminist lens Eastern European Youth Cultures in a Global Context Matthias Schwartz, Heike Winkel, 2016-04-29

The demise of state Socialisms caused radical social cultural and economic changes in Eastern Europe Since then young people have been confronted with fundamental disruptions and transformations to their daily environment while an unsettling globalized world substantially reshapes local belongings and conventional values In times of multiple instabilities and uncertainties this volume argues young people prefer to try to adjust to given circumstances than to adopt the behaviour of potential rebellious adolescent role models dissident counter cultures or artistic breakings of taboo Eastern European Youth Cultures in a Global Context takes this situation as a starting point for an examination of generational change cultural belongings political activism and everyday practices of young people in different Eastern European countries from an interdisciplinary perspective It argues that the conditions of global change not only call for a differentiated evaluation of youth cultures but also for a revision of our understanding of youth itself in Eastern Europe and beyond
