On Higher Than Commercial Grounds The Factory Controversy:

On Higher Than Commercial Grounds Ann Provost Robson, 1985 The Factory Question and Industrial England, 1830-1860 Robert Gray, 2002-04-04 The Factory Question and Industrial England addresses the continuing controversy over industrialisation It investigates different perceptions of the factory system either as a threat or a promise and the contested meanings of waged work in industry Making use of a great variety of sources such as sermons medical treatises fictional and visual representations Robert Gray places the languages of debate in their cultural contexts paying particular attention to the shifting constructions of class and gender in the rhetoric of reform and the ambiguities and tensions inherent in protective legislation He then relates patterns of conflict over factory legislation to the features of specific industrial towns The combination of regional cultural and textual analysis makes this book a coherent and original contribution to the study of industrial Britain in the nineteenth century Public Health and Social Justice in the Age of Chadwick Christopher Hamlin, 1998-02-13 A revisionist account of the story of the foundations of public health in industrial revolution Britain

Sexual Equality Ann P. Robson, 1994-12-15 All the significant ideas in nineteenth century English feminism can be found in the prose and thought of John Stuart Mill and in those of the two women central to his life Harriet Taylor who married him in 1851 and her daughter Helen Taylor Together they produced some of the most powerful and influential writings ever penned to promote women s equality and it was to this family that the Victorian women s movement in England came to look for leadership guidance and money In this volume Ann Robson and John Robson bring together the writings and speeches from these three seminal thinkers on the subject of sexual equality Some of these pieces have not been available in published form for more than a century They cover such topics as love sex marriage children property domestic relations divorce and suffrage Sexual Equality is a necessary tool for understanding the development of ideas on women s issues in the Mill household These ideas influenced thinking on sexual equality far beyond England and far past the Victorian period **A**

Industrial England Katrina Honeyman, 2016-05-23 The purpose of this collection is to bring together representative examples of the most recent work that is taking an understanding of children and childhood in new directions The two key overarching themes are diversity social economic geographical and cultural and agency the need to see children in industrial England as participants even protagonists in the process of historical change not simply as passive recipients or victims Contributors address such crucial subjects as the varied experience of work poverty and apprenticeship institutional care the political voice of children child sexual abuse and children and education This volume therefore includes some of the best

innovative work on the history of children and childhood currently being written by both younger and established scholars

A Moralist in and Out of Parliament Bruce L. Kinzer, Ann Provost Robson, John Mercel Robson, John M. Robson, 1992-01-01

This detailed study places the political and personal beliefs and behaviour of Britain's leading philosopher in the context of the crucial changes resulting from the growing democratization of society and culture in Britain **Labor Before the**

Industrial Revolution Thomas Max Safley, 2018-11-09 One cannot conceive of capitalism without labor Yet many of the current debates about economic development leading to industrialization fail to directly engage with labor at all This collection of essays strives to correct this oversight and to reintroduce labor into the great debates about capitalist development and economic growth before the Industrial Revolution By attending to the effects of specific regulatory technological social and physical environments on producers and production in a set of specific industries these essays use an ecological approach that demonstrates how productivity knowledge and regime changed between 1400 and 1800 This book will be of interest to researchers in history especially labor history and European economic development *Victorian*

Investments Nancy Henry, Cannon Schmitt, 2008-11-26 Victorian Investments explores the relationship between the financial system in Great Britain and other aspects of Victorian society and culture Building on the special journal issue of Victorian Studies devoted to Victorian investments this volume is the first to define an interdisciplinary field of study emerging in the space between Marxist critiques of capitalism and traditional histories of business and economics The contributors demonstrate how phenomena such as the expansion of colonial and foreign markets the broadening of the investor base through the advent of limited liability and the rise of financial journalism gave rise to a culture of investment that affected Victorian Britons at every level of society and influenced every kind of cultural production Drawing together work by prominent historians as well as literary and cultural critics Victorian Investments both defines the methodologies and perspectives that characterize an existing body of scholarship and pushes that scholarship in new directions demonstrating the signal role of economic developments in Victorian culture and society **Historicizing Fear** Travis D. Boyce, Winsome

M. Chunnu, 2020-02-21 Historicizing Fear is a historical interrogation of the use of fear as a tool to vilify and persecute groups and individuals from a global perspective offering an unflinching look at racism fearful framing oppression and marginalization across human history The book examines fear and Othering from a historical context providing a better understanding of how power and oppression is used in the present day Contributors ground their work in the theory of Othering the reductive action of labeling a person as someone who belongs to a subordinate social category defined as the Other in relation to historical events demonstrating that fear of the Other is universal timeless and interconnected Chapters address the music of neo Nazi white power groups fear perpetuated through the social construct of black masculinity in a racially hegemonic society the terror and racial cleansing in early twentieth century Arkansas the fear of drug addicted Vietnam War veterans the creation of fear by the Tang Dynasty and more Timely provocative and rigorously researched

Historicizing Fear shows how the Othering of members of different ethnic groups has been used to propagate fear and social tension justify state violence and prevent groups or individuals from gaining equality Broadening the context of how fear of the Other can be used as a propaganda tool this book will be of interest to scholars and students of history anthropology political science popular culture critical race issues social justice and ethnic studies as well as the general reader concerned with the fearful framing prevalent in politics Contributors Quaylan Allen Melanie Armstrong Brecht De Smet Kirsten Dyck Adam C Fong Jeff Johnson ukasz Kamie ski Guy Lancaster Henry Santos Metcalf Julie M Powell Jelle Versieren

Financing Cotton Steven Toms,2020 This book links the world of finance directly to the fate of the cotton and textile industry long a metaphor for the rise and fall of Britain as a manufacturing economy for the first time The cotton and textile industry at the centre of the industrial revolution has long been a metaphor for the rise and fall of Britain as a manufacturing economy This book links the world of finance directly to the fate of the cotton and textile industry for the first time Using a unique underlying data set drawn from financial business records of over 100 cotton and textile manufacturing firms based in Lancashire and ranging from the late eighteenth to the twenty first century Financing Cotton analyses the dynamics of industrial capitalism by uncovering the interaction between financial systems and technological development and innovation It offers new perspectives on business practices and their evolution as well as decisions taken by entrepreneurs managers and employees The book broadly investigates five questions how and why were individual firms profitable and what happened to these profits how did the firms financial structure and performance influence their attitudes to employment regulation what were the effects of financial networks and institutions on the characteristics of the first and second phase of industrialisation how did the financial system enable or stifle entrepreneurship and investment in new technology and finally why did consolidation and industrial restructuring offer survival options for some firms but not for others The Factory Acts in Ireland, 1802-1914 Desmond S. Greer,James W. Nicolson,2003 Working conditions in Irish industry prior to 1914 were frequently harsh and dangerous particularly for women young persons and children Successive Factory Acts designed primarily for industrial conditions in Great Britain sought to ameliorate the plight of these protected workers in the face of considerable opposition This book examines the development of this early health and safety legislation the system of inspection by which it was enforced and the peculiar problems which the factory inspectors encountered in Ireland while seeking to ensure that minimum standards were observed notwithstanding local social and economic constraints Publisher description *On Higher Than Commercial Grounds* Ann Provost Robson,1985 Sexual Equality John Stuart Mill,Harriet Hardy Taylor Mill,Helen Taylor,1994-09-09 Sexual Equality is a necessary tool for understanding the development of ideas on women s issues in the Mill household **Resolving Business Disputes in China** Jingzhou Tao,2005-01-01 When a dispute arises between a European or American firm and a Chinese business partner this source of guidance is exactly what a practitioner needs Resolving Business Disputes in China provides an understanding of what kinds of disputes are likely to

calculation of motor power on rolling mill 2023 oldcove - Apr 21 2022

web calculation of motor power on rolling mill 2 downloaded from oldcove com on 2019 09 08 by guest customer wants exactly cold rolling of steel roberts 2017 11 22 with the publication of this book newcomers to the field of steel rolling have a complete introduction to the cold rolling process including the history of cold rolling the

how can i calculate power of a motor for rolling some - Feb 17 2022

web first find out moment of inertia of the shaft with the cloth this you can do by calculating grams per m² weight of the cloth then find optimal power and put a flywheel to avoid fluctuations two

pdf simulation model of cold rolling mill researchgate - Jan 31 2023

web jun 1 2020 abstract and figures this work deals with the simulation model of multi machines system as cold rolling mill is considered as application drivers of rolling system are a set of dc motors which

calculating power parameters of rolling mill proquest - May 03 2023

web the results of experimental research are recommended for the application to optimize drafting and define energy and power and kinematic parameters and the temperature mode impact at the rolling of the extended range of billets at the existing multi roll mills

calculation of motor power on rolling mill 2022 ai classmonitor - Mar 21 2022

web energy saving principles and technologies for induction motors dc electric machines electromechanical energy conversion principles and magnetic circuit analysis

method of load calculation of electrical drives of rolling mills during - Apr 02 2023

web may 1 2018 an improved calculation method for rolling pressure and load torque of electrical drive engine is suggested further this method considers peculiar strain of product in high deformation zones and its accelerated motion in reverse mode

pdf method of load calculation of electrical drives of rolling mills - Aug 06 2023

web may 1 2018 an improved calculation method for rolling pressure and load torque of electrical drive engine is suggested further this method considers peculiar strain of product in high deformation zones

calculation of motor power on rolling mill ai classmonitor - Sep 26 2022

web in this revised and expanded edition howard e jordan explains in a clear manner the technology of energy efficient electric motors including motor losses testing and efficiency labeling he also discusses how to calculate the return on investment for an energy efficient motor in addition to several

calculating power parameters of rolling mill based on model of - Jul 05 2023

web nov 13 2020 machines article calculating power parameters of rolling mill based on model of deformation zone with four roll passes marina n samodurova 1 olga i karandaeva 2 vadim r khramshin 3 and ivan v liubimov 2 1 department of metal forming south ural state university 454080 chelyabinsk russia

rolling mill an overview sciencedirect topics - Dec 30 2022

web a hille 100 rolling mill with rolls of 225 mm diameter and 254 mm length driven by a variable speed dc motor of 75 horse power was used the maximum rolling force torque and speed are 1500kn 13kn m and 70 rpm respectively the sensor roll nitrided surface hardness is 65 to 70 hrc

motor power calculation for roller conveyors eng tips - Aug 26 2022

web nov 25 2017 as we are looking for motor power selection for roller conveyors as per the following 1 length of roller 600mm 2 weight of roller 8 kg 3 diameter of roller 60mm 4 roller material m s 5 transportable mass 100 kg 6 number of rollers in conveyor 6 nos 7 length of conveyor 800mm mechanism of roller to roller drive is

the calculation of roll force and torque in hot rolling mills - Jul 25 2022

web abstract equations are derived for the normal roll pressure specific roll load and torque in hot rolling mills using the condition for plastic deformation in rolling derived by orowan together with von kármán s equation of equilibrium although applying strictly to the rolling of ideal plastic rigid materials these equations may be

vol 4 issue 2 february 2017 analysis of static and ijarset - Oct 28 2022

web feb 9 2017 cold rolling mill manoj sao gulab chand sahu abhishek kumar jain d see table 1 while in case of continuous stands a dynamic load can be calculated from roll tension strength at failure calculated from high temperature strength of motors electric motors can apply pure torque to the foundation only the dynamic load will normally range

computation of power requirement academic library - Jun 04 2023

web e angular acceleration or deceleration of the motor in rolling s 40 60 rpm sec j moment of inertia of rotating parts referred to motor shaft g mass of rotating parts unit d diameter of gyration g acceleration due to gravity i e 9 81 m sec² s angular acceleration for electric motor of rolling mill the value varies from
