

On Home Ground

Karen K. Loucks

On Home Ground:

Movies on Home Ground Ian Craven, 2020-07-13 *Movies on Home Ground* Explorations in Amateur Cinema offers a critical response to the still under explored mode of amateur cinema as a particular sphere of British film practice Concentrating upon a roughly fifty year period 1930 1980 during which such filmmaking grew rapidly as a significant leisure activity in Britain the volume shows how popular cine assumed distinctive institutional and ideological forms and some remarkable aesthetic emphases grounded in consistent technical and critical apparatuses Although an outline history of such filmmaking is certainly implicit the priority of *Movies On Home Ground* is to offer a series of overlapping perspectives on amateur movie making with a view to locating such filmmaking as a component of the broader shape of British film culture Emphasis is thus given to institutional contexts technical determinants and the social formations of practising filmmakers as well as to concerns with the construction of amateur outlooks understandings of amateur aesthetics and the remarkable diversity of amateur genericity The anthology thus supplies a text offering support to study courses dealing with the many varieties of non professional participation best understood as truly amateur rather than as independent or alternative filmmaking By granting the amateur a place within the acknowledged range of significant interventions the recognised canon of British filmmaking is widened in fascinating new directions

Hold Your Ground, 1993-06 Managing soils to avoid and to correct soil resource problems is a complex endeavour that involves more problems than knowing what problems exist

Homeground Barrett Williams, ChatGPT, 2024-04-11 Discover the Rustic Charm of Home Milling with *Homeground* Unlock the secrets of transforming grains into golden flour right in your own kitchen with *Homeground* the definitive guide to home flour milling Journey through the art and science of milling and uncover the wholesome world of freshly milled flour that's waiting to elevate your home baking to spectacular new heights In *The Basics of Home Flour Milling* begin your adventure by delving into why milling your own flour isn't just rewarding but also brings a spectrum of nutritional benefits to your table Explore the tapestry of grains available at your fingertips from the robust wheat varieties to the intriguing ancient grains and gluten free options that cater to every palate and dietary requirement As you venture into the heart of the book *Understanding Your Grain Options* your newfound knowledge branches out to wheat and its multitudinous properties Become a connoisseur of grain flavors and learn how each variety enhances the taste and texture of your baked goods *The Milling Process Step by Step* will transform you from novice to artisan offering a thorough walk through of preparing grains adjusting your mill and ensuring you produce the finest quality flour This chapter is a treasure trove for every baking enthusiast *Enrich your home baking with Blending Flours for the Perfect Recipe* This pivotal chapter teaches you to master mixing grains and crafting custom flour blends that will have your bread pastries and pies rivaling those of professional bakeries Navigate through common hiccups in *Troubleshooting Common Milling Issues* where practical advice ensures that your milling experience remains smooth and enjoyable Feel empowered as you learn to overcome challenges like clogging

Experiment Station Work ,1907 **Farmers' Bulletin** ,1907 *Letter to a Young Farmer* Gene Logsdon,2017-01-26 In the midst of our epidemic fear of the future and its so far predicted emergencies and catastrophes here is Gene patiently quietly with the right touch of merriment talking about the small really possible ways of solving our one great problem how to live on the Earth without destroying it Wendell Berry from the foreword For more than four decades the self described contrary farmer and writer Gene Logsdon has commented on the state of American agriculture In *Letter to a Young Farmer* his final book of essays Logsdon addresses the next generation young people who are moving back to the land to enjoy a better way of life as small scale garden farmers It s a lifestyle that isn t defined by accumulating wealth or by the get big or get out agribusiness mindset Instead it s one that recognizes the beauty of nature cherishes the land respects our fellow creatures and values rural traditions It s one that also looks forward and embraces right technologies including new and innovative ways of working smarter not harder and avoiding premature burnout Completed only a few weeks before the author s death *Letter to a Young Farmer* is a remarkable testament to the life and wisdom of one of the greatest rural philosophers and writers of our time Gene s earthy wit and sometimes irreverent humor combines with his valuable perspectives on many wide ranging subjects everything from how to show a ram who s boss to enjoying the almost churchlike calmness of a well built livestock barn Reading this book is like sitting down on the porch with a neighbor who has learned the ways of farming through years of long observation and practice Someone in short

who has seen it all and has much to say and much to teach us if we only take the time to listen and learn And Gene Logsdon was the best kind of teacher equal parts storyteller idealist and rabble rouser His vision of a nation filled with garden farmers based in cities towns and countrysides will resonate with many people both young and old who long to create a more sustainable meaningful life for themselves and a better world for all of us Sagacious and sly practical and poetic Logsdon's voice may have been contrarian but it was never condescending **Booklist** **Building Supply News**, 1926 Vols for 1979 include annual buyers guide *Report of Work of the Agricultural Experiment Station of the University of California ...* California Agricultural Experiment Station, 1924 The Enemies of Rome Philip Matyszak, 2013-10-23 Matyszak writes clearly and engagingly nicely produced with ample maps and illustrations Classical Outlook This engrossing book looks at the growth and eventual demise of Rome from the viewpoint of the peoples who fought against it Here is the reality behind such legends as Spartacus the gladiator as well as the thrilling tales of Hannibal the great Boudicca the rebel leader and Mithridates the connoisseur of poisons among many others Some enemies of Rome were noble heroes and others were murderous villains but each has a unique and fascinating story **Before They Were the Cubs** Jack Bales, 2019-03-19 Founded in 1869 the Chicago Cubs are a charter member of the National League and the last remaining of the eight original league clubs still playing in the city in which the franchise started Drawing on newspaper articles books and archival records the author chronicles the team's early years He describes the club's planning stages of 1868 covers the decades when the ballplayers were variously called White Stockings Colts and Orphans and relates how a sportswriter first referred to the young players as Cubs in the March 27 1902 issue of the Chicago Daily News Reprinted selections from firsthand accounts provide a colorful narrative of baseball in 19th century America as well as a documentary history of the Chicago team and its members before they were the Cubs **Ed King** David Guterson, 2011-10-18 From the award winning bestselling author of *Snow Falling on Cedars* comes a modern reimagining of one of the world's greatest tragedies Sophocles Oedipus Rex a story of destiny desire and destruction Brilliant Transcendently dark and dazzling The Seattle Times In Seattle of 1962 Walter Cousins a mild mannered actuary takes a risk of his own and makes the biggest error of his life He sleeps with Diane Burroughs the sexy not quite legal British au pair who's taking care of his children for the summer When Diane becomes pregnant and leaves their baby on a doorstep it sets in motion a tragedy of epic proportions The orphaned child adopted by an adoring family and named Edward Aaron King grows up to become a billionaire Internet tycoon and an international celebrity the King of Search who unknowingly but inexorably hurtles through life toward a fate he may have no way of reversing The Company They Kept Lara Putnam, 2003-11-03 In the late nineteenth century migrants from Jamaica Colombia Barbados and beyond poured into Caribbean Central America building railroads digging canals selling meals and farming homesteads On the rain forested shores of Costa Rica U S entrepreneurs and others established vast banana plantations Over the next half century short lived export booms drew tens of thousands of migrants to the region In Port Lim

n birthplace of the United Fruit Company a single building might house a Russian seamstress a Martinican madam a Cuban doctor and a Chinese barkeep together with stevedores laundresses and laborers from across the Caribbean Tracing the changing contours of gender kinship and community in Costa Rica's plantation region Lara Putnam explores new questions about the work of caring for children and men and how it fit into the export economy the role of kinship as well as cash in structuring labor the social networks that shaped migrants lives and the impact of ideas about race and sex on the exercise of power Based on sources that range from handwritten autobiographies to judicial transcripts and addressing topics from intimacy between prostitutes to insults between neighbors the book illuminates the connections between political economy popular culture and everyday life The Reception of George Eliot in Europe Elinor Shaffer, Catherine Brown, 2016-02-11

George Eliot born Mary Ann Evans 1819 1880 was one of the most important writers of the European nineteenth century as well as a pioneering translator of challenging and controversial Continental thinkers and an influential editor and essayist Although such novels of provincial life as Adam Bede The Mill on the Floss and Middlemarch have seen her characterised as a thoroughly English writer her reception and immersion in the literary intellectual and political life of Europe was remarkable Written by a team of leading international scholars The Reception of George Eliot in Europe is the first comprehensive and systematic survey of Eliot's place in European culture Exploring Eliot's deep knowledge of German literature and thought her galvanizing influence on women novelists and translators in countries as diverse as Sweden and Spain her travels in Holland Germany Switzerland Austria the Czech Lands Italy and Spain and her friendship with leading figures such as Mazzini Turgenev and Liszt this study reveals her full stature as a cosmopolitan writer and thinker A film of her Italian Renaissance novel Romola was one of the first to circulate in Europe Including an historical timeline and a comprehensive bibliography of primary and secondary sources and translations The Reception of George Eliot in Europe is an essential reference resource for anyone working in the field of Victorian Literature or the European nineteenth century

Endkampf James Jackson, 2013-03-07 1942 The war grinds on losses mount and the Allies search for a magic bullet that will bring a swift conclusion When their intelligence services are approached by a senior officer of the German Abwehr a process begins that could shatteringly alter the course of history James Jackson comments While visiting locations linked to Operation Foxley the embryonic British intelligence plan to assassinate Adolf Hitler I became immersed in the subject Having then discovered that the wartime heads of both MI6 and the American OSS met Admiral Wilhelm Canaris of Germany's military intelligence in Spain to discuss a possible overthrow the pieces for a thriller fell into place This is the result *The Dungaree Pilot* Karen K. Loucks, 2012-04-03 The Dungaree Pilot is the biography of a WWII U S Navy sailor with a dream to fly and where that dream landed him His passion to become a U S naval aviator found its home in his heart at the tender age of fifteen during the Great Depression It began one summer afternoon while lying in the sand on a New Jersey beach From his unique vantage point he witnessed small navy planes fly in and out of the belly of the airship USS Akron His biography

traces his family heritage and deep roots in New Jersey that served as his permanent foundation during an uncertain career. It focuses on the life-threatening experiences he faced in pursuing his goal. The up-close explosion of the Hindenburg while assigned to its ground crew and his unusual escape from the attack on Pearl Harbor via a bottle of whiskey were just a couple of his near misses. As a navy pilot, he risked his life during WWII in an assignment to bomb German subs in the Atlantic and Caribbean and later flew a test flight through an actual atomic bomb blast. A crash landing in a New York cemetery and a lightning strike late at night over the dark Atlantic added to the threats on his life. His story represents the thousands of undecorated and unrecognized heroes of the greatest generation. The experiences of two decorated heroes, Elwood's close friends, are paralleled throughout his own story. His high school buddy, Bob Case, became a WWII Army Air Corps flying ace in the Pacific. The other, Eddie Bronson, was a forgotten childhood school chum with whom Elwood was reunited at the navy indoctrination center in Philadelphia. Three ships were sunk beneath him, the last of which led to three and a half years in a Japanese prisoner of war camp and the revenge imposed on the captors at the war's end.

The Later Saxon and Early Norman Manorial Settlement at Guiting Power, Gloucestershire Alistair Marshall, 2020-07-31. This volume outlines an investigation of the early manor at Guiting Power, a village in the Cotswolds with Saxon origins lying in an area with interesting entries in the Domesday Survey of 1086.
