# On Jews And Judaism In Crisis

**Howard Schwartz**

## On Jews And Judaism In Crisis:

On Jews and Judaism in Crisis Gershom Scholem, 2012 Essays letters and articles written by the distinguished Jewish scholar over a fifty year period Includes three essays on Walter Benjamin *Stranger in a Strange Land* George Prochnik, 2017-03-21 Taking his lead from his subject Gershom Scholem the 20th century thinker who cracked open Jewish theology and history with a radical reading of Kabbalah Prochnik combines biography and memoir to counter our contemporary political crisis with an original and urgent reimagining of the future of Israel In *Stranger in a Strange Land* Prochnik revisits the life and work of Gershom Scholem whose once prominent reputation as a Freud like interpreter of the inner world of the Cosmos has been in eclipse in the United States He vividly conjures Scholem's upbringing in Berlin and compellingly brings to life Scholem's transformative friendship with Walter Benjamin the critic and philosopher In doing so he reveals how Scholem's frustration with the bourgeois ideology of Germany during the First World War led him to discover Judaism Kabbalah and finally Zionism as potent counter forces to Europe's suicidal nationalism Prochnik's own years in the Holy Land in the 1990s brings him to question the stereotypical intellectual and theological constructs of Jerusalem and to rediscover the city as a physical place rife with the unruliness and fecundity of nature Prochnik ultimately suggests that a new form of ecological pluralism must now inherit the historically energizing role once played by Kabbalah and Zionism in Jewish thought

**A Mortuary of Books** Elisabeth Gallas, Alex Skinner, 2019-04-30 Winner 2020 JDC Herbert Katzki Award for Writing Based on Archival Material given by the Jewish Book Council The astonishing story of the efforts of scholars and activists to rescue Jewish cultural treasures after the Holocaust In March 1946 the American Military Government for Germany established the Offenbach Archival Depot near Frankfurt to store identify and restore the huge quantities of Nazi looted books archival material and ritual objects that Army members had found hidden in German caches These items bore testimony to the cultural genocide that accompanied the Nazis systematic acts of mass murder The depot built a short lived lieu de memoire a mortuary of books as the later renowned historian Lucy Dawidowicz called it with over three million books of Jewish origin coming from nineteen different European countries awaiting restitution A Mortuary of Books tells the miraculous story of the many Jewish organizations and individuals who after the war sought to recover this looted cultural property and return the millions of treasured objects to their rightful owners Some of the most outstanding Jewish intellectuals of the twentieth century including Dawidowicz Hannah Arendt Salo W Baron and Gershom Scholem were involved in this herculean effort This led to the creation of Jewish Cultural Reconstruction Inc an international body that acted as the Jewish trustee for heirless property in the American Zone and transferred hundreds of thousands of objects from the Depot to the new centers of Jewish life after the Holocaust The commitment of these individuals to the restitution of cultural property revealed the importance of cultural objects as symbols of the enduring legacy of those who could not be saved It also fostered Jewish culture and scholarly life in the postwar world

*On the Edge of the Abyss* Clémence

Boulouque, 2025-03-19 A history of the unconscious in public discourse before Freud and its significance for Jewish emancipation When Sigmund Freud published his theory of the unconscious in 1899 he popularized an idea that had fascinated generations of Jewish philosophers before him In this book Cl mence Boulouque charts the development of the pre Freudian unconscious from subcultural inquiry to dominant discourse during the long nineteenth century Although Freud s scientific notion differed from Schelling s mythical description of the abyss from which creation springs its resonance with older ideas was celebrated as an opportunity to express specifically Jewish contributions to modernity Indeed Boulouque shows that the pre Freudian unconscious emerged from conversations in Jewish mysticism about otherness and coexistence In the hopeful years before World War I Boulouque argues such reflections offered the possibility of emancipation not only to Jews but to all

*Political Theologies in the Holy Land* David Ohana, 2009-10-16 This book examines the role of messianism in Zionist ideology from the birth of the Zionist movement through to the present It shows how messianism is not just a religious or philosophical term but a very tangible political practice and theology which has shaped Israeli identity The author explores key issues such as the current presence of messianism in the Israeli public sphere and the debates with Jewish settlers in the occupied territories after the 1967 war the difference between transcendental messianism and promethean messianism the disparity between the political ideology and political practice in the history of Israel the evolution of the messianic idea in the actions of David Ben Gurion the debate between Martin Buber Gershom Scholem Isaiah Leibowitz J L Talmon and other intellectual figures with Ben Gurion the implications of political theology and the presence of messianic ideas in Israeli politics As the first book to examine the messianism in Israeli debate since the creation of the Israeli state it will be particularly relevant for students and scholars of Political Science modern intellectual history Israel studies Judaism and messianism

*Midrash on American Jewish History* Henry L. Feingold, 2012-02-01 Explores American Jewish history

*Crisis and Covenant* Jonathan Sacks, 1992 Discusses various issues in contemporary Jewish theology Ch 2 p 25 53 The Valley of the Shadow is dedicated to the theological interpretation of the Holocaust The Holocaust poses several problems to Jewish thought Is God present in the post Auschwitz world Did the Holocaust renew the Covenant or did it survive intact May the Holocaust be interpreted in terms of punishment or is its meaning different maybe inexplicable in the extant categories of human ethics May the Holocaust be regarded as a necessary transitional point on the way to the Jewish state What lessons may be extracted from the Holocaust Presents various solutions of modern day Jewish theologians Argues that the only lesson of the Holocaust is the reality of a common Jewish fate

*Divided Passions* Paul R. Mendes-Flohr, 1991 Paul Mendes Flohr is emerging as the leading Jewish intellectual historian of the present generation In particular he is responsible for a significant amount of the important and pertinent scholarship in the field of German Jewish intellectual history No one else is quite as intimately knowledgeable with this material the ambiguous legacy of one of the most inventive and poignant episodes of creativity in the life of the Diaspora Divided Passions is a collection of published and unpublished

essays and articles by Paul Mendes Flohr from the past decade In a manner that underscores their continued relevance and significance Mendes Flohr writes about the problems that Buber Rosenzweig Bloch Simon Scholem and others tried to crystallize and resolve Mendes Flohr moves with effortless authority among the disciplines of theology philosophy literature history and sociology Fitted with these interdisciplinary resources he enriches his treatment of themes and figures in ways that exceed the scope to say nothing of the execution found in other literature The book conveys a rare metaphysical depth for questions of faith identity and Dasein explored by the intellectual figures of the past are also personal ones for the author as well Mendes Flohr s exceptional ability to keep this body of work alive and available provides an outstanding source of commentary on the subjects that dominate the agenda of modern Jewish studies     The Civilization of the Holocaust in Italy

Wiley Feinstein,2003 This book studies the persecution of Italian Jews during the Fascist period in relation to the Italian cultural tradition It shows that Mussolini s anti Semitic laws and Italian support for Hitler s war on the Jews stem directly from beliefs deeply embedded in Italian culture After studying anti Judaic characterizations in the Christian tradition and representations of Jews by Dante and other Medieval and Renaissance authors the book shows how the anti Semitic tradition became reinvigorated in the nineteenth century cultural figures in the period between 1900 and 1940 the writer Giovanni Papini the Catholic educational leader Agostino Gemelli and the artist and critic Ardengo Soffici The book then examines Mussolini s specific anti Semitic policies and argues that the Italian cultural system contributed to generating the evil that led to the Holocaust Wiley Feinstein is Associate Professor of Italian at Loyola University Chicago     **Jewish Spirituality:**

**From the sixteenth-century revival to the present** Arthur Green,1986 Library has vol 1     **‘Our Place in al-Andalus’** Gil Anidjar,2002 This book offers a reading of Andalusi Jewish and Arabic texts that represent the 12th and 13th centuries as the end of el Andalus Islamic Spain     **Judaism and Crisis** Armin Lange,K.F. Diethard Römheld,Matthias

Weigold,2011-10-06 In their long history Jews encountered political social cultural and religious crises which threatened not only their very existence but Jewish identity as well Examples for such crises include the Babylonian Exile the so called Hellenistic Religious reforms the first and second Jewish war the inquisition and the Shoah but also the encounter of modernity or socio economic developments Political cultural and religious crises did not coin Jewish culture thought and religion but forced Jews from the very beginnings of Judaism until today to rethink and shape their Jewish identity anew This volume asks how Jews coped with events that threatened Jewish existence culture and religion and how they responded to them Each crisis was different in nature and evoked hence different developments in Jewish culture thought and religion

Between Jewish Tradition and Modernity Michael A. Meyer,David Myers,2014-10-20 Bringing together leading Jewish historians anthropologists sociologists philosophers and liturgists Between Jewish Tradition and Modernity offers a collective view of a historically and culturally significant issue that will be of interest to Jewish scholars of many disciplines     German Jews in the Era of the “Final Solution” Otto Dov Kulka,2019-12-02 These essays written in the course of half a century of

research and thought on German and Jewish history deal with the uniqueness of a phenomenon in its historical and philosophical context Applying the classical empirical tools to this unprecedented historical chapter Kulka strives to incorporate it into the continuum of Jewish and universal history At the same time he endeavors to fathom the meaning of the ideologically motivated mass murder and incalculable suffering The author presents a multifaceted integrative history encompassing the German society its attitudes toward the Jews and toward the anti Jewish policy of the Nazi regime as well as the Jewish society its self perception and its leadership Reimagining the Bible Howard Schwartz,1998-01-15

Reimagining the Bible collects a dozen essays by Howard Schwartz Together the essays present a coherent theory of the way in which each successive phase of Jewish literature has drawn upon and reimagined the previous ones The book is organized into four sections The Ancient Models The Folk Tradition Mythic Echoes Modern Jewish Literature and the Ancient Models Within these divisions each of the essays focuses on a specific genre ranging from Torah and Aggadah to Kabbalah fairy tales and the modern Yiddish stories of S Y Agnon and Isaac Bashevis Singer Arguing the important thesis that there is a continuity in Jewish literature which extends from the Biblical era to our own times over a period of more than 3 000 years this collection also serves as a guide to the history of that literature and to the genres it comprises **Jewish-Christian**

**Relations** Abel Mordechai Bibliowicz,2019-03-01 I am in fundamental agreement with Bibliowicz s thesis that the anti Jewish polemic in the New Testament reflects debates between Jewish and Gentile followers of Jesus not a polemic between Christians and Jews and with the implications which he has drawn for Christian theology May this book find a wide readership among people devoted to the cause of the healing of memories between Jews and Christians Peter C Phan Professor Chair of Catholic Social Thought Georgetown University President of the Catholic Theological Society of America Standing on a brilliant and insightful reconstruction of Paul and on a quite shocking but perhaps compelling reading of Mark the author offers a number of original and in some cases quite compelling theoretical reconstructions of the context and purposes of early Christian texts a work of sublime moral passion David P Gushee Distinguished University Professor of Christian Ethics and Director Center for Theology and Public Life Mercer University President elect American Academy of Religion Author of Kingdom Ethics Following Jesus in Contemporary Context An intrepid excursion into the Christian discourse The quest of an intellectual a humanist Interesting and in fact overwhelming A timely and honest engagement of the Christian texts authors and scholars by a Jewish intellectual Burton L Mack Professor of Early Christianity Claremont School of Theology California author of A Myth of Innocence Mark and Christian Origins There is great merit to Bibliowicz s approach I highly recommend this book for anyone interested in the Jewish Christian dialogue Scholars may disagree with a number of Bibliowicz conclusions as I do with his interpretation of the Epistle to the Hebrews But even in disagreeing scholars in the field of Jewish Christian studies will learn new ways of challenging and thinking about old presumptions Eugene J Fisher Distinguished Professor of Theology Saint Leo University Former staff person for Catholic Jewish relations

for the U S Conference of Catholic Bishops Consultor to the Vatican Commission for Religious Relations with the Jews member of the International Catholic Jewish Liaison Committee representing the Holy See An important work Sensitive and deeply researched In the deepest sense a profound theological work Clark M Williamson Professor Christian Theological Seminary Indiana author of Way of Blessing Way of Life A Christian Theology I very much appreciated the depth and scope of the scholarship accompanied by the kind and humble spirit of the author it may also prove to be one of the formidable and formative scholarly contributions of the decade for both biblical and historical scholars Michael Thompson Professor Religious Studies Oklahoma State University In methodical and precise fashion Bibliowicz takes the reader through the relevant ancient Christian texts bearing on the question at hand In so doing he proposes an intriguing compelling thesis The book should prove to be a major voice in the ongoing debate Brooks Schramm Professor of Biblical Studies Lutheran Theological Seminary Impressive work With this impassioned study available to us it will no longer be possible for us to ignore the unintended ways the unthinkable came to be and still say we did not know Didier Pollefeyt Professor Faculty of Theology and Religious Studies Katholieke Universiteit Leuven Belgium coauthor of Anti Judaism and the Fourth Gospel and Paul and Judaism An original and plausible claim that goes beyond most of modern scholarship a solid contribution to the study of anti Judaism in early Christianity Joseph B Tyson Professor Religious Studies Southern Methodist University author of Marcion and Luke Acts A Defining Struggle Well researched and thorough Intelligent and thoughtful accessible the argumentation compelling Michele Murray Professor Bishop s University Canada author of Playing a Jewish Game Gentile Christian Judaizing in the First and Second Centuries C E A detailed and insightful exploration of the writings of the early Jesus movement argues convincingly that the origins of Christian anti Judaism are to be found among early non Jewish followers of Jesus who were in conflict with Jesus s disciples and first followers a must read Tim Hegedus Professor of New Testament Waterloo Lutheran Seminary Wilfrid Laurier University Canada Bibliowicz uses solid scholarship to engage large and difficult topics while managing to be balanced and clear invites Christians to walk a deep journey toward truth and suggests a compelling nuance that the conflicts in the early texts were between Jewish and Gentile followers of Jesus not between Jews and Christians David L Coppola Executive Director Center for Christian Jewish Understanding Sacred Heart University A meticulous study a mammoth endeavor goes beyond others in his interpretation of the evidence tracing and documenting distinctions and tensions in the early Jesus movement N A Beck Professor of Theology and Classical Languages Texas Lutheran University author of Mature Christianity in the 21st Century The Recognition and Repudiation of the Anti Jewish Polemic of the New Testament The topics Bibliowicz engages are complex Although some of his interpretations are controversial Gentile Christians should set aside apologetical agendas and honestly ponder the challenges put forward by the author Dale C Allison Jr Professor of New Testament Princeton Theological Seminary author of Constructing Jesus History Memory and Imagination     The History of the Jews in the Greco-Roman World Peter Schäfer,2003 Examines Judaism in

Palestine throughout the Hellenistic period from Alexander the Great's conquest in 334 BC to its capture by the Arabs in AD 636

**The Jew, Or the Crisis of Judaism Exemplified** Alfred Moritz MYERS, 1848

*Galut* Arnold M. Eisen, 1986 Pt 1 deals with biblical and rabbinic texts on exile and relations with non Jews Pt 2 deals with Zionism and the views of thinkers such as Herzl Jacob Klatzkin and Yehezkel Kaufmann who believed that secular messianism would solve the Jewish question and tended to view antisemitism as a natural response to the Jewish refusal to assimilate Examines changes in the perception of Jewish history as a result of the Holocaust and the establishment of the State of Israel

Encyclopedia of Martin Luther and the Reformation Mark A. Lamport, 2017-08-31 The Encyclopedia of Martin Luther and the Reformation is a comprehensive global study of the life and work of Martin Luther and the movements that followed him in history and through today Organized by a stellar advisory board of Luther and Reformation scholars the encyclopedia features nearly five hundred entries that examine Luther's life and impact worldwide The two volume set provides overviews of basics such as the 95 Theses as well as more complex topics such as reformational distinctions Entries explore Luther's contributions to theology sacraments his influence on the church and contemporaries his character and more The work also discusses Luther's controversies and topics such as gender sexuality and race Publishing at the five hundredth anniversary of the Reformation this is an essential reference work for understanding the Reformation and its legacy today
