On Language Ecstasy A Generation In It:

Narratives of Ecstasy James Rolleston, 1987 **Ecstasy** Alex Dimitrov, 2025-04-01 A fearless revelatory collection from one of the most talked about poets in America whose poems have been embraced by critics and readers alike as candid intimate and magnetically charged like catching a glimpse of the full moon in the middle of the day Bomb Alex Dimitrov embraces a life on the edge in New York and the finely wrought poetry that can come out of it as he explores sex drugs parties pleasure and God in the 2020s and looks back to a coming of age in the 1990s that still informs who his generation is and will be His unabashed and drivingly musical poems are a call against repression a rebuke of cultural norms and shame and a celebration of human authenticity even if to live under such philosophies is dangerous In *Today I Love Being Alive* we find the poet naked in his kitchen eating a banana and obsessed with a new lover declaring I don't care about being remembered I care about Strong men Beautiful sentences Italian leather in Poppers he stands lightheaded in the bathroom at a bar thinking of what to do with the rest of my life and issuing a warning to himself and us Poetry is not a self help book Dimitrov is an iconographer of contemporary life able to pin profound and timeless meaning to a fleeting encounter in the street Ecstasy also engages with the poet's Christian upbringing interrogating faith as both an enemy and valve of catharsis and a bedfellow of what this book celebrates and courts profound human ecstasy **Sensible Ecstasy** Amy

Hollywood, 2010-01-15 *Sensible Ecstasy* investigates the attraction to excessive forms of mysticism among twentieth century French intellectuals and demonstrates the work that the figure of the mystic does for these thinkers With special attention to Georges Bataille Simone de Beauvoir Jacques Lacan and Luce Irigaray Amy Hollywood asks why resolutely secular even anti-Christian intellectuals are drawn to affective bodily and widely denigrated forms of mysticism What is particular to these thinkers Hollywood reveals is their attention to forms of mysticism associated with women They regard mystics such as Angela of Foligno Hadewijch and Teresa of Avila not as emotionally excessive or escapist but as unique in their ability to think outside of the restrictive oppositions that continue to afflict our understanding of subjectivity the body and sexual difference Mystics such as these like their twentieth century descendants bridge the gaps between action and contemplation emotion and reason and body and soul offering new ways of thinking about language and the limits of representation

Compositional Crossroads Eleanor V. Stubbley, 2008-02-12 The first full length study of how McGill's Faculty of Music helped to shape contemporary Canadian music *Hungry for Ecstasy* Sharon Klayman Farber, 2012-11-16 *Hungry for Ecstasy* Trauma The Brain and the Influence of the Sixties by Sharon Klayman Farber explores the hunger for ecstatic experience that can lead people down the road to self destruction In an attempt to help mental health professionals and concerned individuals understand and identify the phenomenon and ultimately intervene with patients friends and loved ones Farber speaks both personally and professionally to the reader She discusses the different paths taken on the road to ecstatic states There are religious ecstasies ecstasies of pain and near death experiences cult induced ecstasies creative ecstasies and

ecstasies from hell Hungry for Ecstasy explores not only the neuroscientific processes involved but also the influence of the sixties in driving people to seek these states Finally Farber draws from her own personal and professional experience to advise others how to intervene on behalf of the person whose behavior puts his or her life at risk **Kerouac in Ecstasy** Thomas R. Bierowski,2014-01-10 This critical text considers Jack Kerouac as writer shaman exploring the content and ecstatic technique of the novels and two experimental volumes that represent critical phases of his development Thomas Bierowski also examines the reception of Kerouac s work arguing that his rise and fall reflect not only the usual changes in literary taste but the precarious position of the shamanic figure in modern America Ecstasy and Understanding Adrian Grafe,2008-04-03 This collection of research explores the interaction of religious awareness and literary expression in English poetry in the late nineteenth and twentieth centuries Many different types of poetics may be seen to be at work in the period 1875 to 2005 along with various kinds of religious awareness and poetic expression Religious experience has a crucial influence on literary language and the latter is renewed by religious culture The religious dimension has been a decisive factor of modern English poetic expression of the last hundred years or so The religious and mystical dimension of poetry of the period is borne out by the focus on among other things grace and purgation the tension between time and eternity redemption and the demands of eschatology immanence and transcendence and conversion and martyrdom Chapters also explore how church practice and ritual architecture and liturgy play into the poetry of the period This volume offers a comprehensive discussion of this important but often overlooked aspect of modern English poetry *The Recovery of Ecstasy* Sandy Krolick,2009-02-10 An ecstatic life can once again be recovered by recollecting the original elemental intertwining of the body and the world as lived by the body A journey unlike any you ve ever taken before **Songs of Ecstasy** Hugh B. Urban,2001 This book offers the first English translation of a body of highly esoteric mystical poetry and songs associated with the Khartabhajas a Bengali sect devoted to Tantrism The period from the late 18th to the early 19th century during which these lyrics were written was an era of change experimentation and transition from the older medieval styles to the new literary forms of modern Bengal The highly original songs presented here are an important part of this transitional period reflecting the search for new literary forms and experimentation in new poetic styles **The Ecstasy of Influence** Jonathan Lethem,2012-10-02 National Book Critics Circle Award Finalist A New York Times Notable Book A Best Book of the Year Austin American Statesman Includes a new previously uncollected piece My Internet In The Ecstasy of Influence the incomparable Jonathan Lethem has compiled a career spanning collection of occasional pieces essays memoir liner notes fiction and criticism which also doubles as a novelist s manifesto self portrait and confession The result is an insightful charming and entertaining grab bag that covers everything from great novels to old films to graffiti to cyberculture **Resignation and Ecstasy: The Moral Geometry of Collective Self-Destruction** Mark P. Worrell,2020-08-10 Once again for the first time Marx and Durkheim join forces while exploring the moral economy of neoliberalism Resignation and

Ecstasy provides a fresh perspective on the immortal vortex of sacred energies pulsating beneath the peculiar logic of modern accumulation Relying on dialectical methods classical sociology and psychoanalysis are reconstituted within an Hegelian social ontology to differentiate the ephemeral from the eternal aspects of social life *Possession, Ecstasy, and Law in Ewe Voodoo* Judy Rosenthal, 1998 She intends this ethnography to mirror the text of voodoo itself a body of signifiers and meanings with which the reader must interact in order to make sense of it *The Agony and Ecstasy of Dying* Charles Ignatius, 2019-08-13 Every one born on this planet has to die one day Death is something no human being can escape Death and dying are an inevitable part of human life Death is universal Every day thousands of people die in every country throughout the globe No one is promised a tomorrow The only thing we can count on is today and this moment Death crosses all barriers of religion ethnicity language color civilization and culture Death remains a grand mystery Throughout history every religion and every school of philosophy have attempted to explain this mystery It is something that touches the life of every man and woman binding the entire human race under the sky It catches the rich and the poor and throws the black and the white in the grave The powerful and the humble all leave this world eventually But the process of dying need not be painful as many imagine it to be The knowledge about death and dying and preparing oneself to accept it as a new form of life can make the experience of dying more graceful and peaceful The intervention of caregivers can play a vital role to make this happen *The Ecstasy of Love in the Thought of Thomas Aquinas* Peter Kwasniewski, 2021-05-07 Those interested in the concept of ecstasy would be forgiven for assuming that a sober scholastic like St Thomas Aquinas had little place for the idea Yet in this groundbreaking study sure to refine our understanding of the Angelic Doctor Peter Kwasniewski shows that St Thomas contemplates the nature of ecstasy at key stages in the development of his thought and that it plays a crucial role in his doctrine of love After a stimulating study of treatments of ecstasy in ancient philosophy Sacred Scripture and the medieval tradition prior to Aquinas Kwasniewski finds that he can be seen as breathing new life into the concept While his contemporary St Bonaventure for example tended to restrict ecstasy to the soul's union with God St Thomas admitted the place of ecstasy in a variety of human activities Furthermore St Thomas recognized that all love involves ecstatic transcendence whether it be the creature's self-oblation to the Creator the reverence of an inferior for a superior a superior's generosity toward an inferior or the mutual affection and help of equals joined in friendship Love of persons for their own sake generates an ecstatic love in which the self is borne as a gift to another subject by sharing a common life aspiring to common goods Kwasniewski also examines Aquinas on the question of whether or not God experiences ecstasy and if so in what ways *The Ecstasy of Love in the Thought of Thomas Aquinas* makes a significant contribution to our understanding of the doctrine of love and to the interpretation of the thought of St Thomas Aquinas It is more than an analysis of key texts it is an illuminating guide to the grammar of ecstasy *The Literature of Ecstasy* Albert Mordell, 2019-12-13 In *The Literature of Ecstasy* Albert Mordell embarks on an intellectually provocative journey through the realms of ecstatic literature examining

works that transcend conventional boundaries and delve into the depths of human experience With a lyrical and analytical prose style Mordell engages with a rich tapestry of texts from various cultures and epochs navigating through the works of poets and prose writers who grapple with ecstasy as a profound emotional and spiritual state The book situates ecstasy within literary modernism showcasing its evolution and multifaceted representation across diverse genres from Romanticism to modernist experimentation Albert Mordell a notable literary scholar and critic was deeply influenced by his encounters with avant garde movements and mystic traditions His profound understanding of psychological and philosophical undercurrents informs his exploration of ecstasy as a vital yet often overlooked facet of literature The author's own experiences with the transformative power of literature has inspired him to uncover the ways in which ecstatic expressions resonate with universal human themes thus illuminating the interplay between art and transcendent experience This essential reading is highly recommended for scholars students and enthusiasts of literature who seek to expand their understanding of ecstatic experience in literary contexts Mordell's incisive analysis not only enriches the appreciation of canonized texts but also invites readers to reconsider the very nature of literary engagement making it an indispensable addition to the libraries of those passionate about the intersections of emotion and art

Hysteria Complicated by Ecstasy Jan Goldstein,2011-10-31 A unique account of a peasant girl s mental illness in nineteenth century France Hysteria Complicated by Ecstasy offers a rare window into the inner life of a person ordinarily inaccessible to historians a semiliterate peasant girl who lived almost two centuries ago in the aftermath of the French Revolution Eighteen year old Nanette Leroux fell ill in 1822 with a variety of incapacitating nervous symptoms Living near the spa at Aix les Bains she became the charity patient of its medical director Antoine Despine who treated her with hydrotherapy and animal magnetism as hypnosis was then called Jan Goldstein translates and provides a substantial introduction to the previously unpublished manuscript recounting Nanette s strange illness a manuscript coauthored by Despine and Alexandre Bertrand the Paris physician who memorably diagnosed Nanette as suffering from hysteria complicated by ecstasy While hysteria would become a fashionable disease among urban women by the end of the nineteenth century the case of Nanette Leroux differs sharply from this pattern in its early date and rural setting Filled with intimate details about Nanette s behavior and extensive quotations of her utterances the case is noteworthy for the sexual references that contemporaries did not recognize as such for its focus on the difference between biological and social time and for Nanette s fascination with the commodities available in the region s nascent marketplace Goldstein s introduction brilliantly situates the text in its multiple contexts examines it from the standpoint of early nineteenth century medicine and uses the insights of Foucault and Freud to craft a twenty first century interpretation A compelling multilayered account of one young woman s mental afflictions Hysteria Complicated by Ecstasy is an extraordinary addition to the cultural and social history of psychiatry and medicine
