

A pair of hands is shown holding a small, realistic-looking globe of the Earth. The globe is tilted, showing the Americas and parts of Europe and Africa. The oceans are a deep blue, and the landmasses are green with some yellowish-brown areas representing deserts or dry land. White clouds are visible swirling around the globe. The hands are positioned at the bottom and sides of the globe, with fingers gently gripping it. The background is solid black.

Venezuela: On Mission With God Dennis W. Forbus, 2010-12-16 This book shows a first hand look into a real mission trip which took place in 2008 in the South American country of Venezuela The Author Dennis Forbus goes to Venezuela 1-3 times per year and continues working with the nationals there If you have ever wanted or even thought about going on a mission trip then let us encourage you to take a journey through these pages for a step by step diary of a 16 day trip full of photos and things most people will never see in their life time *A Field Guide for Everyday Mission* Ben Connelly, Bob

Roberts, 2014-05-19 Surprise whoever you are you're a missionary If you call yourself a follower of Jesus God calls you his missionary You may never go halfway around the world You may not raise financial support But because of God's gospel work in you you are on mission to people in your work school neighborhood and those in need As everyday missionaries God has sent us to live out his Great Commission in the ordinary normal all too busy and even most mundane moments of our lives But what exactly does an everyday missionary do Where and when does this everyday mission happen Most importantly how can you possibly share the gospel without killing your relationships Those are the types of questions *A Field Guide for Everyday Mission* answers for individuals churches small groups Sunday schools and missional communities Many resources exist on missional theory missional leadership and even missional stories But based on their years of helping people tangibly demonstrate the gospel pastors and practitioners Ben Connelly and Bob Roberts Jr have created an immediately implementable resource to help ordinary followers of Jesus put the idea of mission into everyday practice Each day's reading includes a biblical principle that can immediately be put into practice Each reading ends with a few ways to help you live out the principle in your daily life By the end of day 30 you'll have 101 different ways to demonstrate the gospel in your daily life And along the way other practitioners such as Jeff Vanderstelt Rick McKinley and Lance Ford share stories about living on God's everyday mission in their unique context *A Field Guide for Everyday Mission* is a tool designed for you whether you're newly considering the missional idea whether you've never heard the word before or whether you've spent years trying to figure out how to put that idea into practice **Footprints of God** Charles E. Van Engen, Nancy Thomas, Robert

Gallagher, 2011-07-27 Twenty five doctoral students from around the world recently set out to forge a new path toward a theology of mission As they blazed a new trail they discovered the footprints of God evidence that God was their trial guide Charles Van Engen led this group of mission practitioners pastors teachers and mission executives as they set out to discover answers to important questions such as What is theology of mission and What is missiology The team used a new approach to answer these questions employing narrative to integrate personal story community stories cultural stories and biblical stories Each writer brings his or her own unique context to bear on these important questions through personal story and by highlighting the work of a major missiologist who has impacted their life and work By drawing from personal stories the authors show how human factors affect missiology All of the chapters are set within a unique theological framework created

by Charles Van Engen that focuses on mission of the way mission in the way and mission on the way This framework reveals that mission must be of the way Christ centered in the way happening among the peoples and cultures of the world and on the way moving forward over time through God s people as they anticipate Christ s present and coming kingdom If you are concerned about connecting the Bible theology and ministry with the complexity and variety of contexts facing Christians today then you will want to join this journey to discover the footprints of God As Van Engen says you will be encouraged to think theologically about mission and missiologically about theology

Spiritual Warfare and Missions Jerry Rankin,Ed Stetzer,2010-06-01 The mission of God to Go therefore and make disciples of all nations baptizing them in the name of the Father and of the Son and of the Holy Spirit Matthew 28 19 HCSB is a major target of spiritual warfare today In this new book by International Mission Board president Jerry Rankin and noted missiologist Ed Stetzer the authors call out Satan s ongoing strategy to convince Christians that the Great Commission is optional Through deceit he is eroding the authoritative mandate of Scripture leading believers to tell themselves that international discipleship is a task better left to denomination and mission agencies not the sort of kingdom work that every believer can do But for every evil success Rankin and Stetzer point to where Satan is failing thus encouraging readers to renew their passion to declare God s glory among the nations Indeed by taking up the call to action here we can be sure that the kingdoms of the world will become the kingdom of the Lord

Beyond Duty Tim Dearborn,2013-01-03 DO YOU WANT TO MAKE A DIFFERENCE IN THE WORLD but feel overwhelmed by all there is to do Do you sometimes doubt that significant change is even possible There is good news God isn t worried about the future of the world nor is God merely bringing minor changes Behold I make all things new says the Lord The coming kingdom brings total transformation metamorphosis What s more God doesn t call us to carry the burdens of the world and its transformation on our own shoulders Christ carries the world and by the power of the Spirit we live in Christ We do not have a mission for God in the world Rather the God of mission has us in the world Each of us has a vital role in the world We are invited to participate God s generous love bringing heaven to earth through us now The seven sessions of BEYOND Duty guide individuals groups and churches to our places as participants in God s mission in the world I originally wrote Beyond Duty to

help liberate mission fanatics like me from enslavement to a human centered approach to mission That liberation is still needed today In our eagerness to make a difference in the world we can quickly subvert the good news of God s sovereign love into our ambitious burdensome and at times tedious effort to fulfill our mission in the world This revised and expanded edition pursues this seeking God s liberating grace to free us from the vain presumption that the future of God s mission is up to us Through a combination of our compassion regarding urgent needs what feels to us like the inactivity of God and the drive of our own need to make a difference in the world many of us all too easily take the needs of the world onto our shoulders as our personal responsibility This sounds so foolish However mission narcissism runs deep Though it may be obvious it still deserves to be said again Our central commitment is to God and God s kingdom not to ourselves or our service for God in that kingdom To make anything other than loving God and living in God s love for our neighbor even something as good and noble as God s mission in the world the central passion and commitment of our life is just plain old idolatry dressed in Christian clothing I ve lived much of my life seeking to serve in God s mission but I wonder at times for whom I am really working My suspicion is that sometimes I ve spread the unpleasant aroma of my need to make a difference in the world more than the sweet aroma of Christ In my more honest moments I admit that some of my mission was to reinforce my sense of significance It s so easy to become intoxicated by the seductive lies of our society that size determines significance speed measures impact and worth depends on success The gospel frees us to live from the center of God s encompassing love We needn t live from the burdensome center of me It s not about my mission ambitions work and weaknesses We can live as grateful participants in God s love for the world In the midst of our obedient service we can sing and play and not take ourselves so seriously What others are saying about BEYOND Duty A refreshing departure from usual mission books Emmanuel Katongole I am pleased to recommend this book to you Bill Hybels This may be the most important book I ve read all year Steve Haas An excellent practical tool for churches Ron Sider Read this rich reflection and serve with freedom Mark Labberton Inviting full of stories Christ centered Steve Sharol Hayner Substantial and practical I commend it warmly Vinay Samuel This is a wise guide Tom Theriault [Let the Nations Be Glad!](#) John Piper,2022-09-27 John Piper s bestselling book on missions draws on key biblical texts to demonstrate that worship is the ultimate goal of the church and that proper worship fuels missionary outreach Piper offers a biblical defense of God s supremacy in all things providing readers with a sound theological foundation for missions This 30th anniversary edition of a contemporary classic now in paperback incorporates insights from the author s refined thinking over the past 10 years Used extensively as a textbook for missions courses and a resource for ministries Let the Nations Be Glad provides a passionate plea for God centeredness in the whole enterprise of world evangelization and explores the role of prayer and spiritual warfare The book is essential reading for those involved in or preparing for missions work It also offers enlightenment for students pastors youth workers campus ministers and all who want to connect their labors to God s global purposes **We're on a Mission from God** Dan

Bouchelle,2021-11-21 In this book we will first seek to recapture a healthy understanding of what in the world God is doing and find ways to accept God's invitation to join his sweeping mission to redeem and restore all his creation Secondly we will seek to rediscover the God of Mission and the Mission of God Thirdly we will be asking what God has been up to all these years where he is going and what our role is in this massive project Finally we will see that God's mission is as big as the universe and as long as eternity yet is so small it can be advanced on a short airplane ride or by giving a cup of cold water at just the right time *The Mission of God Study Bible* Ed Stetzer, Philip Nation, Holman Bible Publishers, 2012-06-01 The Mission of God Study Bible encourages followers of Jesus Christ to see their everyday life from God's perspective and have His heart for people It's a reminder that we live around people in desperate need of redemption and reconciliation with God which can only be found in Jesus The mission of God has never been just for specialists it is for all believers to live out through their daily lives and by sharing the good news of what God has done through the death and resurrection of His Son Jesus Wherever you are you are on mission In The Mission of God Study Bible readers will hear through more than 150 additional writings from today's top thinkers theologians and leading voices in the church about what it means to live in the mission of God Essay contributors include Matt Chandler Tullian Tchividjian Ed Stetzer Linda Bergquist Dave Ferguson Christopher J H Wright Matthew Barnett and many others Readers will also discover Letters to the Church from elder statesmen that speak to the grand narrative of God's mission in Scripture These words from Billy Graham Jack Hayford Erwin Lutzer Calvin Miller and R C Sproul will inspire you to live God's mission daily **The Mission of God and You** Lori McDaniel, 2023 You Have a Purpose God Has a Part for You to Play in Something Big You were created by God called to follow Christ and commissioned to make disciples When Jesus gave this commission it wasn't a last minute thought before he ascended into heaven It was a mandate for all his followers to participate in a movement of God already in motion What is God's will for my life Where does my life fit into God's purpose If the idea that you have a purpose and mission feels daunting keep in mind that you cannot mess up the story of what God is doing But you can miss out on being a part of it The Mission of God and You will expand your missional view of the Bible and your biblical view of the world You'll traverse the globe and grasp the urgency of our mission You'll hear the stories of a great cloud of witnesses both past and present and gain perspective on how God has worked and is working You'll be challenged to leverage every season of your life to advance the gospel to the ends of the earth Don't wait God is inviting you to participate in the most significant movement the world has ever known The Spiritual DNA of a Church on Mission Bob Burton, 2020-01-15 In Spiritual DNA of the Church On Mission author Bob Burton compares the missional foundation of the early church to human DNA Together on God's Mission D. Scott Hildreth, 2018-02-28 Together on God's Mission investigates Southern Baptist history showing how and why the Southern Baptist Convention came to embrace the vision of a cooperative denomination **The Sent Life** Cliff Roberts Jordan, 2020 The church in the West today has separated something that was never intended to be divided This critical error

impacts the very core of who a Christian is which informs and empowers what a Christian does Jesus said As the Father has sent Me I also send you and in doing so He designated all Christians as sent ones This means living on mission as a sent one is not reserved for a special class of Christians but is the very calling of all Christians Since that is true all Christians need to understand and be equipped for the mission of God In a survey of 36 church members participants showed that 88% thought that the mission of God could be explained succinctly however in that same survey the participants themselves were not able to define the mission of God succinctly nor consistently Christians cannot join a mission that is unclear This work provides clear and reproducible discipleship training on the mission of God Flowing out of that teaching this work also helps Christians to discover their place in God s mission There is great impact when discipleship leads all Christians to understand the mission of God and their role in it When the whole church understands and embraces the mission of God this will result in an unleashing of the greatest missionary force into the world both locally and globally

An Indian Trinitarian Theology of Missio Dei P. V. Joseph, 2019-07-12 The recent rediscovery of the doctrine of the Trinity has left great impact on the thought and life of the Christian Church With this reinstatement the Trinity which was left out for long as an esoteric mystery has captured the imagination of theologians and elicited remarkable trinitarian formulations from across theological traditions This contemporary development has forced the church to review its dogma spirituality and Christian practices through the lens of this central doctrine of the Christian faith One of the important and essential upshots of the doctrine has been the reclamation of a theocentric and trinitarian understanding of mission as the missio Dei In view of the modern renewal of the Trinity and the global expansion of Christianity this book explores insights and perspectives from the trinitarian thoughts of St Augustine and the Indian theologian Brahmabandhab Upadhyay that can inform missio Dei theology relevant for the Indian context
