## On Philippians:

*Where Christology Began* Ralph P. Martin, Brian J. Dodd, 1998-01-01 One of the best known and most influential passages in the New Testament is the hymn of Philippians 2:5-11 which traces the dialectical path of Christ from preexistence or pretemporal existence to incarnation and exaltation There is little agreement and a great deal of debate on this central text of Christian theology In this book an international group of scholars comment on the classic and current understandings of this passage searching for insights into the ongoing exegetical inquiry ***A Commentary on PHILIPPIANS*** David Pawson, 2017-11-07 This church was not suffering from doctrinal error so Paul did not come with a heavy hand He did not have to rebuke someone strongly as at Corinth The only problem he was concerned about with this church with which he had such a lovely relationship was their unity ***Insights on Philippians, Colossians, Philemon*** Charles R. Swindoll, 2017 The complete 16 volume set of Swindoll's Living Insights New Testament Commentary draws on 13 time Christian Book Award winner Chuck Swindoll's more than 50 years of studying and preaching God's Word Each volume includes both the NLT and NASB translations of the Bible verse by verse commentary charts maps photos key terms and background articles with practical application A must have for pastors teachers and anyone else who is seeking a deeply practical resource for exploring God's Word provided by publisher ***ESV Expository Commentary (Volume 11)*** Crossway, 2020-10-28 Designed to strengthen the global church with a widely accessible theologically sound and pastorally wise resource for understanding and applying the overarching storyline of the Bible this commentary series features the full text of the ESV Bible passage by passage with crisp and theologically rich exposition and application Editors Iain M Duguid James M Hamilton and Jay A Sklar have gathered a team of experienced pastor theologians to provide a new generation of pastors and other teachers of the Bible around the world with a globally minded commentary series rich in biblical theology and broadly Reformed doctrine making the message of redemption found in all of Scripture clear and available to all With contributions from a team of pastors and scholars this commentary through 9 of Paul's letters helps students of the Bible to understand how each epistle fits in with the storyline of Scripture and applies today Contributors include Benjamin L Merkle Jason C Meyer Alistair I Wilson David W Chapman Denny Burk Alistair I Wilson ***Commentary on Philippians*** Vincent Cheung, 2014-11-25 Much of what is called Christian teaching today emphasizes the way to emotional peace and physical comfort In contrast Paul commends the Philippians for being partners with him in the faith and encourages them to remain united by the faith so that they may live for the faith Paul teaches his readers to seek first the kingdom of God even if it leads to suffering and hardship He says that he can be content under all circumstances by the strength that Christ gives Instead of using the Christian life as an excuse or a platform to pursue the interests of men the apostle teaches a Christianity that promotes and pursues the interests of Christ ***Delphi Collected Works of John Chrysostom (Illustrated)*** John Chrysostom, 2022-10-11 John Chrysostom was an important Early Church Father who served as archbishop of Constantinople He is known for his

preaching and public speaking his Divine Liturgy and his ascetic sensibilities His epithet Chrysostom is Greek for golden mouthed denoting his celebrated eloquence of expression He was among the most prolific authors in the early Christian Church with only Origen and Augustine exceeding his total output This eBook presents John Chrysostom s collected works with illustrations and the usual Delphi bonus material Version 1 Beautifully illustrated with images relating to John Chrysostom s life and works Collected works of John Chrysostom with rare texts All the major homilies The majority of translations are taken from Nicene and Post Nicene Fathers edited by Philip Schaff 1889 Excellent formatting of the texts Easily locate the sections you want to read with individual contents tables Features three bonus biographies discover John Chrysostom s incredible life Please visit [www.delphiclassics.com](http://www.delphiclassics.com) to explore our range of Ancient Classics titles or buy the entire series as a Super Set
