

A Deep Thought

A deep thought came to mind,
I lied down in bed keeping my pillow behind,
After a long and unpleasant time,
I am going to sleep today with empty mind.

When ever I look into the future
My past coming as a huddle creature,
I am confused, it my fault of behavior or nature,
Still expecting a bright future, I ma moving on further.

The day I spent with you were golden
Just alike a book made important things Bolden,
I just want to let you know you are my true soul,
Nobody can evaluate the value you enroll.

My feelings for you will never die
Even I try, try and try till I die,
Everyday I sleep with a hope to forget you,
But when I wake up the only person come to mind is you.

I am still confused how I ll get you
As love says it's not my destiny with you,
I have tried my dear, from core of my heart,
Just avoiding every chance to get apart.

I am in my deep thought to wake up in to a new morning,
The lovely and golden dreams of mine became wet,
I do not know we are going to make it or reset

On Second Thought Poems

William Addison Waters

On Second Thought Poems:

On Second Thought Keith Langdon, 2015-04-13 From personal experiences to snapshots in nature from teaching to the sometimes difficult challenges of relationships from the struggle with life and death and faith to dealing with the changes that aging presents this book is a collection of poems written and collected by the author that span almost fifty years of his life Written in a variety of styles each includes a short description of the inspiration behind it **On Second Thought**

Daniel Green, Leona Green, 1992-01-01 *On Second Thought* . . . James Jones, 2020-12-23 The second book of poems and pictures ones that didn't make it into the first book I Was Thinking On Second Thought is a rather eclectic collection and should have something in it to interest just about everyone **On Second Thoughts** John Martin Douglas Pringle, 1971

The Reader, the Text, the Poem Louise M. Rosenblatt, 1994-09-21 Starting from the same nonfoundationalist premises Rosenblatt avoids the extreme relativism of postmodern theories derived mainly from Continental sources A deep understanding of the pragmatism of Dewey James and Peirce and of key issues in the social sciences is the basis for a view of language and the reading process that recognizes the potentialities for alternative interpretations and at the same time provides a rationale for the responsible reading of texts **Radical Empiricists** Helen Thaventhiran, 2015 Radical

Empiricists presents a new history of criticism in the first half of the twentieth century against the backdrop of the modernist crisis of meaning Our received idea of modernist criticism is that its novelty lay in being very empirical critics believed in looking closely at words on the page Such close reading has since been easy to ridicule but this book seeks to consider whether this is fair have we in the rush either to dismiss or even to defend the idea of close reading often failed to look closely at what it involves in practice Against this oversight Radical Empiricists turns close reading back on itself proposing some innovative readings of the prose of five major modernist poet critics I A Richards T S Eliot William Empson R P Blackmur and Marianne Moore The book is divided into two parts preceded by an introduction that explores what these five writers share a radical self consciousness about the key critical concept meaning Part I How to read considers the prose techniques of Eliot Richards and Empson as they push at the boundaries of verbal analysis in other disciplines experimental psychology and anthropology classical commentary and textual criticism Part II introduces Blackmur and Moore alongside Empson and takes a more polemical look at how their critical styles defy various modernist orthodoxies about how not to read for example that paraphrase always destroys poetic meaning Many of these orthodoxies remain current re visiting their history and attending to the rich detail of critical prose styles can allow us to lift some old unreflective constraints on our ways of knowing about poems **The Complete Works of Robert Burns, Including His Correspondence: and the Poetical Works of Sir Walter Scott. Illustrated with Portraits, and Numerous Steel Engravings** Robert Burns, 1867

The Poems, Letters and Land of Robert Burns Robert Burns, 1840 *The Works of Robert Burns. With life by Allen Cunningham, and notes by Gilbert Burns and others ... New edition* Robert Burns, 1850 **The Complete Works of Robert**

Burns: Containing His Poems, Songs, and Correspondence Robert Burns, 1841 *The Poetry Reader* Mark

Yakich, 2024-12-12 You have picked up this book because you are a poetry reader Or you are about to be one Because as soon as you read a poem that's what you are Filled with the profound the lyrical the consoling and the curious *The Poetry Reader* An Anthology is the book you would hope to find if you washed up alone on a deserted island this companionable collection shows how poetry itself is a discussion alive and flowing and how poems speak to with and sometimes over one another If you are a teacher this is the anthology you wish you had as a student a text that doesn't try to survey entire time periods or aesthetic areas but one that places side by side carefully selected poems that speak to each other over time as well as to today's readers Section header notes provide critical commentary framing the poems within their given topic Discussion and writing suggestions give interesting and actionable prompts Works as a standalone book or can easily be used alongside *Poetry A Survivor's Guide* 2nd ed Drawing on traditional poems and contemporary works this anthology offers globe spanning stylistically diverse poetry ranging from canonical poems by the likes of Sappho and Shakespeare to those of new voices such as Layli Long Soldier and Mukoma wa Ngugi As a compact eclectic and approachable collection based on specific aspects of poetry and poetic practices from identity and metaphor to sublimation and spirituality *The Poetry Reader* acts as a guide to understanding the essentials of both reading and writing poetry

The Art of Translation in Seamus Heaney's Poetry Edward T. Duffy, 2024-03-13 *The Art of Translation in Seamus Heaney's Poetry* is a critical study of the poet's later work While exploring his practice as a translator it also traces his increasing preoccupation with the possibilities and conditions of translation in the theological sense of being lifted up in spirit To the work of this philosophical poet who would be both earthed and heady this book brings the insights of ordinary language philosophy as practiced by Stanley Cavell It devotes separate chapters to *Station Island* and three later collections *Seeing Things* *Electric Light* and *Human Chain* The first of these addresses the most fundamental change in Heaney's life when he acknowledges the need and chance to re envisage his Irish Catholic upbringing it is also replete with both the activity and the trope of translation Published seven years later *Seeing Things* begins with a translation of Virgil's golden bough episode and ends with a similar crossing over into the underworld by Dante Heaney transforms both into poems about poetry In *Electric Light* Heaney returns to Virgil but now he concentrates not on the hero of the *Aeneid* but on Virgil's earlier efforts in pastoral a mode of writing that Heaney takes as a model for his own time and place of devastated order Heaney returns to the *Aeneid* in *Human Chain* but this time around he gives all his attention to the scene of the human souls in Elysium seeking rebirth and turns it into an image for the need and chance of pronouncing a final Yes to our world and our place in it

Poetry's Touch William Addison Waters, 2003 To whom does a poem speak Do poems really communicate with those they address Is reading poems like overhearing Like intimate conversation Like performing a script William Waters pursues these questions by closely reading a selection of poems that say you to a human being to the reader to the beloved or to the dead In any account of reading lyric

poetry Waters argues there will be places where the participant roles of speaker intended hearer and bystander melt together or away these are moments of wonder Looking both at poetry s you and at how readers encounter it Waters asserts that poetic address shows literature pressing for a close relation with those into whose hands it may fall What is at stake for us as readers and critics is our ability to acknowledge the claims made on us by the works of art with which we engage In second person poems in a poem s touch we may come to see why poetry matters to us and how we in turn come to feel answerable to it Poetry s Touch takes as a central thread the poetry of Rainer Maria Rilke a writer whose work is unusually self conscious about poetic address The book also draws examples from a gamut of European and American poems ranging from archaic Greek inscriptions to Keats Dickinson and Ashbery *Vergil's Minor Poems* Lulu Grosh,1922 The Gospel Message in Great Poems Walter Roth Gobrecht,1928 **Let's Talk Poetry** E Jerry, an Anointed Writer,2010-07-28 Let s Talk Poetry are laid back poems that express all kinds thoughts although Let s Talk Poetry is more of a laid back style of poems So thanks for allowing me to share the gifts of my heart with you You ll come back for more **Zen & bad POETRY** James Moylan,2013-10-21 This is simple story about a Federal Senator being kidnapped by a madman others sit back and watch clouds Cherry Blossom Epiphany -- The Poetry and Philosophy of a Flowering Tree Robin D. Gill,2006-10 Cherry Blossom Epiphany the poetry and philosophy of a flowering tree a selection translation and lengthy explication of 3000 haiku waka senry and ky ka about a major theme from I P O O H In Praise Of Olde Haiku by robin d gill 1 Haiku Translation from Japanese to English 2 Japanese poetry 8c 20c waka haiku and senry 3 Natural History flowering cherries 4 Japan Culture Edo Era 5 Nonfiction Literature 6 Translation applied 7 You tell me If the solemn yet happy New Year s is the most important celebration of Japanese Yamato ethnic culture and the quiet aesthetic practice of Moon viewing in the fall the most elegant expression of Pan Asian Buddhism religion the subject of this book Blossom viewing which generally means sitting down together in vast crowds to drink dance sing and otherwise enjoy the flowering cherry in full bloom is less a rite than a riot a word originally meaning an uproar The major carnival of the year it is unusual for being held on a date that is not determined by astronomy astrology or the accidents of history as most such events are in literate cultures It takes place whenever the cherry trees are good and ready Enjoyed in the flesh the blossom viewing or hanami is also of the mind so much so in fact that poetry is often credited with the spread of the practice over the centuries from the Imperial courts to the maids of Edo Nobles enjoyed link verse contests presided over by famous poet judges Hermits hung poems feting this flower of flowers to say the generic flower hana in Japanese connotes cherry on strips of paper from the branches of lone trees where only the wind would read them In the Occident too flowers embody beauty and serve as reminders of mortality but there is no flower that like the cherry blossom stands for all flowers Even the rose by any name cannot compare with the sakura in depth and breadth of poetic trope or viewing practice In Cherry Blossom Epiphany Robin D Gill hopes to help readers experience metaphysically some of this alternative world Haiku is a hyper short 17 syllabet or 7 beat Japanese poem directly or

indirectly touching upon seasonal phenomena natural or cultural Literally millions of these ku have been written some perhaps many times about the flowering cherry sakura and the human activity associated with it blossom viewing hanami As the most popular theme in traditional haiku haikai cherry blossom ku tend to be overlooked by modern critics more interested in creativity expressed with fresh subjects but this embarrassment of riches has much to offer the poet who is pushed to come up with something anything different from the rest and allows the editor to select from what is for all practical purposes an infinite number of ku Literary critics take note Like Rise Ye Sea Slugs 2003 and Fly ku 2004 this book not only explores new ways to anthologize poetry but demonstrates the practice of multiple readings an average of two per ku as part of a composite translation turned into an object of art by innovative clustering Book collectors might further note that while Cherry Blossom Epiphany may not be hardback it takes advantage of the many symbols included with Japanese font to introduce design ornamentation the circle within the circle the reverse Buddhist swastika etc hitherto not found in English language print It is a one of a kind work of design by the author *Wordsworth and the Poetry of What We Are* Paul H. Fry, 2008-10-01 Where others have oriented Wordsworth towards ideas of transcendence nature worship or more recently political repression Paul H Fry argues that underlying all this is a more fundamental insight Wordsworth is most astonished not that the world he experiences has any particular qualities but rather that it simply exists [L. M. Montgomery - Premium Collection: Novels, Short Stories, Poetry & Memoirs](#) Lucy Maud Montgomery, 2023-12-06 The L M Montgomery Premium Collection Novels Short Stories Poetry Memoirs is a meticulously curated anthology that encapsulates the multifaceted literary genius of Lucy Maud Montgomery Known for her lyrical prose and richly characterized narratives Montgomery s work is steeped in the pastoral beauty of Canada offering readers poignant insights into the lives and struggles of her characters This collection spans her novels enchanting short stories evocative poetry and personal memoirs serving as both an introduction to her oeuvre and a reflective return for long time admirers Through vivid imagery and a keen understanding of human emotion Montgomery crafts tales that weave themes of identity belonging and the natural world into a tapestry that is both timeless and relatable Lucy Maud Montgomery 1874 1942 emerged from the enchanting landscapes of Prince Edward Island which profoundly influenced her writing A trailblazer for women s literature Montgomery faced personal challenges including difficult familial relationships and battles with mental health experiences that permeated her works These elements added depth to her characterization allowing her to capture the complexities of life in a small community Her best known creation Anne Shirley from *Anne of Green Gables* showcases a spirited imagination that mirrors Montgomery s own This collection is a must read for those keen to explore the evolution of early 20th century literature through the lens of personal storytelling and imagination Whether you are rediscovering Montgomery s enchantment or encountering it for the first time this anthology invites readers to immerse themselves in the rich emotional landscapes that define these beloved works

The Enigmatic Realm of **On Second Thought Poems**: Unleashing the Language is Inner Magic
