On Being A Bishop

David Tustin

On Being A Bishop:

On Being a Bishop Robert Burns, 2016-06-21 This little book is a hidden gem of the wisdom and consciousness that has come through the independent Catholic experience of the 20th and 21st centuries It teaches us both how to be a bishop and how not to be a bishop If we can even open our hearts a little bit we will fulfill the teaching of Jesus who said The greatest among you will be your servant Mt 23 11 Mar Roberto Foss de Los Angeles In this small book on what it means to be a neo Catholic Bishop what some call Episcopi Vagantes or the Other Catholics Robert Burns shares from his heart To him being a bishop is really about being a true Teacher Pastor Liberator and Facilitator *A Bishop's Ministry* David Tustin, A Bishop's Ministry REFLECTIONS caring for people within and beyond the church conducting worship spreading the Christian message sending new ministers building bridges in society and within the church fostering visible Christian unity Emphasis is laid on bishops sharing their ministry with others and reaching out beyond the church This book offers examples of good practice It draws together resources useful for new bishops including excerpts from classic writers Gregory the Great and Bernard of Clairvaux and pointers to an ecumenical range of contemporary material unlikely to be in the hands of most readers It is relevant to all who share in senior church leadership A bibliography and index are included DAVID TUSTIN was Bishop of Grimsby from 1979 to 2000 and since retirement has been an assistant bishop in the diocese of Lincoln He was awarded a Lambeth DD in 1998 in recognition of his contribution to Christian unity both in this country and internationally The closing section argues that bishops no less than other ministers need good initial training periodic review and continuing professional development It also looks at how bishops can adjust to active retirement **A Bishop's Charge to the Laity in Answer to a Bishop's Charge to the Clergy.
