On Being The Creator Of Your Destiny:

Your Creator Matrix Cathleen Beerkens, 2024-04-29 As human beings we are beginning to wake up to our inner multidimensional power and our ability to consciously cocreate our lives. However with this power comes the responsibility to master the creation process so that we can be who we were designed to be while here on Earth. Your Creator Matrix is the interconnected framework that links your mind, body and spirit on all levels: physical, mental, emotional and spiritual with the Unified Field. When we master our stories, the deeply held narratives and beliefs that influence all of our choices and creations and learn how to digest our life experiences in new ways, we gain the power to choose new future timelines and manifest the wellness, abundance and love we truly desire. In this thought provoking book, researcher and integrative health coach Cathleen Beerkens shows us how quantum physics and the new sciences of epigenetics, glycobiology and nutrigenetics can support us to create optimal cellular health, digest and assimilate our old storylines, nourish ourselves at all levels for optimal wellness and begin to operate fully as the Creator in our lives for the good of all.

The Reincarnation of Radha Mae Gosaynie, She is referred to as the mysterious Radha. Some people do not believe she ever existed. Others believe she was an adulteress. The truth is that Radha was a soul that lacked self love. However her love for Sri Krishna was boundless and unconditional. In this contemporary 21st century story about Radha's reincarnation, you will learn how her consciousness contrived a plan to give Sri Krishna the Shakti he needed from her while simultaneously breaking her heart. She even chose for him to never speak to her until she had become enlightened herself. She thought nothing of her own self preservation or the great suffering she would inevitably endure. The questions that remain to be answered are: Will Radha be able to heal from such a traumatic experience? Will she be able to forgive Sri Krishna for breaking her heart? And finally, will she eventually be able to merge with Krishna as they had originally planned? Read Radha's story to find the answers disclosed within. Written through the framework of choosing the journey of our lives on the path to enlightenment, the author forces us to consider what we have chosen to endure and why. Beautifully written through the eyes of a reincarnation story and the suffering of the soul on its way to salvation and becoming a goddess. This precious story of spiritual mates on their evolutionary journey reminds us of our mortality and declares that our life journey is a special and personal experience meant for spiritual growth. Inspired by traditional beliefs, we rediscover or uncover for the first time that we choose our suffering which ultimately helps us advance as humans and have purpose during our cycles of life on Earth.
