book is raw honest and intimate in its content and should cause those who read it to search within themselves and find faith and belief to move from where they are to greater things no matter what their past or present situation The author s following favourite quote by President Theodore Roosevelt captures the essence of how he tries to live his life It is not the critic who counts not the man who points out how the strong man stumbles or where the doer of deeds could have done them better The credit belongs to the man who is actually in the arena whose face is marred by dust and sweat and blood who strives valiantly who errs who comes short again and again because there is no effort without error and shortcoming but who does actually strive to do the deeds who knows great enthusiasms the great devotions who spends himself in a worthy cause who at the best knows in the end the triumph of high achievement and who at the worst if he fails at least fails while daring greatly so that his place shall never be with those cold and timid souls who neither know victory nor defeat     Catalog and Yearbook University of Northern Colorado,1925     **Annual Report** Ohio State Board of Agriculture,1904
