Rosemary Goode is smart and funny and loyal and the best eyebrow waxer in Spring Hill, Tennessee. But only one thing seems to matter to anyone, including Rosemary: her weight. And when your mom runs the most successful and gossipy beauty shop in town, it can be hard to keep a low profile. Rosemary resolves to lose the weight, but her journey turns out to be about everything but the scale. Her life-changing waist-shrinking year is captured with brutal honesty and humor, topped with an extralarge helping of Southern charm. A truly uncommon novel about an increasingly common problem. **Useful Hints for Labourers: from the Publications of the Labourers' Friend Society and Republished Under Their Direction** Labourers' Friend Society (London, England), 1841 **A House Party in Tuscany** Amber Guinness, 2022-03-29 This ebook has a fixed layout and is best viewed on a widescreen full-colour tablet. A stunning book in every way, Amber Guinness paints such a dreamy, evocative picture of her home in the Tuscan countryside and of the sumptuous feasts she cooks there, I long to be there with her and to eat everything in this book. Skye McAlpine, author of *A Table in Venice*. A truly beautiful book with food as colourful as paintings and thoughtful menus guided by the Tuscan seasons. Emiko Davies, author of *Torta della Nonna*. A peculiar attribute of the landscape surrounding Arniano is the ever-changing light. Early in the morning, there is an extraordinary mist that sits in the valley and interweaves through the hills, allowing just the tops to show above the smoky clouds. These changes bring with them new moods and shadows, drawing our painters to different views and areas of the garden throughout the day. By the evening, everything has altered again, and there are often intense sunsets bringing silhouettes from the trees and much darker, richer olive colours. There are many farmhouses in Tuscany, but few are quite so magical as Arniano. It is here, in this 18th-century podere, that Amber Guinness grew up and learned to cook. And it is here that she established The Arniano Painting School, a residential painting course and immersive art and food experience. As I look through the recipes and think about the common thread that binds them, I realise that they all exemplify a fundamental principle of Italian home cooking. Which is that simplicity and keeping ingredients as close to their original form as possible leads to the most delicious and rewarding food. The beauty of Italian cooking is that it is not about fancy sauces or preparation techniques. Rather, it is about
