

The background is a complex collage. At the top, a torn piece of a world map is visible, showing continents in green and oceans in blue. To the left, a portion of a classical column with a fluted shaft and a decorative capital is shown. In the bottom left corner, a circular compass with a brass-like frame and a blue face is partially visible, showing degree markings and cardinal directions. In the bottom right corner, the barrel of a telescope is visible, pointing towards the center. The overall aesthetic is that of a historical or exploratory theme.
