

On Krishnamurti

Larry Rosenberg, Madeline Drexler

On Krishnamurti:

Krishnamurti Jiddu Krishnamurti, 1997 A selection of Indian thinker Krishnamurti's 1895-1986 talks and writings edited quite heavily to be more comprehensible to academic and analytic philosophers They are arranged in sections on inquiry emotion self and identification and freedom Annotation copyrighted by Book News Inc Portland OR **Yoga Journal**, 1992-01 For more than 30 years Yoga Journal has been helping readers achieve the balance and well being they seek in their everyday lives With every issue Yoga Journal strives to inform and empower readers to make lifestyle choices that are healthy for their bodies and minds We are dedicated to providing in depth thoughtful editorial on topics such as yoga food nutrition fitness wellness travel and fashion and beauty *On Krishnamurti's Teachings* Allan W. Anderson, 2012-07-01 This seminal collection of works by Allan Anderson expresses his deep concern with vital matters that are shared by all of humanity His exploration into questions that profoundly affect people of every race and gender from every quarter of the globe are brought into focus in his discerning questions posed to J Krishnamurti In 1974 he held 18 one hour conversations with the philosopher teacher and author Krishnamurti who was perhaps the most noted iconoclast of his day One who spoke on a wide range of topics often focusing on what is as he put it His teaching pointed again and again to not being hobbled by the influence of others be they those we look up to such as Gurus Priests and Masters but also the culture into which we are born with its deep impact on our conditioned mindset Our admiration can also include Rulers Kings or Dictators whose iron hand can impose a sense of order into the confusion and disorder of our lives Our beliefs the rules set out by our conditioned past can prevent us from direct observation and true insight As a teacher Krishnamurti did not offer comfort or consolation but rather asked that we take direct responsibility for our actions and to our relationship with others As the interviews continued under the challenging exploration of both Anderson and Krishnamurti the topics plumb depths that could only be achieved by those who are able to interact with direct responsiveness The universality of the topics ranging in part from questions regarding Fear Desire Death Religion and Authority and lastly Meditation to offering the widest scope for those willing to face essential questions The rapport with which the two men interact the open minded approach to serious issues indicate not only the depth and passion of their concern but the ability to really listen Each responding to the other not as if from across the ravine of pre held positions but each looking afresh at every issue as it arises Lastly the awakening of that supreme intelligence which does not depend on any authority and which is beyond all thought can only come about from the well spring of direct perception Each man in his own way makes clear that such perception is possible From the Foreword by Evelyn Blau [The Blavatskian and Biblical Roots of Krishnamurti's Imagined Role](#) Al Boag, 2025-09-16 This book focuses on Jiddu Krishnamurti 1895-1986 and charts the development of his teaching It covers the period from 1922 when Krishnamurti claimed he was God until his death including his declarations to be the World Teacher and eventual departure from the Theosophical Society The author explores the understanding transmitted to Krishnamurti by his mentors as an

inheritance from Helena Petrovna Blavatsky 1831 1891 the Theosophical Society co founder who is associated with the practice of occult breathless meditation This book highlights that Krishnamurti s writings and talks reveal his unacknowledged appropriation of the vocabulary of profound biblical motifs It considers how Krishnamurti fashioned his life and teaching on the New Testament Gospels composite biography of Jesus and on biblical eschatological and Christological texts The study will be of particular interest to students and scholars of esotericism new religious movements and the history of religions

The Mind of J. Krishnamurthi Luis S.R. Vas,1989-01-01 What makes an apparently ordinary human being unfavoured by either heredity or environment suddenly achieve greatness The present volume is a study of this rare phenomenon as reflected in the life and thought of one man who had greatness thrust upon him early in life and who later achieved a different kind of greatness only to give it all up J Krishnamurti It uncovers a strange mind still very imperfectly understood

Krishnamurti and the Psychological Revolution Peter Fritz Walter,2014-09-18 Krishnamurti and the Psychological Revolution is an essay on the unique teaching of J Krishnamurti It starts with the question What is Consciousness and carefully proposes a holistic definition after reviewing the various psychological and spiritual theories that deal with this subject The actually goes a step ahead and focuses on a more particular issue a provocative question asked by K How to empty consciousness of its content When the author was part of a Krishnamurti circle in Switzerland back in 1986 he proposed to elucidate the matter with a keynote on the topic An essay followed which was the core of the present book Krishnamurti lectured that only a psychological revolution can lead man to a transformation of thought taught that it was possible to empty the content of consciousness on an individual level so as to completely renew and transform our thought and emotional patterns and to free us from self restrictive and limitative conditioning However a careful examination of the question brought the author to the insight that consciousness cannot be emptied what can be done instead is to integrate its content by the development of total awareness and vigilant attention In other words while the process of thought cannot be stopped it is well possible to change the quality of our daily thoughts of our self talk and of our regard upon emotions In this sense it is true that while we cannot change thought because we need it for our cultural and technological progress we can well change the thinker And it is the latter what Krishnamurti meant by saying that we should empty the content of consciousness

The Books in My Life Henry Miller,2016-08-25 In this unique work Henry Miller gives an utterly candid and self revealing account of the reading he did during his formative years Some writers attempt to conceal the literary influences which have shaped their thinking but not Henry Miller In The Books in My Life he shares the thrills of discovery that many kinds of books have brought to a keenly curious and questioning mind Some of Miller s favorite writers are the giants whom most of us revere authors such as Dostoevsky Boccaccio Walt Whitman James Joyce Thomas Mann Lao Tse To them he brings fresh and penetrating insights But many are lesser known figures Krishnamurti the prophet sage the French contemporaries Blaise Cendrars and Jean Giono Richard Jeffries who wrote The Story of My Heart the Welshman

John Cowper Powys and scores of others *The Books in My Life* contains some fine autobiographical chapters too Miller describes his boyhood in Brooklyn when he devoured the historical stories of G A Henty and the romances of Rider Haggard He tells of the men and women whom he regards as living books Lou Jacobs W E B DuBois Elizabeth Gurley Flynn and others He offers his reminiscences of the New York Theatre in the early 1900 s including plays such as *Alias Jimmy Valentine* and *Nellie the Beautiful Cloak Model* And finally in Miller s best vein of humor he provides a satiric chapter on bathroom reading In an appendix Miller lists the hundred books that have influenced him most

Do We Have An Immortal Soul? Orest Stocco,2014 The I is the big mystery of life The I is a miraculous unit of reflective self consciousness that is aware of its own individuality and separateness from life and although every I is made of the same individuated consciousness of life each I in the words of the poet John Keats possesses a bliss peculiar to each one by individual existence The I is who we are It is our distinct individual core identity Like snowflakes we are all different but the same but how do we become different Better still how do we even become a distinct separate I

The Nirvana Express Mick Brown,2023 In 1897 an Indian yogi named Bava Lachman Dass exhibited himself at the Westminster Aquarium in London demonstrating forty eight yoga positions to a bemused audience Four years earlier Hindu philosopher Swami Vivekananda had spoken at the first World Parliament of Religions in Chicago where theosophist Annie Besant rhapsodized about his inborn sense of worth and the exquisite beauty of his spiritual message The Victorians had conflicted views on the religious beliefs and practices of the Indian sub continent blending fascination and suspicion But within two generations legions of young Westerners would be following the hippie trail to India and the Beatles would be meditating at the feet of the guru Maharishi Mahesh Yogi Journalist Mick Brown s vivid account charts the eccentric history of the West s evolving love affair with Indian religion through a curious cast of scholars seekers charlatans and saints From Edwin Arnold whose epic poem about the life of the Buddha became a best seller in Victorian Britain to the occultist and magician Aleister Crowley and from spiritual teachers Jiddu Krishnamurti Meher Baba and Ramana Maharshi to the controversial guru Rajneesh *The Nirvana Express* is an exhilarating sometimes troubling journey through the West s search for enlightenment

Apprenticed to a Himalayan Master Sri M,2022-07-18 In this tell all autobiography Sri M writes about his fascinating journey as a young man from the southern coast of India to the mystical Himalayan Mountains At the age of nineteen and a half he felt an irresistible urge to go to the Himalayas in quest for his great Master He finally met his Master at the Vyasa Cave beyond the Badrinath shrine After spending three and half years with his Master wandering freely across the length and breadth of the Himalayan ranges he was instructed to go back to live in the plains and lead a normal life He started working for a living fulfilled his social commitments and prepared himself to teach others all that he had learned and experienced This book reveals the spiritual journey of a young lad from Kerala who by his sincerity and dedication evolved into a living yogi Sri M shares his knowledge of the Upanishads and spiritual insights born out of first hand experiences in his autobiography *Apprenticed to a Himalayan Master* will make for an

The Transformative Philosophical Dialogue Shai Tubali,2023-09-25 This book explores dialogue as a transformative form of philosophical practice by unveiling the method behind the unique dialogue developed by mystic and thinker Jiddu Krishnamurti 1895 1986 While Krishnamurti himself generally rejected the cultivation of systems and techniques Shai Tubali argues that there are easily identifiable patterns through which Krishnamurti strove to realize his dialogical aims For this reason he refers to this method whose existence has evaded Krishnamurti s followers and scholars alike as the Krishnamurti dialogue He suggests that these discursive patterns serve to broaden our understanding of the possibilities of philosophical and religious dialogues and further illuminate established forms of dynamic discourse such as the Socratic method Inspired by Pierre Hadot s revolutionary reading of the classical Greco Roman texts the author centers his attention on Plato s Socratic dialogues and the guru disciple conversations in the Hindu Upanishads which fall within the scope of what may be termed the transformative dialogue dialogues that have been written with the intention of bringing about a transformation in the mind of the interlocutor and reader and reorienting their way of life This text appeals to students as well as researchers and suggests that the Krishnamurti dialogue is not only a continuation and development of the transformative dialogue but that it also amalgamates ingredients of classical Western philosophy and South Asian mysticism Moreover this type of dialogue encourages readers to revisit the lost practice of transformative philosophy in that it reveals new pathways of philosophical and religious inquiry that bear thought provoking practical implications

On Krishnamurti Introduction

In the digital age, access to information has become easier than ever before. The ability to download On Krishnamurti has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download On Krishnamurti has opened up a world of possibilities. Downloading On Krishnamurti provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading On Krishnamurti has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download On Krishnamurti. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading On Krishnamurti. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading On Krishnamurti, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download On Krishnamurti has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it

offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
