

On Maimonides

Joel L. Kraemer

On Maimonides:

Essays on Maimonides Salo Wittmayer Baron, 1941 The Wisdom of Maimonides Edward Hoffman, 2008-05-13 Here is an accessible introduction to the life and wisdom of the famous twelfth century philosopher physician Moses Maimonides whose prolific writings on medical and religious issues commentaries on Jewish texts and writings on Jewish ethics and law profoundly influenced Judaism The Wisdom of Maimonides includes a biography a section of selected teachings drawn from Maimonides major works The Guide for the Perplexed and the Mishneh Torah as well as his other writings and tales about Maimonides colorful life as a court physician and rabbinic leader **Perspectives on Maimonides** Joel L.

Kraemer, 1991-01-01 Leading scholars have combined forces to produce this volume on the philosophy and legal views of Moses Maimonides 1138 1204 and the historical context in which he worked The philosophical section examines Maimonides ethical doctrine his paradoxical life style his Guide of the Perplexed his attitude to mysticism his use of language and his theory of astronomy The legal section deals with law and medicine the relation of Maimonides legal thought to the Talmud his doctrine of a just war and his theory of redemption and Messianism The history section examines Maimonides accession to the position of head of the Jewish community in its historical context at the time of the rise of the Ayyubid dynasty under Saladin

On Maimonides Charles Harry Manekin, 2005 ON MAIMONIDES like other titles in the Wadsworth Philosophers Series offers a concise yet comprehensive introduction to this philosopher s most important ideas Presenting the most important insights of well over a hundred seminal philosophers in both the Eastern and Western traditions the Wadsworth Philosophers Series contains volumes written by scholars noted for their excellence in teaching and for their well versed comprehension of each featured philosopher s major works and contributions These titles have proven valuable in a number of ways Serving as standalone texts when tackling a philosophers original sources or as helpful resources for focusing philosophy students engagements with these philosopher s often conceptually daunting works these titles have also gained extraordinary popularity with a lay readership and quite often serve as refreshers for philosophy instructors

Maimonides After 800 Years Jay Michael Harris, 2007 Moses Maimonides was the most significant Jewish thinker jurist and doctor of the Middle Ages author of both a monumental code of Jewish law and the most influential and controversial work of Jewish philosophy These essays mark the 800th anniversary of Maimonides s death in 1204 covering all aspects of his work and influence Leo Strauss on Maimonides Leo Strauss, 2013-04-23 Leo Strauss is widely recognized as one of the

foremost interpreters of Maimonides His studies of the medieval Jewish philosopher led to his rediscovery of esotericism and deepened his sense that the tension between reason and revelation was central to modern political thought His writings throughout the twentieth century were chiefly responsible for restoring Maimonides as a philosophical thinker of the first rank Yet to appreciate the extent of Strauss s contribution to the scholarship on Maimonides one has traditionally had to seek out essays he published separately spanning almost fifty years With Leo Strauss on Maimonides Kenneth Hart Green

presents for the first time a comprehensive annotated collection of Strauss's writings on Maimonides comprising sixteen essays three of which appear in English for the first time Green has also provided careful translations of materials that had originally been quoted in Hebrew Arabic Latin German and French written an informative introduction highlighting the original contributions found in each essay and brought references to out of print editions fully up to date The result will become the standard edition of Strauss's writings on Maimonides *Ethical Writings of Maimonides*

Maimonides, 2012-06-07 Philosopher physician and master of rabbinical literature Moses ben Maimon 1135-1204 strove to reconcile biblical revelation with medieval Aristotelianism His writings especially the celebrated *Guide for the Perplexed* exercised considerable influence on both Jewish and Christian scholasticism and brought him lasting renown as one of the greatest medieval thinkers This volume contains his most significant ethical works newly translated from the original sources by Professors Raymond L Weiss and Charles E Butterworth well known Maimonides scholars Previous translations have often been inadequate either because they were not based on the best possible texts or from a lack of precision That deficiency has been remedied in this text the translations are based on the latest scholarship and have been made with a view toward maximum accuracy and readability Moreover the long Letter to Joseph has been translated into English for the first time This edition includes the following selections I Laws Concerning Character Traits complete II Eight Chapters complete III On the Management of Health IV Letter to Joseph V *Guide of the Perplexed* VII The Days of the Messiah Taken as a whole this collection presents a comprehensive and revealing overview of Maimonides' thought regarding the relationship of revelation and reason in the sphere of ethics Here are his teachings concerning natural law secular versus religious authority the goals of moral conduct diseases of the soul the application of logic to ethical matters and the messianic era Throughout the great sage is concerned to reconcile the apparent divergence between biblical teachings and Greek philosophy Evil and Providence in Maimonides' *Guide of the Perplexed* Modestus Anyaegbu, 2014-11-21 Maimonides' rationalist rejection and interpretation of anthropomorphism play a major part in his reading of the problem of evil and providence in the *Guide of the Perplexed* The debate has been on finding an explanation as to why the righteous suffer and the vicious prosper in a world under the providence of a divine Creator The anthropomorphic bent given to the legendary case of the biblical Job has given us the concept of God as a personal agent But confronted with the reality of his innocent suffering this image of God leaves much to be desired We shall argue that Maimonides' theory of providence as consequent upon the intellect and evil as consequent upon the absence of intellectual perfection are based on the concept of God as existence It is the absence of intellectual perfection that marks man qua animal and leaves him open to chance occurrences and evil A Promotional Write Up The present work places before us the strange position and it must be said a little bit shocking to us of the great Jewish thinker on the question of providence Only the intelligent that is to say the human beings who have effectively actualized their intellects and have come to an accomplished knowledge are considered and personally protected by the Eternal In other

words the traditional piety that is usually asked of the believers by religious authorities is not sufficient This piety is still marked by illusion and does not procure for man the true knowledge of God which is worthy of him The individual ought to overcome pietistic representations in order to open himself to divine truth which is accessible only through knowledge This is what the Book of Job illustrates At the time when the actuality does not cease to present before us the question of the status of religion and the religious within modernity the attempt by Maimonides to articulate these two styles carries an indisputable force of conviction as shown with abundant evidence in the work presented by Modestus Anyaegbu Jean Michel Counet president of the Institut Suprieur de Philosophie Universit Catholique de Louvain Belgium **The Cambridge**

Companion to Maimonides Kenneth Seeskin, 2005-09-12 One aim of this series is to dispel the intimidation readers feel when faced with the work of difficult and challenging thinkers Moses ben Maimon also known as Maimonides 1138 1204 represents the high point of Jewish rationalism in the middle ages He played a pivotal role in the transition of philosophy from the Islamic East to the Christian West His greatest philosophical work The Guide of the Perplexed had a decisive impact on all subsequent Jewish thought and is still the subject of intense scholarly debate An enigmatic figure Maimonides continues to defy simple attempts at classification The twelve essays in this volume offer a lucid and comprehensive treatment of his life and thought They cover the sources on which Maimonides drew his contributions to philosophy theology jurisprudence and Bible commentary as well as his esoteric writing style and influence on later thinkers *Converts, Heretics, and Lepers* James Arthur Diamond, 2007 James Diamond s new book consists of a series of studies addressing Moses Maimonides 1138 1204 appropriation of marginal figures lepers converts heretics and others normally considered on the fringes of society and religion Each chapter focuses on a type or character that in Maimonides hands becomes a metaphor for a larger more substantive theological and philosophical issue Diamond offers a close reading of key texts such as the Guide of the Perplexed and the Mishneh Torah demonstrating the importance of integrating Maimonides legal and philosophical writings Converts Heretics and Lepers fills an important void in Jewish studies by focusing on matters of exegesis and hermeneutics as well as philosophical concerns Diamond s alternative reading of central topics in Maimonides suggests that literary appreciation is a key to deciphering Maimonides writings in particular and Jewish exegetical texts in general Converts Heretics and Lepers is a very sophisticated exploration of Maimonidean religious philosophy Although there have been numerous studies on Maimonides perhaps more than any other Jewish thinker James Diamond manages to approach the master from fresh perspectives The result is a stunningly lucid and deep engagement with Maimonides Elliot Wolfson Abraham Lieberman Professor of Hebrew and Judaic Studies New York University A series of extraordinarily close readings of core texts of Maimonides readings which illuminate the delicate interplay of philosophical and religious ideas in Maimonides In his previous work Diamond convincingly illustrated the way in which Maimonides carefully chooses subtly interprets and circumspectly weaves together rabbinic materials to address philosophers and talmudists alike each in their

own idiom This book is a further expression of Diamond's mastery of this intricate methodology and is a work to be studied and re-studied All students of Maimonides are in his debt Menachem Kellner University of Haifa James Diamond's book about Maimonides is a welcome addition to the regular stream of books about the thinker Jews have rightly called the great eagle His unique contribution to the Maimonidean literature is to show that the true Jewish philosopher like Maimonides is always an outsider in ordinary Jewish thought and he is thus uniquely able to appreciate and explicate what Jews and other worshipers of the One God have to learn from other outsiders like himself David Novak J Richard and Dorothy Shiff Professor of Jewish Studies University of Toronto Progressive Minds, Conservative Politics Aryeh Tepper,2013-12-01 Compelling account of Strauss's mature Maimonidean writings Leo Strauss 1899-1973 one of the preeminent political philosophers of the twentieth century was an astute interpreter of Maimonides's medieval masterpiece The Guide of the Perplexed In Progressive Minds Conservative Politics Aryeh Tepper overturns the conventional view of Strauss's interpretation and of Strauss's own mature thought According to the scholarly consensus Strauss traced the well-known contradictions in the Guide to the fundamental tension in Maimonides's mind between reason and revelation going so far as to suggest that while the Jewish philosopher's overt position was religiously pious i.e. on the side of Jerusalem secretly he was on the side of reason or Athens In Tepper's analysis Strauss's judgments emerge as much more complex than this and also more open to revision In his later writings Tepper shows Strauss pointed to contradictions in Maimonides's thought not only between but also within both Jerusalem and Athens Moreover Strauss identified and identified himself with an esoteric Maimonidean teaching on progress progress within the Bible beyond the Bible and even beyond the rabbinic sages Politically a conservative thinker Strauss like Maimonides located man's deepest satisfaction in progressing in the discernment of the truth In the fullness of his career Strauss thus pointed to a third way beyond the modern alternatives of conservatism and progressivism **Leo Strauss and the Rediscovery of Maimonides** Kenneth Hart Green,2013-05-16 In Leo Strauss and the Rediscovery of Maimonides Kenneth Hart Green explores the critical role played by Maimonides in shaping Leo Strauss's thought In uncovering the esoteric tradition employed in Maimonides's Guide of the Perplexed Strauss made the radical realization that other ancient and medieval philosophers might be concealing their true thoughts through literary artifice Maimonides and al Farabi he saw allowed their message to be altered by dogmatic considerations only to the extent required by moral and political imperatives and were in fact avid advocates for enlightenment Strauss also revealed Maimonides's potential relevance to contemporary concerns especially his paradoxical conviction that one must confront the conflict between reason and revelation rather than resolve it An invaluable companion to Green's comprehensive collection of Strauss's writings on Maimonides this volume shows how Strauss confronted the commonly accepted approaches to the medieval philosopher resulting in both a new understanding of Maimonides and a new depth and direction for his own thought It will be welcomed by anyone engaged with the work of either philosopher Maimonides's Yahweh Amy Karen Downey,2019-03-20 The life of

Moshe ben Maimon Maimonides remains a mystery to many within evangelical Christianity. However, he is lauded as a second Moses by many within modern Judaism. Does he deserve that title? Maimonides's *via negativa* created a rationale for rejecting the messiahship claims of Jesus in Rabbinic Judaism. Therefore, this book seeks to illustrate that Maimonides, in his desire to create an anti-Christian apologetic regarding the incarnation, fashioned a Judaism that does not reflect the truths of the Tanakh, Old Testament, and developed a Judaism that was untenable for the Jewish people of the twenty-first century. Many Jewish people today are turning in a thousand and one different directions for spiritual answers but not in the only way that will offer the way to God: Jesus of Nazareth. John 14:6. This work examines the history of Maimonides, his teachings, and an apologetic approach to bring the gospel back to the Jewish people. Rom 1:16.

Maimonides' Hidden Torah Commentary -- Volume 1 - Genesis

Michael Leo Samuel, 2022-09-20

The epitaph on Maimonides's tombstone reads: "From Moses the prophet to Moses there was none like Moses." Maimonides. The name Moses Maimonides (1138-1204) is an acronym for his Hebrew name Moses ben Maimon. For centuries, yeshiva scholars and students alike affectionately refer to him by the epithet the Rambam. Just as the original Moses became the founder of the religion of ancient Israel, Moses Maimonides redefined Judaism for the future generations more so than any other Judaic thinker or Halakhic scholar who came before or after him. Modern Judaism owes its conceptual and legal foundations to this remarkable thinker. This remarkable person occupies a rare position in the annals of Jewish history and is widely considered as one of the greatest Jewish thinkers and philosophers who ever lived. Maimonides's stature reached almost mythic proportions. Jews of all modern religious persuasions, from the ultra-liberal to the Haredi branches of Orthodoxy, each claim Maimonides as their patron hero. Both Christian and Islamic thinkers held Maimonides in high regard. I have been impressed with the writings of Rabbi Michael Leo Samuel ever since I read his first book on Philo. I enjoyed the comprehensive nature of his writings and the many insights in his books. I liked that he described Philo's views in an easy-to-read manner and compared Philo's views with those of many ancient and modern writers. Since that time, I wrote six reviews of his Philo books and praised them all. There is much in them that will interest and teach both scholars and readers who had no idea beforehand about this first-century philosopher or just a little information about him. Reading Rabbi Samuel's books will introduce readers to a large number of Philo's ideas, those of other thinkers on the ideas including the Talmuds and Midrashim, and about philosophy and Judaism generally. Thus, when Rabbi Samuel asked me to write the Foreword to his first book on Maimonides, I was very pleased to accept his offer both out of respect for his scholarship and because I wrote many books and articles on Maimonides myself.

Rabbi Dr. Israel Drazin — Rabbi Michael Leo Samuel is the son of a Holocaust survivor. He holds two rabbinic ordinations from the Tomchei Temimim Lubavitch Yeshiva of 770 Eastern Parkway, Brooklyn, and holds a D.Min. degree from the San Francisco Theological Seminary. He is an avid student of the Greek classics, Biblical and Talmudic scholarship, Jungian Psychology, Western Medieval Theology, Modern Philosophy, and 20th-century psychology. He is the

author of *The Lord Is My Shepherd The Theology of the Caring God* 1996 *Birth and Rebirth Through Genesis* 2010 *A Shepherd's Song Psalm 23 and the Shepherd Metaphor In Jewish Thought* 2014 and *Rediscovering Philo of Alexandria A First Century Jewish Commentator Volumes 1-5* 2014-2018 [Philosophic Classics: From Plato to Derrida](#) Forrest Baird, 2016-05-23 First published in 1961 Forrest E Baird's revision of *Philosophic Classics* continues the tradition of providing generations of students with high quality course material Using the complete works or where appropriate complete sections of works this anthology allows philosophers to speak directly to students Esteemed for providing the best available translations *Philosophic Classics From Plato to Derrida* features complete works or complete sections of the most important works by the major thinkers as well as shorter samples from transitional thinkers [Philosophic Classics, Volume II: Medieval and Renaissance Philosophy](#) Forrest E. Baird, 2023-04-28 Esteemed for providing the best available translations *Philosophic Classics Ancient Philosophy* features complete works or complete sections of the most important works by the major thinkers as well as shorter samples from transitional thinkers First published in 1961 Forrest E Baird's revision of *Philosophic Classics* Pearson Education's long standing anthology available in split volumes continues the tradition of providing generations of students with high quality course material Using the complete works or where appropriate complete sections of works this anthology allows philosophers to speak directly to students For more information on the main combined anthology or the additional period volumes please see below *Philosophic Classics From Plato to Derrida* 6 E ISBN 10 0205783864 *Philosophic Classics Volume I Ancient Philosophy* 6 E ISBN 10 0205783856 *Philosophic Classics Volume III Modern Philosophy* 6 E ISBN 10 0205783899 **Abraham Abulafia's Esotericism** Moshe Idel, 2020-10-12 The series *Studies and Texts in Scepticism* contains monographs translations and collected essays exploring scepticism in its dual manifestation as a purely philosophical tradition and as a set of sceptical strategies concepts and attitudes in the cultural field especially in religions perhaps most notably in Judaism In such cultural contexts scepticism manifests as a critical attitude towards different dimensions and systems of secular or revealed knowledge and towards religious and political authorities It is not merely an intellectual or theoretical worldview but a critical form of life that expresses itself in such diverse phenomena as religion literature and society Further book series of the Maimonides Centre for Advanced Studies are *Jewish Thought Philosophy and Religion* and the *Yearbook of the Maimonides Centre for Advances Studies* *An Analysis of Moses Maimonides's Guide for the Perplexed* Mark Scarlata, 2021-12-24 Written by the great medieval Jewish philosopher Maimonides *The Guide of the Perplexed* attempts to explain the perplexities of biblical language and apparent inconsistencies in the text in the light of philosophy and scientific reason Composed as a letter to a student *The Guide* aims to harmonize Aristotelian principles with the Hebrew Bible and argues that God must be understood as both unified and incorporeal Engaging both contemporary and ancient scholars Maimonides fluidly moves from cosmology to the problem of evil to the end goal of human happiness His intellectual breadth and openness makes *The Guide* a lasting model of creative

synthesis in biblical studies and philosophical theology Philosophy and Leadership Łukasz Sułkowski, Zdzisława Dacko-Pikiewicz, Katarzyna Szczepańska-Woszczyna, 2024-05-13 Philosophy and Leadership is an ambitious exploration of leadership's philosophical underpinnings from antiquity to the AI-driven future. The book journeys through history, gleaned insights from eminent philosophers, and contextualizing their teachings to leadership. The book's foundational premise lies in the symbiosis of philosophy and leadership. Philosophy provides the 'why' that drives the practices and decisions in leadership. This intricate connection is unfolded from the teachings of Confucius on virtue and ethics to the contemporary dialogues of Judith Butler on leadership identity. The book also delves into the evolution of leadership concepts through various eras: medieval times highlighting religious and scholastic perspectives; the Renaissance juxtaposing Machiavellian pragmatism with More's utopian ideals; and the Enlightenment era underscoring the importance of duty, skepticism, and rationality. An exciting aspect of the narrative is the amalgamation of evolution and leadership. By drawing parallels between Darwin's natural selection and leadership dynamics or Bergson's vitalism and intuitive leadership, the authors present a merger of biological evolution with leadership's ever-evolving paradigms. Finally, the concluding chapters reside in envisioning the future and reflect upon the impending synergy between AI and leadership. They emphasize the importance of amalgamating philosophical wisdom with the promises and challenges brought about by AI. The book will guide readers from the philosophical epochs of yore to the AI-predicted leadership paradigms of the future. By intertwining the enduring wisdom of philosophers with the dynamic nature of leadership, this book serves as a beacon for anyone aspiring to lead in any era. The Open Access version of this book is available at www.taylorfrancis.com and has been made available under a Creative Commons Attribution Non-Commercial No Derivatives 4.0 license.

The Jews of Provence and Languedoc Ram Ben-Shalom, 2024-05-08 This exhaustive history of Provençal Jewry examines the key aspects of Jewish life in Provence over some 1,500 years of cultural florescence with far-reaching consequences. A seminal examination of the crucial role of the Jews of Provence in shaping medieval Jewish culture in the Mediterranean basin.
