On Moral Grounds Norma Haan, Eliane Aerts, Bruce A. B. Cooper, 1985-01-01 *On moral grounds* A. Nicholas Fargnoli, 1991 On Moral Grounds Allan Gaw, Michael H. J. Burns, 2011 **Interactional Morality** Mark L. Poorman, 1993-06-01 Poorman brings together ethics and pastoral practice in an interactional model that captures the distinctive character of Christian pastoral counseling His work is especially important in a culture that often confuses pastoral counseling with therapy It also challenges traditional notions which portray the pastoral minister as an instructor who dispenses the church's moral teaching Poorman distinguishes the pastoral task from that of therapist or teacher while drawing on the best resources of contemporary psychology and moral development theories he brings moral theology into lively conversation with pastoral experience at the same time his clear presentation brings a critical method of moral discernment to Christian ministry which is rooted in faith and the wisdom of the community Two introductory lectures to two courses of lectures on moral philosophy, delivered in 1839 and 1841 William Whewell, 1841 **Real Rights** Carl Wellman, 1995 7 Conflicts of Rights *Motion-picture Films (compulsory Block and Blind Selling)* United States. Perspectives on Morality and Human Well-Being Syed Nawab Haider Naqvi, 2016-07-04 This book explores in detail the proposition that private morality especially religious morality is vital for achieving economic well being and human happiness and that this linkage would be even stronger in an Islamic economy The book highlights the need for an active interaction between religion morality and economics in general and in an idealized Islamic economy in particular Professor Syed Nawab Haider Naqvi has an MA from Yale University and a PhD from Princeton University He did his post doctoral work at Harvard University

Social Ethics in the Making Gary Dorrien, 2010-12-13 In the early 1880s proponents of what came to be called the social gospel founded what is now known as social ethics This ambitious and magisterial book describes the tradition of social ethics one that began with the distinctly modern idea that Christianity has a social ethical mission to transform the structures of society in the direction of social justice Charts the story of social ethics the idea that Christianity has a social ethical mission to transform society from its roots in the nineteenth century through to the present day Discusses and analyzes how different traditions of social ethics evolved in the realms of the academy church and general public Looks at the wide variety of individuals who have been prominent exponents of social ethics from academics and self styled public intellectuals through to pastors and activists Set to become the definitive reference guide to the history and development of social ethics Recipient of a CHOICE Outstanding Academic Title for 2009 award

Public or Private Goods? Brigitte Unger, Daan van der Linde, Michael Getzner, 2017-03-31 The book explores the core public tasks that the state has traditionally provided but which increasingly are being privatized and subsumed by the private sector The night watchman state role of providing security is instead offered by private prisons and security guards Legitimized by the argument of

efficiency gains social security including public housing pensions unemployment insurance and health care are all being gradually privatized This book argues that on the basis of efficiency morality and equality there is still an overwhelming need for public intervention the res publica Although the state still funds and regulates core domains it provides fewer and fewer visible goods The authors show how this apparent invisibility of the state presents serious challenges for both income equality and democracy

Politics of Culture and the Spirit of Critique Seyla Benhabib, 2011 This book of tightly woven dialogues engages prominent thinkers in a discussion about the role of culture broadly construed in contemporary society and politics Faced with the conceptual inflation of the notion of culture which now imposes itself as an indispensable issue in contemporary moral and political debates these dynamic exchanges seek to rethink culture and critique beyond the schematic models that have often predominated such as the opposition between mainstream multiculturalism and the clash of civilizations Prefaced by an introduction relating current cultural debates to the critical theory tradition this book examines the politics of culture and the spirit of critique from three different vantage points To begin Gabriel Rockhill and Alfredo Gomez Muller provide a stage setting dialogue followed by discussions with two major representatives of contemporary critical theory Seyla Benhabib and Nancy Fraser Working at the horizons of this tradition Judith Butler Immanuel Wallerstein and Cornel West then provide important critical perspectives on cultural politics The book's concluding section engages with Michael Sandel and Will Kymlicka who work out of the Rawlsian tradition yet are uniquely concerned with the issue of culture broadly understood The epilogue an interview with Axel Honneth returns to the core issue of critical theory in cultural politics Ranging from recent developments and progressive interventions in critical theory to dialogues that incorporate its insights into larger discussions of social and political philosophy this book sharpens old critical tools while developing new strategies for rethinking the role of culture in contemporary society

Lectures on the History of Moral and Political Philosophy Jonathan Wolff, Gerald A. Cohen, 2013-10-27 Previously unpublished writings from one of the most important political philosophers of recent times G A Cohen was one of the leading political philosophers of recent times He first came to wide attention in 1978 with the prize winning book *Karl Marx's Theory of History: A Defence* In subsequent decades his published writings largely turned away from the history of philosophy focusing instead on equality freedom and justice However throughout his career he regularly lectured on a wide range of moral and political philosophers of the past This volume collects these previously unpublished lectures Starting with a chapter centered on Plato but also discussing the pre Socratics as well as Aristotle the book moves to social contract theory as discussed by Hobbes Locke and Hume and then continues with chapters on Kant Hegel and Nietzsche The book also contains some previously published but uncollected papers on Marx Hobbes and Kant among other figures The collection concludes with a memoir of Cohen written by the volume editor Jonathan Wolff who was a student of Cohen's A hallmark of the lectures is Cohen's engagement with the thinkers he discusses Rather than simply trying to render their thought accessible to the modern reader he tests whether

their arguments and positions are clear sound and free from contradiction Throughout he homes in on central issues and provides fresh approaches to the philosophers he examines Ultimately these lectures teach us not only about some of the great thinkers in the history of moral and political philosophy but also about one of the great thinkers of our time Cohen himself
