On My Way Home I Bumped into God Raymond J. Golarz, Marion J. Golarz, 2016-11-10 In this book the authors use stories to take you on a journey that explores the strategies God uses to ensure that we come His way The stories are often gentle portraying for example the innocence that can occur only in childhood or the pure joy that is experienced when a child recovering from a brain tumor comes home to stay But the stories can also be graphically disturbing as is seen in the description of a factory co worker whose arm is crushed in a massive press or the horrific depiction of the senseless beating of an adolescent child However all the stories will show how God acts directly or indirectly in our lives As you read you will see God's unexpected presentation of Himself in the form of a Chicago beggar and His warm presence in the eyes of a younger brother Other stories reveal that God never gives up on us placing in our lives people who teach us about the strength wisdom compassion and courage needed to love and finally come home to Him Unlike what some of us may have been taught about a God of vengeance and power this book focuses upon a God of compassion and boundless love and upon the patient heart of the Father aching for response the Lover who without reciprocation continues to love Chapter after chapter examples are given to show how God is constantly sweeping and making clear our path to Him From the time of our birth we are all on our journey home In the opinion of the authors those nudges and bumps we feel on the way are never accidental They are the prodding and pushing of a God who simply refuses to let us go a God who is the consummate lover

Can't Find My Way Home Martin Torgoff, 2004-05-13 Can't Find My Way Home

is a history of illicit drug use in America in the second half of the twentieth century and a personal journey through the drug experience It s the remarkable story of how America got high the epic tale of how the American Century transformed into the Great Stoned Age Martin Torgoff begins with the avant garde worlds of bebop jazz and the emerging Beat writers who embraced the consciousness altering properties of marijuana and other underground drugs These musicians and writers midwifed the age of marijuana in the 1960s even as Timothy Leary and Richard Alpert later Ram Dass discovered the power of LSD ushering in the psychedelic era While President John Kennedy proclaimed a New Frontier and NASA journeyed to the moon millions of young Americans began discovering their own new frontiers on a voyage to inner space What had been the province of a fringe avant garde only a decade earlier became a mass movement that affected and altered mainstream America And so America sped through the century dropping acid and eating magic mushrooms at home shooting heroin and ingesting amphetamines in Vietnam snorting cocaine in the disco era smoking crack cocaine in the devastated inner cities of the 1980s discovering MDMA Ecstasy in the rave culture of the 1990s Can t Find My Way Home tells this extraordinary story by weaving together first person accounts and historical background into a narrative vast in scope yet rich in intimate detail Among those who describe their experiments with consciousness are Allen Ginsberg Timothy Leary Robert Stone Wavy Gravy Grace Slick Oliver Stone Peter Coyote David Crosby and many others from Haight Ashbury to Studio 54 to housing projects and rave warehouses But Can t Find My Way Home does not neglect the recovery movement the war on drugs and the ongoing debate over drug policy And even as Martin Torgoff tells the story of his own addiction and recovery he neither romanticizes nor demonizes drugs If he finds them less dangerous than the moral crusaders say they are he also finds them less benign than advocates insist Illegal drugs changed the cultural landscape of America and they continue to shape our country with enormous consequences This ambitious fascinating book is the story of how that happened Finding My Way Home Nicholas Lyerly, 2016-10-24 We may not always know where God is leading us and like the prodigal son we can often be led astray So how do we find our way back When Nick Lyerly received his call to the ministry he was already settled with a family and a promising career But even though answering the call would bring insurmountable challenges he could not deny his true purpose However the road to Nicks dream of becoming a Methodist minister would be paved with hardship In Finding My Way Home author and pastor Nick Lyerly shares his story of overcoming in the face of struggle hardship and disappointment During his early years Nicks family was struck by tragedy and he became a rebellious youth acting out in ways that would constantly haunt him In spite of this Nick grew to be devout Christian who would hear the call from God Nicks faith and marriage would be put to the test while he attended seminary for four years away from his wife and son but he remained steadfast Yet even as he fulfils this call and ministers his own church an unforeseen event would threaten his career before it had even begun Was this part of Gods plan Even though our lives may not always turn out the way we plan God can provide us with peace and joy through all the soul searching frustration and indecision Join Nick on his remarkable

journey of self discovery and redemption as he finds his way back home to God **Finding My Way Home** Reddy Suzwe,2010-03 I had asked the ultimate question what is Life before and so now my prayers were being answered I was about to find out for myself Never imagined this is how God was going to capture my heart but he did and so the journey begun This provided insight on how God healed my broken heart as he mended and repaired my being At first it felt like I went in for an open heart surgery and I was not on any medication so every single thing that was touched on I really felt it As painful as some of the things done to me in the past felt I came to understand that was the reason why my Lord was there so I chose to allow Him into my life for healing to begin It was in Him to give and so a new heart was provided for me to be able to live pain free As I accepted the gift I was given I felt the heart beat like never before A tear drop rolled down my cheek and I knew I was transformed I came to find out it was new life in me I was coming out a new person a new being who was no longer conformed to the world but renewed enlightened enriched I woke up and realized I was no longer sleeping beauty as I got the awakening To me that was healing from the house of heaven I was now free from heartache no longer day dreaming but living the dream The documentary touches on life experiences and showcases a woman s journey as she worked to free herself from oppression rebuilding her life to make it out of the wilderness alive It turned out to be a journey of a lifetime
