Behind the Wire Philip Kaplan,2013-01-19 Philip Kaplan presents us here with a riveting account of the Allied experience behind enemy lines detailing the trials and tribulations experienced by the British and American airmen who were shot down in European skies during World War Two to be incarcerated behind the wire in enemy camps With eloquence and a clear enthusiasm for the subject at hand the author describes how various individuals adjusted to their incarceration Whilst some set their minds resolutely on escape and dreamt up plots and plans to achieve this end others retreated away from their comrades and into themselves as the grim reality of their predicament pushed them ever deeper into debilitating depression Others were determined that they would not waste their time affected by the quick and brutal deaths they had witnessed during their wartime careers they were unwilling to sit idle Theatres recreational areas and other camp facilities were designed and built a creative spur that made their time behind the wire and the quality of life of their fellow comrades infinitely more bearable These small acts of enterprising heroism alongside the harrowing tales of those who crumpled under the weight of their prison reality combine to create a complete picture of this collective experience Kaplan s skill lies in informing the reader of the facts of this history with both honesty and reverence

The Englishman Nina Lewis,2013-05-07 Anna has landed her dream job as an Assistant Professor of English literature at a prestigious college in the South Instead of charging ahead with her career however she is confronted by hurdles pitfalls and mysteries Why does no one restrain the demented hoarder who secretly uses her office as his private storeroom Who is responsible for her sudden loss in salary What is behind the vandalism in her department Is it a personal attack against her irreverent and somewhat unconventional teaching style Professor Giles Cleveland is supposed to mentor her in all this but he s arrogant sardonic condescending disconcertingly

attractive and Anna keeps reminding herself as the temptation to start a kamikaze affair with him becomes overwhelming absolutely out of bounds Anna and Giles grow increasingly reckless and it is only a matter of time before they will be caught and Annas career will crash and burn But when the crash comes it s worse than Anna imagined And far better than she could have dreamed **My Journey Through Life** Loretta Hall,2013-01-10 Back Cover Oh may all my family who come behind

Congress,1945 **The Prison Memoirs of a Japanese Woman** Fumiko Kaneko,1991-07 Kaneko Fumiko 1903 1926 wrote this memoir while in prison after being convicted of plotting to assassinate the Japanese emperor Despite an early life of misery deprivation and hardship she grew up to be a strong and independent young woman When she moved to Tokyo in 1920 she gravitated to left wing groups and eventually joined with the Korean nihilist Pak Yeol to form a two person nihilist organization Two days after the Great Tokyo Earthquake in a general wave of anti leftist and anti Korean hysteria the authorities arrested the pair and charged them with high treason Defiant to the end she hanged herself in prison on July 23 1926 Kaneko Fumiko wrote this memoir as an indictment of the society that oppressed her the family that abused and neglected her and the imperial system that drove her to her death **Letters from Windermere, 1912-1914** R. Cole Harris,Elizabeth Phillips,2011-11-01 Written primarily by

Daisy Phillips with a few by her husband Jack to her family in England these letters describe the creation of a shortlived English home in the Windermere Valley of southwestern British Columbia Not given to introspection Daisy registers her immediate and frank reactions to her new environment and startling new way of life From her letters we learn of the experiences of the Phillips and their neighbours in settling the newly opened land and of their attempts to grow fruit in an area with limited agricultural potential The contrast between middle class British mores and those of Canadian pioneer society largely classless and multi ethnic in character was to Daisy a challenge to be overcome Requests to England brought in return a flood of British consumer goods which helped her to duplicate in her dress and household furnishings the more cultivated surroundings and manners of home While such affectations seemed incongruous in a frontier setting Daisy learned to work to maintain them and mastered tasks unknown in England to one of her station Between her first request for a pamphlet on laundering handkerchiefs and her departure less than three years later she learned to cook on a wood stove sew clean house and wash clothes without running water or servants There is also evidence that prior to their abrupt return to England at the outbreak of war the cultural barriers were breaking down as the Phillips became more involved in sharing the experience of being pioneer Canadians Jack s early death on the battlefield gives Daisy s letters an added poignancy Not only do they constitute a valuable historical document but they also convey with simple directness the story of a happy marriage of the intersection of an English dream with the Windermere Valley and something of the story of all immigrants to any new settlement in Western Canada *The Good Egg* Marie Simmons,2006-04 The author of Lighter Quicker Better turns her
