On Nietzsche

Richard White

On Nietzsche:

On Nietzsche Georges Bataille, 2015-09-23 A poetic philosophical and political account of Nietzsche's importance to Bataille and of Bataille's experience in Nazi occupied France. Georges Bataille wrote *On Nietzsche* in the final months of the Nazi occupation of France in order to cleanse the German philosopher of the stain of Nazism. More than merely a treatise on Nietzsche, the book is as much a work of ethics in which thought is put to the test of experience and experience pushed to its limits. At once personal and political, it was written as an act of war, its publication contingent upon the German retreat. The result is a poetic and philosophical and occasionally harrowing record of life during wartime. Following *Inner Experience* and *Guilty*, *On Nietzsche* is the third volume of Bataille's *Summa Atheologica*. Haunted by the recognition that existence cannot be at once autonomous and viable, herein the author yearns for community from the depths of personal isolation and transforms Nietzsche's will to power into his own will to chance. This new translation includes *Memorandum*, a selection of 280 passages from Nietzsche's works edited and introduced by Bataille. Originally published separately, Bataille planned to include the text in future editions of *On Nietzsche*. This edition also features the full notes and annotations from the French edition of Bataille's *Oeuvres Complètes* as well as an incisive introductory essay by Stuart Kendall that situates the work historically, biographically, and philosophically.

Agonal Perspectives on Nietzsche's Philosophy of Critical Transvaluation

Herman W. Siemens, 2021-11-08 Nietzsche's strengths as a critic are widely acknowledged, but his peculiar style of critique is usually ignored as rhetoric or dismissed as violent or simply incoherent. In this book, Nietzsche's concept of the agon or *Wettkampf*, a measured and productive form of conflict inspired by ancient Greek culture, is advanced as the dynamic and organising principle of his philosophical practice, enabling us to make sense of his critical confrontations and the much disputed concept of transvaluation or *Umwertung*. Agonal perspectives are cast on a number of key problems in his thought across a broad range of texts. Topics and problems treated include critical history and the need for a limit in the negation of the past; Nietzsche contra Socrates and the problem of closure; Nietzsche contra humanism and the problem of humanity; Nietzsche contra Kant on genius and legislation; the problem of self-legislation in relation to life and temporality; Nietzsche's sense of community in its articulation with law and the normativity of taste; resentment and the question of therapy in Nietzsche and Freud; and the problem of total affirmation in relation to critique. These studies have a broad appeal from MA level to advanced Nietzsche research.

Leo Strauss on Nietzsche's Thus Spoke Zarathustra

Leo Strauss, 2022-12-22 Although Leo Strauss published little on Nietzsche, his lectures and correspondence demonstrate a deep critical engagement with Nietzsche's thought. One of the richest contributions is a seminar on Nietzsche's *Thus Spoke Zarathustra*, taught in 1959 during Strauss's tenure at the University of Chicago. In the lectures, Strauss draws important parallels between Nietzsche's most important project and his own ongoing efforts to restore classical political philosophy. With *Leo Strauss on Nietzsche's Thus Spoke Zarathustra*, eminent Strauss scholar Richard L. Velkley presents Strauss's lectures on *Zarathustra* with superb

annotations that bring context and clarity to the critical role played by Nietzsche in shaping Strauss's thought. In addition to the broad relationship between Nietzsche and political philosophy, Strauss adeptly guides readers through Heidegger's confrontations with Nietzsche, laying out Heidegger's critique of Nietzsche's will to power while also showing how Heidegger can be read as a foil for his own reading of Nietzsche. The lectures also shed light on the relationship between Heidegger and Strauss as both philosophers saw Nietzsche as a central figure for understanding the crisis of philosophy and Western civilization. Strauss's reading of Nietzsche is one of the important yet little appreciated philosophical inquiries of the past century, both an original interpretation of Nietzsche's thought and a deep engagement with the core problems that modernity posed for political philosophy. It will be welcomed by anyone interested in the work of either philosopher.

Jung's Seminar on Nietzsche's Zarathustra James L. Jarrett, 2020-06-16 Nietzsche's infamous work *Thus Spoke Zarathustra* is filled with a strange sense of religiosity that seems to run counter to the philosopher's usual polemics against religious faith. For some scholars, this book marks little but a mental decline in the great philosopher. For C. G. Jung, *Zarathustra* was an invaluable demonstration of the unconscious at work, one that illuminated both Nietzsche's psychology and spirituality and that of the modern world in general. The original two-volume edition of Jung's lively seminar on Nietzsche's *Zarathustra* has been an important source for specialists in depth psychology. This new abridged paperback edition allows interested readers to participate with Jung as he probes the underlying meaning of Nietzsche's great work.

Nietzsche Richard White, 2018-01-18 This title was first published in 2002. Nietzsche described himself as a godless anti-metaphysician. These writings encourage the student to question any reading that fails to address Nietzsche's sense of irony with respect to his own philosophical claims. The anthology includes the best recent writings on Nietzsche. It covers all the main themes of Nietzsche's philosophy and pays particular attention to Nietzsche's discussion of value and the need for a re-evaluation of values, his critique of metaphysics and the problem of knowledge, and his account of art and politics.

Nietzsche, Genealogy, Morality Richard Schacht, 2023-04-28 Written at the height of the philosopher's intellectual powers, Friedrich Nietzsche's *On the Genealogy of Morals* has become one of the key texts of recent Western philosophy. Its essayistic style affords a unique opportunity to observe many of Nietzsche's persisting concerns coming together in an illuminating constellation. A profound influence on psychoanalysis, antihistoricism, and poststructuralism, and an abiding challenge to ethical theory, Nietzsche's book addresses many of the major philosophical problems and possibilities of modernity. In this unique collection focusing on the *Genealogy*, twenty-five notable philosophers offer diverse discussions of the book's central themes and concepts. They explore such notions as ressentiment, asceticism, slave and master moralities, and what Nietzsche calls genealogy and its relation to other forms of inquiry in his work. The book presents a cross-section of contemporary Nietzsche scholarship and philosophical investigation that is certain to interest philosophers, intellectual and cultural historians, and anyone concerned with one of the master thinkers of the modern age. This title is part of UC Press's Voices

Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1994 Written at the height of the philosopher's intellectual powers Friedrich Nietzsche's *On the Genealogy of Morals* has become one of the key texts of recent Western philosophy Its essayistic style affords a unique opportunity to observe many of Niet Leo Strauss on Nietzsche's "Thus Spoke Zarathustra" Leo Strauss, 2017-11-27 With Leo Strauss on Nietzsche's *Thus Spoke Zarathustra* eminent Strauss scholar Richard L Velkley presents Strauss's lectures on Zarathustra with superb annotations that bring context and clarity to the critical role played by Nietzsche in shaping Strauss's thought In addition to the broad relationship between Nietzsche and political philosophy Strauss adeptly guides readers through Heidegger's confrontations with Nietzsche laying out Heidegger's critique of Nietzsche's will to power while also showing how Heidegger can be read as a foil for his own reading of Nietzsche The lectures also shed light on the relationship between Heidegger and Strauss as both philosophers saw Nietzsche as a central figure for understanding the crisis of philosophy and Western civilization **The Flesh of Being** David Ross, 2008-12-18 The text is a conversation between the author and himself mediated by the text of Friedrich Nietzsche's *Thus Spoke Zarathustra* The text is a pre-text a reading both before and after that frames the art work What is that Let us say in the spirit of inquiry that of knowing thyself What then of this strange hyphenation The present text is a pre-text because it is before the Text the text which the author is always writing but which manifests itself in sporadic impulsive bursts in the form of actual works The book is the pre-text because it is an excuse a rationale a piece of pretension The book is not about Nietzsche but what it is for someone to read Nietzsche's text a book for everyone and no one How then does one read a book meant for oneself if oneself is everyone and not at all for oneself if oneself is none Or is it that the real task of reading is for the reader to read what reading is Then again need one distinguish between book and text Perhaps it is impossible to read a book such as *Thus Spoke Zarathustra* without invoking the text or even sub-text that continually slips away If one can read a book one cannot the text for this reason the text is what the reader has to write through the reading This has been my experience with Nietzsche's text an experience I share with my readers The very possibility of reading invokes the need to re-write the text Only in the space between reading and writing can the reader re-writer hope to stand and understand the discursive grounds Is that the play which this couplet performs There does not the reader enters upon the playground Read then and play The author's thanks go to Mr Andrew Fuyarchuk for the fine editing job that he did His contribution allowed further clarifications of the argument *Simply Nietzsche* Peter Kail, 2019-12-10 This is the best introductory text on Nietzsche in English German or French and in three respects it is genuinely introductory without being superficial it reflects good philosophical judgment and it stakes out interesting and plausible hypotheses on some vexed questions of interpretation The writing is also crisp and engaging throughout Brian Leiter Karl N Llewellyn Professor of

Jurisprudence Director of the Center for Law Philosophy and Human Values The University of Chicago Born and raised in a small town in Prussia Friedrich Wilhelm Nietzsche 1844 1900 began his career in philology the study of language and served as a professor at the University of Basel In 1879 he was forced to leave due to health issues which afflicted him throughout his life Supported by his university pension and aided by friends he spent the next decade as an independent author writing the books for which he would become famous including Thus Spake Zarathustra Beyond Good and Evil and On the Genealogy of Morals In 1889 at the age of 44 Nietzsche had a mental breakdown from which he never recovered dying in 1900 Yet in just ten years he produced a body of work that would mark him as one of the most influential philosophers of all time In Simply Nietzsche Professor Peter Kail traces the development of Nietzsche s thought through the various phases of his life Emphasizing the philosopher s critique of modern morality and his revolutionary conception of the self he also discusses key motifs of Nietzsche s thought such as the death of God the will to power and the eternal recurrence Even those who have never read Nietzsche or are unsure of why he s important have heard his name With Prof Kail as a guide Simply Nietzsche provides an unparalleled and accessible introduction to the life and ideas of this most remarkable thinker Nietzsche: A Guide for the Perplexed R. Kevin Hill, 2007-05-24 Continuum s Guides for the Perplexed are clear concise and accessible introductions to thinkers writers and subjects that students and readers can find especially challenging Concentrating specifically on what it is that makes the subject difficult to fathom these books explain and explore key themes and ideas guiding the reader towards a thorough understanding of demanding material Friedrich Nietzsche is one of the best known and most widely read of philosophers whose work and ideas have proved influential to leading figures in all areas of cultural life Yet his ideas are also among the most challenging regularly encountered by students His method and language can seem obscure and oblique forcing the reader to struggle on his or her own and reflecting Nietzsche s desire that his readers form their own answers for themselves Nietzsche A Guide for the Perplexed is a clear and thorough account of Nietzsche s philosophy his major works and ideas providing an ideal guide to the important and complex thought of this key philosopher The book covers the whole range of Nietzsche s work offering a detailed review of his landmark text Thus Spoke Zarathustra together with examination of his early and later work Geared towards the specific requirements of students who need to reach a sound understanding of Nietzsche s thought the book also provides a cogent and reliable survey of the various often profoundly different interpretations of his work and ideas This is the ideal companion to the study of this most influential and challenging of philosophers **Studies on Nietzsche** Peter Heller, 1980 **The Complete Works of Friedrich Nietzsche: On the future of our educational institutions; Homer and classical philology; tr. by J.M. Kennedy. 1909** Friedrich Wilhelm Nietzsche, 1909 **The Complete Works of Friedrich Nietzsche** Friedrich Wilhelm Nietzsche, 1909 **A Companion to Nietzsche** Keith Ansell-Pearson, 2011-08-24 A Companion to Nietzsche provides a comprehensive guide to all the main aspects of Nietzsche s philosophy profiling the most recent research and trends in scholarship Brings

together an international roster of both rising stars and established scholars including many of the leading commentators and interpreters of Nietzsche Showcases the latest trends in Nietzsche scholarship such as the renewed focus on Nietzsche's philosophy of time of nature and of life Includes clearly organized sections on Art Nature and Individuation Nietzsche's New Philosophy of the Future Eternal Recurrence the Overhuman and Nihilism Philosophy of Mind Philosophy and Genealogy Ethics Politics Aesthetics Evolution and Life Features fresh treatments of Nietzsche's core and enigmatic doctrines

Nietzsche on Human Emotions Yunus Tuncel, 2021-11-23 Much has been said on particular feelings that appear in Nietzsche's works such as pity revenge altruism guilt shame and resentment But there has not been a significant study on Nietzsche's overall teachings on feeling and emotion What does Nietzsche mean by feeling and the related phenomena Out of such disparate types of feelings and disparate reflections by Nietzsche on them can one make sense or can one speak of a theory of feelings in Nietzsche If so how does this theory fit with his philosophy of value On the other hand how do his teachings relate to some of the later concepts of his philosophy such as the overhuman the will to power and the eternal return of the same While the book will contextualize Nietzsche's emotive theory in relation to other emotive theories in the history of ideas it will also explore Nietzsche's influence on later generations in this area Although Nietzsche is a brilliant and original philosopher of the emotions and passions there has been to date no concerted attempt to present and examine him as such This admirable study by Yunus Tuncel goes a long way towards meeting this need and is essential reading for all scholars and readers of Nietzsche Keith Ansell Pearson Emeritus Professor of Philosophy University of Warwick It's remarkable there hasn't been a good book on Nietzsche and the emotions until this remarkable work by Yunus Tuncel His insightful discussions range from resentment and Schadenfreude to a crucial emotion in these sad times the feeling of power Graham Parkes University of Vienna Nietzsche's On the Genealogy of Morals Christa Davis Acampora, 2006 This astonishingly rich volume collects the work of an international group of scholars including some of the best known in academia Experts in ethics epistemology philosophy of mind political theory aesthetics history critical theory and hermeneutics bring to light the best philosophical scholarship what is arguably Friedrich Nietzsche's most rewarding but most challenging text Including essays that were commissioned specifically for the volume as well as essays revised and edited by their authors this collection showcases definitive works that have shaped Nietzsche studies alongside new works of interest to students and experts alike Sections are devoted to the topic of genealogy generally numerous essays on specific passages applications of genealogy in later thinkers and the import of Nietzsche's Genealogy in contemporary politics ethics and aesthetics A lengthy introduction annotated bibliography and index make this an extremely useful guide for the classroom and advanced research Heidegger and Jaspers on Nietzsche R.L. Howey, 2012-12-06 GENERAL PROBLEMS IN NIETZSCHE INTERPRETATION Every philosopher presents special problems of interpretation With Nietzsche these problems are especially crucial The very richness of Nietzsche's thought and expression becomes a trap for the incautious or

imaginative mind Perhaps the greatest temptation for the interpreter of Nietzsche is to attempt to systematize his thought into a consistent whole Any such attempt necessarily results in distortion for there is a fluidity in Nietzsche's thought which does not lend itself to strict categorization This is not to deny that there are certain organic patterns in his philosophy These patterns emerge however as Jaspers correctly insists only upon careful critical comparison of pertinent passages drawn from the entire corpus of Nietzsche's works No single passage can be taken as a definitive statement of Nietzsche's views of any particular subject Frequently by presenting two or three especially relevant quotations from the author being considered the correctness of his interpretation With Nietzsche a critic can support his however such a procedure is inadequate for in many cases other passages can be found which will support an alternative if not opposite interpretation Nor is this difficulty alleviated by vast compilations of relevant passages for then one could gain just as much and quite likely more from re-reading Nietzsche's works themselves

On Nietzsche Georges Bataille, 2000 Originally published in France in 1945 and translated for the first time into English this book records the major influence Nietzsche played on Bataille's life and which led him to abandon his Catholic faith Bataille argues against fascist interpretations of Nietzsche expresses his disgust at German anti-Semitism and praises Nietzsche as a prophet

On Nietzsche Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free On Nietzsche PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and

professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free On Nietzsche PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of On Nietzsche free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About On Nietzsche Books

1. Where can I buy On Nietzsche books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
