## On Purim:

On Purim Cathy Goldberg Fishman, 2000 Uses the story of a family's preparations for the Jewish holiday of Purim to explain the traditions connected with this celebration 1900, פורים פורים Purim in a New Light, 2003 The fifty eight chapters of this book were adapted by the author from Rabbi Hutner's writings on Purim Rabbi Hutner's original profound and moving thoughts will transform your Purim experience and open your mind to the deeper meaning of a critical day in the Jewish calendar These rich and penetrating chapters are part history part philosophy part poetry part mysticism and part piercing analysis *The Politics of Purim* Jo Carruthers, 2020-02-06 This book approaches the holiday of Purim as profane freed to human use and ends in order to consider the political legacy of the biblical story of Esther in festival and art works Jo Carruthers explores carnival and synagogue practices the purimshpil Purim's own dramatic genre illuminated Esther scrolls as well as artworks by Botticelli Millais and Jan Steen The complex and astute interrogation of political life in such festival and artworks is analysed through theories of sovereignty law precarity and hospitality by key political thinkers such as Giorgio Agamben Hannah Arendt Walter Benjamin Judith Butler Jacques Derrida and Jacques Rancière Carruthers considers different motifs of boundary conservation and dissolution as a means of contemplating the political implications of Purim and the Esther story for diaspora politics How is sovereignty aspired to and attained by marginalized and threatened communities How can one respond to the ethical call of hospitality to relax sovereign boundaries whilst protecting and celebrating that which is exceptional The practice of giving gifts mishloach manos offers a model of hospitality that together with Purim's profane impulse is epitomized in the final chapter's discussion of a 2018 Brooklyn purimshpil that offers a riotous ridiculing of white supremacist rhetoric norms of domination capitalist inequalities modern slavery and ablest identities and assumptions **The Maccabean**, 1906 *All about Jewish Holidays and Customs* Morris Epstein, 1969 Describes and gives the background of traditional Jewish holidays customs and symbols **Jewish Laws and Customs** Alfred Kingsley Glover, 1900 *PurimBursts II* Sarah Yehudit Schneider, 2010-12-02 Purim becomes the springboard for kabbalistic teachings about the deep secrets of the universe *PurimBursts* Sarah Schneider, 2000 **How to be a Jewish Parent** Anita Diamant, Karen Kushner, 2000 From the bestselling author of *The Red Tent* comes indispensable practical advice for those who wish to build a family and a home imbued with the values and traditions of Judaism *How to Raise a Jewish Child* Anita Diamant, Karen Kushner, 2008-08-26 From the New York Times bestselling author of *The Red Tent* a classic parenting book that combines insights from Jewish tradition with contemporary thinking about how children learn and grow In this updated edition you will discover the practices customs and values that go into creating a Jewish home and raising joyful children within the rich traditions of Judaism The Roots of Theatre Eli Rozik, 2005-04 The topic of the origins of theatre is one of the most controversial in theatre studies with a long history of heated discussions and strongly held positions In *The Roots of Theatre* Eli Rozik enters the debate in a feisty way offering not just another challenge to those

who place theatre's origins in ritual and religion but also an alternative theory of roots based on the cultural and psychological conditions that made the advent of theatre possible. Rozik grounds his study in a comprehensive review and criticism of each of the leading historical and anthropological theories. He believes that the quest for origins is essentially misleading because it does not provide any significant insight for our understanding of theatre. Instead, he argues that theatre like music or dance is a *sui generis* kind of human creativity, a form of thinking and communication whose roots lie in the spontaneous image-making faculty of the human psyche. Rozik's broad approach to research lies within the boundaries of structuralism and semiotics but he also utilizes additional disciplines such as psychoanalysis, neurology, sociology, play and game theory, science of religion, mythology, poetics, philosophy of language and linguistics. In seeking the roots of theatre, what he ultimately defines is something substantial about the nature of creative thought, a rudimentary system of imagistic thinking and communication that lies in the set of biological, primitive and infantile phenomena such as daydreaming, imaginative play, children's drawing, imitation, mockery, caricature, parody, storytelling and mythmaking.

Judaic Perspectives on Ancient Israel Jacob Neusner, Baruch A. Levine, Ernest S. Frerichs, 2004-07-09. This volume assembles for the first time a representative statement of Judaic learning on the Old Testament as it is studied today by many of the most important Jewish Bible scholars of the age. A host of internationally known scholars, American, European and Israeli, here present a variety of rich perspectives on the study and interpretation of the Scriptures revered by both Judaism and Christianity. These studies make clear that no single Jewish school of biblical scholarship exists. Rather, there is a Jewish approach involving appreciation for Hebrew as a living language, the reality of Jewish settlement in the Land of Israel, the continuity of Scripture in the life of Israel, the Jewish people and the state of Israel, and a complete and healthy adaptation of the critical perspectives of contemporary scholarship. This unique and stimulating volume vividly demonstrates the importance and value of critical scholarly discourse on the Hebrew Scripture, Old Testament, by Jewish scholars for both Christian and Jewish communities.
