On Sexuality And Power

James K. Beggan

On Sexuality And Power:

On Sexuality and Power Alan Sinfield, 2004 This book argues that hierarchies in interpersonal relations are inextricably linked to the main power differentials of our social and political life gender class age and race therefore it is not surprising that they govern our psychic lives Recent writing enables an exploration of their positive potential especially in fantasy as well as their danger The book focuses on the writing of the last thirty years revisiting also Whitman Wilde Mann Forster and Genet and reassessing the very idea of a gay canon

On Sexuality and Power Alan Sinfield, 2004-12-22 It is widely supposed that the most suitable partner will be someone very much like oneself gay fiction and cinema are often organized around this assumption Nonetheless power differentials are remarkably persistent as well as sexy What are the personal and political implications of this insight Sinfield argues that hierarchies in interpersonal relations are continuous with the main power differentials of our social and political life gender class age and race therefore it is not surprising that they govern our psychic lives Recent writing enables an exploration of their positive potential especially in fantasy as well as their danger On Sexuality and Power focuses on the writing of the last thirty years revisiting also Whitman Wilde Mann Forster and Genet and reassessing the very idea of a gay canon

Passion and Power Kathy Lee Peiss, Christina Simmons, Robert A. Padgug, 1989 Passion and Power brings together some of the most recent and innovative writings on the history of sexuality and explores the experiences ideas and conflicts that have shaped the emergence of modern sexual identities Arguing that sexuality is not an unchanging biological reality or a universal natural force the essays in this volume discuss sexuality as an integral part of the history of human experience Articles on sexual assault homosexuality birth control venereal disease sexual repression pornography and the AIDS epidemic examine the ways that sexuality has become a core element of modern social identity in the nineteenth and twentieth century United States It is only in recent years that historians have begun to examine the social construction of sexuality This is the first anthology that addresses this issue from a radical historical perspective examining sexuality as a field of contention in itself and as part of other struggles rooted in divisions of gender class and race Author note Kathy Peiss is Associate Professor of History and Women s Studies at the University of Massachusetts at Amherst and author of Cheap Amusements Working Women and Leisure in Turn of the century New York Temple P Christina Simmons is Assistant Professor of History at the University of Cincinnati Raymond Walters College

Framing the Sexual Subject Richard Parker, Regina Maria Barbosa, Peter Aggleton, 2023-04-28 This collection brings together the work of writers from a range of disciplines and cultural traditions to explore the social and political dimensions of sexuality and sexual experience The contributors reconfigure existing notions of gender and sexuality linking them to deeper understandings of power resistance and emancipation around the globe They map areas that are currently at the cutting edge of social science writing on sexuality as well as the complex interface between theory and practice Framing the Sexual Subject highlights the extent to which populations and communities that once were the object of scientific scrutiny

have increasingly demanded the right to speak on their own behalf as subjects of their own sexualities and agents of their own sexual histories This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 2000 This collection brings together the work of writers from a range of disciplines and cultural traditions to explore the social and political dimensions of sexuality and sexual experience The contributors reconfigure existing notions of gender and sexualit **Attachment, Sexuality, Power** Jerome C.

Wakefield,2022-09-23 In Attachment Sexuality Power Jerome C Wakefield challenges established views of Freudian psychoanalysis by applying Foucault s concept of power knowledge to Freud s case of Little Hans illuminating the role that Oedipal theory has played in reorganizing intimate family relationships Combining close examination of the Hans case with accounts of the history of marriage and psychology of co sleeping this book argues that the Oedipal theory achieved prominence because its implications for family dynamics supported changing social values Wakefield identifies a previously overlooked reason for Hans s anxiety his father attempted to protect Hans from his supposed Oedipal desires by separating Hans from his mother Thus Wakefield argues the father s exercise of power based on his belief in Oedipal theory not an actual Oedipus complex caused Hans s vulnerability to anxiety revealing the theory s potential to cause harm by distancing children from their parents even as such distancing made the theory socially appealing This book s novel and carefully documented articulation of the mechanisms of power by which Oedipal theory exerts its influence on family life will be of interest to psychoanalysts and psychotherapists alike and essential for scholars in the fields of psychoanalysis philosophy of science and the history of psychiatry **Sexuality, Intimacy, Power** Muriel Dimen,2023-11-28 This book offers Dimen s classic take on psychosexuality drawing on relational theory feminism and postmodernism with a new foreword by Virginia Goldner and Velleda Ceccoli honouring the late Muriel Dimen and introducing a new audience to her profound legacy For Dimen the shift from dualism to multiplicity that has reshaped a range of disciplines can also be brought to bear on our thinking about sexuality She urges us to return to the open mindedness hiding between the lines and buried in the footnotes of Freud s writings and to replace the determinism into which his thought has hardened with more fluid notions of contingency paradox and thirdness By unveiling the colloquy among psychoanalysis social theory and feminism Dimen challenges clinicians and academicians alike to rethink ideas about gender eroticism and perversion She explores among other topics the relations between lust and libido the limitations of Darwinian thought in theorizing homosexuality the body as projective test and the intimate tangle of love and hate between women Generous clinical examples illustrate the ways in which a radical re visioning of psychosexuality benefits therapists and patients alike A brilliant example of contemporary psychoanalytic theory at its destabilizing best Sexuality Intimacy Power covers both clinical insights and theoretical

rethinking that is invaluable for psychoanalysts psychotherapists and students of women s gender and queer studies

Sexual Citizens: A Landmark Study of Sex, Power, and Assault on Campus Jennifer S. Hirsch, Shamus Khan, 2020-01-14 Profoundly eye opening Hirsch and Khan present a novel model for explaining and responding to campus sexual assault Claire M Renzetti Science Research has shown that by the time they graduate as many as one in three women and almost one in six men will have been sexually assaulted But why is sexual assault such a common feature of college life and what can be done to prevent it Drawing on the Sexual Health Initiative to Foster Transformation SHIFT at Columbia University the most comprehensive study to date of sexual assault on a campus Jennifer S Hirsch and Shamus Khan present an entirely new framework that emphasizes sexual assault s social roots based on the powerful concepts of sexual projects sexual citizenship and sexual geographies Empathic insightful and far ranging Sexual Citizens transforms our understanding of sexual assault and offers a roadmap for how to address it

Sexual Harassment, the Abuse of Power and the Crisis of Leadership James K. Beggan, 2019 Within these pages James K Beggan puts forward a novel approach to understanding sexual harassment by high value superstars in the workplace The approach integrates ideas derived from evolutionary theory utility theory sexual scripting theory and research on the regulation of emotion Besides providing a better understanding of the phenomenon the book aims to contribute to the development of better techniques to prevent sexual harassment

Christian Perspectives on Sexuality and Gender Elizabeth Stuart, Adrian Thatcher, 1996 This collection of articles present a variety of broadly Christian responses to issues such as sexuality and gender sexuality and spirituality gay and lesbian sexuality sexuality and violence sexuality and singleness and the family

Rape and Sexual Power in Early America Sharon Block, 2012-12-01 In a comprehensive examination of rape and its prosecution in British America between 1700 and 1820 Sharon Block exposes the dynamics of sexual power on which colonial and early republican Anglo American society was based Block analyzes the legal social and cultural implications of more than nine hundred documented incidents of sexual coercion and hundreds more extralegal commentaries found in almanacs newspapers broadsides and other print and manuscript sources Highlighting the gap between reports of coerced sex and incidents that were publicly classified as rape Block demonstrates that public definitions of rape were based less on what actually happened than on who was involved She challenges conventional narratives that claim sexual relations between white women and black men became racially charged only in the late nineteenth century Her analysis extends racial ties to rape back into the colonial period and beyond the boundaries of the southern slave labor system Early Americans treatment of rape Block argues both enacted and helped to sustain the social racial gender and political hierarchies of a New World and a new nation

Social Psychology and Human Sexuality Roy F. Baumeister, 2001 Presents a selected group of influential articles dealing specifically with the social aspects of sexuality topics covered include differences between male and female sexuality virginity harassment rape and coercion and jealousy

[Rape and Sexual Power In Early America \(Volume 1 of 2\) \(EasyRead Super Large 20pt Edition\)](#)

, *Rape and Sexual Power In Early America (Volume 1 of 2) (EasyRead Super Large 18pt Edition)* , The New Testament on Sexuality William Loader,2012-09-13 This is the fifth and final installment of William Loader s authoritative acclaimed series on attitudes toward sexuality in the ancient world Sexual themes are never far beneath the surface where there are human beings This was certainly the case for Christians in the first century world Some began in a strongly Jewish context and worked out their faith in dialogue with their scriptural heritage Others had to work out their sexual ethics in a world strongly influenced by Greco Roman ideals and practices In *The New Testament on Sexuality* William Loader explores the relevant cultural contexts and looks at New Testament texts related to sexuality highlighting both the warnings about sexual wrongdoing and the affirmations of sexual union He deals with specific themes such as divorce same sex relations women and men in leadership and celibacy individual behavior gender roles and rules preferences and hopes also fall under the scope of his investigation Broad ranging and thorough this book engages both the biblical texts and the diverse ways in which they have been interpreted Enticements Joseph J. Fischel,Brenda Cossman,2024-03-19 *Enticements* Queer Legal Studies is an interdisciplinary volume that provides an array of queer theoretic descriptions of and prescriptions for the legal regulation of sex gender and sexuality **Sexual Cultures and the Construction of Adolescent Identities** Janice Irvine,2009 Adolescent sexual awakening is reevaluated in terms of social and cultural influences **Power and Feminist Agency in Capitalism** Claudia Leeb,2017 *Power and Feminist Agency in Capitalism* develops the idea of the political subject in outline to find solutions to the dilemmas inherent in the idea of the political subject and provide answers to the when who how and what of socio political change **The Routledge Guidebook to Foucault's The History of Sexuality** Chloe Taylor,2016-11-03 Michel Foucault s *The History of Sexuality* is one of the most influential philosophical works of the twentieth century and has been instrumental in shaping the study of Gender Feminist Theory and Queer Theory But Foucault s writing can be a difficult book to grasp as Foucault assumes a familiarity with the intellectually dominant theories of his time which renders many passages obscure for newcomers to his work *The Routledge Guidebook to Foucault s The History of Sexuality* offers a clear and comprehensive guide to this groundbreaking work examining The historical context in which Foucault wrote A critical discussion of the text which examines the relationship between *The History of Sexuality* The Use of Pleasure and The Care of The Self The reception and ongoing influence of *The History of Sexuality* Offering a close reading of the text this is essential reading for anyone studying this enormously influential work The Homosexual(ity) of law Leslie Moran,2002-11-01 First published in 1996 *The Homosexual ity of Law* is an innovative and important investigation of the legal representation of identity and sexuality This wide ranging and theoretical study demands that we think again about the legal regulation of sexual relations It examines how both sense and nonsense of same sex relations are made in law by way of homosexual It explores how the introduction of an idea of homosexuality both promotes the continued abhorrence and increased punishment of same sex relations and makes possible reforms in the law that promote respect for these relations

This study investigates the struggles that surround the review of the law on homosexuality undertaken by the Wolfenden Committee in the 1950s and explores the peculiarities of the enactment of the term homosexual into the law of England in 1967. It challenges the current understanding that homosexual is either a term used to name a specific category of act or a term that is merely used to name an identity. *The Homosexuality of Law* shows how homosexual is a term that signifies both of these things but it is also capable of expressing many other meanings. It explores the values that are given a voice through this new term in law. It also demonstrates that homosexual in law is a reference to a complex technology of interrogation, surveillance and documentation that isolates gestures, speech and deportment and gives them meaning as homosexual in law. Through an analysis of various police practices, the day to day decisions of the judiciary in high profile test cases and recent Parliamentary debates relating to the age of consent law reform, *The Homosexuality of Law* explores the way this homosexuality is put to use in current legal practice.

The Homosexual(ity) of Law Leslie J. Moran, 1996. Twenty nine collected essays represent a critical history of Shakespeare's play as text and as theater beginning with Samuel Johnson in 1765 and ending with a review of the Royal Shakespeare Company production in 1991. The criticism centers on three aspects of the play: the love, friendship debate.

Embark on a transformative journey with is captivating work, **On Sexuality And Power** .
