Robert Reese, 2014-04-04 In Who Needs a Missionary Robert Reese reviews his own missionary experiences in Zimbabwe and finds that the best results came from an indigenous leader who had the least contact with missionaries Reese conducted interviews with this leader to let him speak for himself about his journey with God in ministry these interviews form the heart of the book Mostly without missionary guidance this Zimbabwean Christian of humble origins journeyed from his conversion to Christ to arrive at a transformation of his home community Reese draws lessons from the life of this remarkable leader who has enjoyed so few earthly advantages yet has been rich in faith and fruitfulness God has determined that the gospel will work all by itself whenever and wherever it is planted in human hearts
