Send Me An Angel:

Send Me An Angel Samuel Santana, 2012-09-11 In slow paced post World War I America Guadalupe is no different than any other town its size on the California Central Coast With its whistle stop ambiance sparse population and vibrant collection of personalities that make up the small farming community Guadalupe is a haven to those who prefer a tranquil existence and those who recognize a lucrative opportunity when they see it Jonah Quentin and long time friends Mel and Ona Archer came to the fertile Santa Maria Valley with nothing more than an idea and a surplus Curtiss Jenny biplane to set up shop as the valley s first crop dusting company the latest concept in agricultural pest control Even with its limitations Angel Dust Incorporated is an instant success though perhaps a little too successful for a corporation whose fleet consists of only one tired old surplus biplane flown by Jonah an ex Army Air Service fighter pilot who knows nothing about crop dusting Late in the evening on the Forth of July 1926 Jonah wants nothing more than to cap off a night of celebration with a shot of whiskey and a beer at the B same Bar some even call it blasphemy Nobody wants a woman soaring high above the clouds in control of the worlds most powerful and modern military aircraft undermining the male pilot s superior aptitude and physical prowess SEND ME AN ANGEL is a fictionalized account of the blatant prejudices and harsh chauvinism the 1 074 women of the Women Airforce Service Pilots endured and ultimately overcame and the intestinal fortitude it took to become a fully operational WASP

Pennies from an Angel Tamara Pelosi, 2008-11 For the first time I reveal the horrendous events that began on October 21 2001 when my husband Dan Pelosi became the

primary suspect in the murder of Theodore Ammon Three years later he was found guilty and sentenced to twenty five years to live When the bludgeoned naked body of the wealthy financier was found in his East Hampton country estate my life and the lives of my children were never the same again The death of the New York millionaire instantly became a sensational news item that led to hundreds of stories printed in every Long Island newspaper as well as lengthy articles in Time Magazine The Star and other tabloids The East Hampton murder didn't stop the printed word national television jumped in with specials on Paula Zahn Live Primetime Dateline 48 Hours Court TV and a Lifetime TV movie called Murder in the Hamptons Depressed humiliated and filled with shame I prayed to God for help He sent me an Angel When I felt confused and alone pennies miraculously appeared that gave me the faith to forge ahead Surprisingly from a place of disgrace and shame and the help of an Angel I found the strength to hold my head up high It has taken me over five years to find the courage to tell what it was like living on the sideline of a sensational murder and more importantly to expose the insanity of a twenty year dysfunctional marriage

TransElectric Cidny Bullens, Sir Elton John, 2023-06-06 From the depths of the 70s rock n roll excesses through unimaginable personal losses to an inspiring late life transformation Cidny Bullens's story is an utterly compelling journey about living and singing with your authentic voice An androgynous gender bending musician from the get go Bullens toured extensively with Sir Elton John and performed with Bob Dylan undergoing a complete immersion in the drug fueled excesses of 1970s rock n roll Despite getting sober climbing the charts with the Grammy nominated Survivor as well as a Grammy nomination for his lead vocals in the soundtrack for the movie Grease Bullens was unable to break out as a solo star in a world that allowed its artists to cross the gender line but had much more narrow expectations about how women could behave and perform Retreating into the conventional lifestyle of a suburban mom Bullens felt like she was living in an alternate universe Then whatever world she had was shattered by

the tragic death of her younger daughter from cancer Out of the ashes of despair Bullens brought forth an award winning album *Somewhere Between Heaven and Earth* that relaunched the musician s career Finally nine years ago Cidny claimed his own healing and transitioned from female to male finding unexpected love becoming a new stepfather and a grandfather What he found too was his true voice and true power as a performer
