Sending Money Home Hispanic Remittances And Community Development:

Sending Money Home Rodolfo O. De la Garza, Briant Lindsay Lowell, 2002 For international migrants seeking employment in the United States the desire to remit a portion of their earnings to their home countries is a time honored custom The flow of money southward from the United States has evolved from a stream flowing from families through informal networks to a major river with new tributaries fed by transnational migrant organizations channeled through an increasingly formal marketplace and attracting the involvement of home country governments This volume tracks the evolution of the flow of money home offering new data to enhance the picture and understanding of this important economic phenomenon

Migration and Remittances from Mexico Alfredo Cuecuecha, Carla Pederzini, 2012-03-01 Migration and Remittances from Mexico Trends Impacts and New Challenges edited by Alfredo Cuecuecha and Carla Pederzini compiles twelve articles on the migration phenomenon from Mexico and other Latin American countries to the United States The first part of the book provides an overview of three recent surveys all carried out in Mexico The surveys consider international migration flows from Mexico to the United States the characteristics of migrants and some of the causes and effects of migration in Mexico both for national and rural samples The next section of the book analyzes the factors that explain the relationship between internal migration and human development Then the authors look at different issues of migration from Mexico and Latin American countries to the United States The topics include female educational selection in migrants from Mexico to the United States the impact of differences in the U S Mexico labor market outcomes on the migratory flow the working conditions of Mexican migrants to the United States under H2 visas and the breadth and depth of migrants connections from Latin American countries to the United States The fourth and final section of the book studies a variety of aspects related to remittances from United States to Mexico and Latin American countries including whether remittances promote growth in Mexico whether remittances sent to Mexico finance migration of more Mexicans to the United States and whether remittances have positive impacts in the households that receive them The contributors to Migration and Remittances from Mexico are specialized migration researchers trained in a broad variety of fields including economics sociology demography and political science in both Mexico and the United States This range of backgrounds provides an essential multidisciplinary perspective from both sides of the border

Immigrants and Their International Money Flows Susan Pozo, 2007 Presents a typology of migration remittance systems Discusses effects of remittances on economic development in migrant sending countries Points to the multidimensional ties that exist between migrants and the communities from which they originate

Latino Politics: Identity, Mobilization, and Representation Rodolfo Espino, David L. Leal, Kenneth J. Meier, 2008-08-12 Due to the dramatic growth of the Latino population in America in combination with the relative decline of the Anglo non Hispanic white share Latino Studies is increasingly at the forefront of political concern With Latino Politics Identity Mobilization and Representation editors Rodolfo Espino David L Leal and Kenneth J Meier bring together essays

from a number of leading scholars to address the ever more important issues within the field Providing an overview of issues surrounding Latino identity and political opinion such as differences among Latino groups based on national origin the importance of descriptive representation and issues of competition and cooperation particularly with reference to African Americans the editors speak to the many fundamental debates ingrained in the discipline In addition to highlighting important contributions of the study of Latino politics to date this volume suggests areas that have yet to be explored and perhaps more importantly demonstrates how the study of Latino politics relates to broader questions of American politics and society Foregrounding debates in the overall discipline of political science the collection will appeal to those who study Latino politics as well as those who are interested in understanding American politics and society with reference to Latino and minority concerns Contributors Rodney E Hero University of Notre Dame Benjamin M rquez University of Wisconsin Madison David L Leal University of Texas at Austin Michael Jones Correa Cornell University Matt A Barreto University of Washington Ricardo Ramirez University of Southern California Louis DeSipio University of California Irvine Adrian D Pantoja Arizona State University Sylvia Manzano Texas A M University Helena Alves Rodrigues University of Arizona Gary M Segura University of Washington Ren R Rocha University of Iowa Luis Ricardo Fraga University of Washington Sharon A Navarro University of Texas at San Antonio Rodolfo Espino Arizona State University Jason P Casellas University of Texas at Austin Eric Gonzalez Juenke University of Colorado at Boulder Nick A Theobald California Polytechnic State University San Luis Obispo Valerie Martinez Ebers Texas Christian University Manuel Avalos Arizona State University Kenneth J Meier Texas A M University

the Americas Katharine M. Donato, Jonathan Hiskey, Jorge Durand, 2010-10-15 Since Mexico U S migration represents the largest sustained migratory flow between two nations worldwide much of the theoretical and empirical work on migration has focused on this single case In the last few decades however migration has emerged as a critical issue across all nations in Latin America and the Caribbean with the region seeing its position changed from a net migrant receiving region to one that now stands as one of the foremost sending areas of the world In this latest volume of the ANNALS leading migration scholars seek to redress the imbalance offered when only studying a single case with the first systematic assessment of Latin American migration patterns using ongoing research on the Mexican case as a basis for comparison Each chapter examines specific propositions or findings derived from the Mexican case that have not yet been tested for other Latin American or Caribbean nations Using a common framework of data methods and theories they offer a new perspective on the causes and consequences of migration in the Western Hemisphere

Debating Brain Drain Gillian Brock, Michael I. Blake, 2015 Many of the most skilled and educated citizens of developing countries choose to emigrate How may those societies respond to these facts May they ever legitimately prevent the emigration of their citizens Gillian Brock and Michael Blake debate these questions and offer distinct arguments about the morality of emigration
