Oliver, 2015-12-04 Scott Byron and the Poetics of Cultural Encounter is an innovative study of Scott s and Byron s poetical engagement with borders actual and metaphorical and the people living on and around them The author discusses Scott s edited collection of Border Ballads Minstrelsy of the Scottish Border and his narrative poetry and Byron s Childe Harold s Pilgrimage cantos 1 and 2 his Eastern Tales and his late utopian South Sea poem The Island This fascinating study provides a detailed exegesis of the importance of borders to these leading poets and the public during the early years of the Nineteenth Century with an emphasis on reciprocal literary influences and on attitudes towards cultural instability      Japan's Border Issues Akihiro Iwashita, 2015-10-30 Japan was sometimes described as a country of peace during the Cold War period in contrast to the continental border conflicts taking place at the time such as the China Soviet rivalry However as the maritime frontier was rediscovered and defined by the regional powers and legal refinements of the 1970s the process of states seeking a secure maritime zone has accelerated and maritime rivalries have become as intense as inland rivalries This book examines the territorial disputes souring relations between Japan and its three neighbours Russia

South Korea and China It combines an empirical study with theoretical advancements in comparative research to understand the Cold War and post Cold War border issues related to Japan particularly the Northern Territories South Kurils dispute with Russia Takeshima Dokto with Korea and Senkaku Diaoyu with China and Taiwan Based on the history of negotiations with the Soviet Union and Russia over the course of fifty years the study offers a series of practical suggestions to enable these disputes to be separated from arguments over their history and resolved on the basis of the principle of mutual advantage for those affected by them This book provides not only the key to resolving these three disputes affecting East Asia but the framework in which to seek the resolution of other territorial issues worldwide Explaining the history and possible outcomes of Japan s territorial disputes with Russia South Korea and China whilst providing concrete steps for resolving entrenched territorial disputes this book will be of great interest to students and scholars of International Relations Japanese Politics and International Law Inequality and Mobility Jörg Gertel,Katharina Grüneisl,2025-08-27 After the revolutions in

2011 Tunisia became a symbol of freedom and justice and thus the hope of an entire region Now the picture has been reversed political freedoms are being curtailed and the economy is in disarray especially after the pandemic and the ongoing war in Ukraine Resentment and attacks against Others fall on fertile ground in the face of expanding inequality Simultaneously particularly younger people desire to leave the country The contributors to this volume investigate the capabilities and aspirations to comprehend their histories of erosion but also to reveal alternative ways of imagining futures

**Uncrossing the Borders** Daphne Lei,2019-07-01 Over many centuries women on the Chinese stage committed suicide in beautiful and pathetic ways just before crossing the border for an interracial marriage Uncrossing the Borders asks why this theatrical trope has remained so powerful and attractive The book analyzes how national cultural and ethnic borders are

inevitably gendered and incite violence against women in the name of the nation The book surveys two millennia of historical literary dramatic texts and sociopolitical references to reveal that this type of drama was especially popular when China was under foreign rule such as in the Yuan Mongol and Qing Manchu dynasties and when Chinese male literati felt desperate about their economic and political future due to the dysfunctional imperial examination system Daphne P Lei covers border crossing Chinese drama in major theatrical genres such as zaju and chuanqi regional drama such as jingju Beijing opera and yueju Cantonese opera and modernized operatic and musical forms of such stories today **Catalogue** Montgomery
