Sensational Fashions Crafts:

Sensational Fashions & Crafts Arthur Hettich, Nora O'Leary, Marie T. Walsh, 1947-04 **The Shape of Craft** Ezra Shales, 2017-10-15 Today when we hear the word craft a whole host of things come immediately to mind microbreweries artisanal cheeses and an array of handmade objects Craft has become so overused that it can grate on our ears as pretentious and strain our credulity But its overuse also reveals just how compelling craft has become in modern life In *The Shape of Craft* Ezra Shales explores some of the key questions of craft who makes it what do we mean when we think about a crafted object where and when crafted objects are made and what this all means to our understanding of craft He argues that beyond the clichés craft still adds texture to sterile modern homes and it provides many people with a livelihood not just a hobby Along the way Shales upends our definition of what is handcrafted or authentic revealing the contradictions in our expectations of craft Craft is and isn't what we think *Batch; Craft, Design and Product* Andrew Tanner, 2010-09-25 *Batch Craft Design and Product* by Andrew Tanner covers a hot new trend coming from international craft designers making small batches of skillfully crafted work for large retail outlets This is the cream of the contemporary craft world crossing into most disciplines and mediums including ceramics textiles wood glass precious metals and metal work Detailing a glorious array of these handcrafted objects the book is filled with information gathered from each maker explaining the ideas and concepts behind their products and how they got started and developed their work The book also includes practical information on running a small craft business such as connecting with manufacturers dealing with press sourcing commissions conceptualizing packaging and managing marketing Also featured is a gallery and design shop guide that will appeal to craft makers for both visual interest and practical information and to craft buyers as a directory of the best contemporary work in the field **Timelines of Everything** DK, 2023-07-04 Explore 13 billion years of history in the comfort of your own home Journey through time and discover how some of the world's greatest events unfolded From the Big Bang all the way through to the digital age this incredible visual encyclopedia for children shows you just about everything that has ever happened in history Witness history come alive as you travel through more than 130 stunning timelines Packed with fantastic photographs and illustrations along with informative text and fun facts The history book covers the rise and fall of empires to ground breaking scientific breakthroughs and inventions that changed our lives This educational book is an imaginative way of illustrating world history for children age 8 and over Throughout the pages your child will get to meet the most bloodthirsty pirates of all time and discover what happened during the storming of the Bastille It's a fantastic book for young readers with a natural curiosity about history around the world Find your place in the world and understand where you fit in Whether you want to discover the history of cinema fashion aviation or espionage There is something for everyone in this glorious guide through global history *The History of Everything Ever* This fascinating reference book tells the story of a diverse range of subjects throughout history in an easily digested graphic format After your kids dive into this book you'll never hear them use

the words history and boring in the same sentence again Take a trip back in time This history book covers the following eras Prehistory Before 3000 BCE The Ancient World 3000 BCE 500 CE The Medieval World 500 1450 The Age of Exploration 1450 1750 The Age of Revolution 1750 1914 The Modern World After 1914 *Fashions of a Decade* Jacqueline Herald,2006 From platform shoes and bell bottoms to miniskirts and hot pants to Afghans and cheesecloth fabrics the seventies remains one of the most diverse decades in clothing history This volume explores the many facets of this exciting topic **Africa in Fashion** Ken Kweku Nimo,2022-05-05 Africa Fashion explores the kaleidoscope of craft cultures that have shaped African fashion for centuries and captures the intriguing stories of contemporary and avant garde African brands Part One looks at Africa s rich cultural heritage and place in the network of global fashion The first chapter retells the history of African fashion exploring Africa s textile traditions artisanship and role as a global resource The second chapter presents a New Africa and examines the promise and potential of Africa s markets while challenging stereotypes and the concept of European hegemony particularly in the realm of luxury fashion It also spotlights Africa s unique position as the global industry shifts towards a more sustainable future Part Two ushers the reader into the spectacular world of African fashion today It showcases a carefully curated set of the continent s most dynamic brands and through interviews with prominent and inspiring designers offers rare insight into their ethos and design practice Covering unisex fashion menswear womenswear accessories and jewellery the brands are each purposefully selected to contribute uniquely to the mosaic of Africa evolving creative landscape **CA2RE+ Delft Recommendation** Roberto Cavallo,Alper Alkan,Joran Kuijper,2023-11-15 CA2RE CA2RE the Conference for Artistic and Architectural Research is dedicated to promoting Design Driven Doctoral Research DDDr through its conference series This initiative aims to strengthen and expand the community of researchers interested in this subject The Faculty of Architecture and the Built Environment at Delft University of Technology has gladly provided the platform for this noteworthy conference The central theme of this event revolves around the RECOMMENDATION for Design Driven Doctoral Research This theme is a natural progression from the main topics explored in the previous CA2RE conferences which included OBSERVATION SHARING COMPARISON REFLECTION and FRAMEWORK The CA2RE Delft conference seeks to scrutinize the progress made thus far and endeavors to formulate guidelines and recommendations for the establishment introduction development and evaluation of DDDr [The Routledge Companion to Fashion Studies](#) Eugenia Paulicelli,Veronica Manlow,Elizabeth Wissinger,2021-09-19 This collection of original essays interrogates disciplinary boundaries in fashion gathering fashion studies research across disciplines and from around the globe Fashion and clothing are part of material and visual culture cultural memory and heritage they contribute to shaping the way people see themselves interact and consume For each of the volume s eight parts scholars from across the world and a variety of disciplines offer analytical tools for further research Never neglecting the interconnectedness of disciplines and domains these original contributions survey specific topics and critically discuss the leading views in their
