Thomas, 2023-05-01 This book is a new

interpretation of Schelling's path breaking 1809 treatise on freedom the last major work published during his lifetime The treatise is at the heart of the current Schelling renaissance indeed Heidegger calls it one of the most profound works of German thus of Western philosophy It is also one of the most demanding and complex texts in German Idealism By tracing the problem of ground through Schelling's treatise Mark J Thomas provides a unified reading of the text while unlocking the meaning of its most challenging passages through clear detailed analysis He shows how Schelling's implicit distinction between senses of ground is the key to his project of constructing a system that can satisfy reason while accommodating objects that seem to defy rational explanation including evil the origins of nature and absolute freedom This allows Schelling to unite reason and mystery providing a rich model for philosophizing about freedom and evil today

Refined Consequentialism critically examines the moral vision offered by the late Richard A McCormick the premier American Catholic moral theologian of the post Vatican II era Taking a philosophical approach to a debate carried on primarily by moral theologians the author presents a forceful case that McCormick's brand of proportionalism belongs in the ranks of consequentialist moral theories In doing so the author stakes out a clear position on one side of a crucial debate that goes to the heart of the Catholic and Christian moral tradition This book may serve as a text in both undergraduate and graduate courses that deal with contemporary Catholic and secular moral thought A broader public one interested in the history of moral theology and in the ethical theoretical underpinnings of the current debates within the churches on euthanasia supporting pro choice politicians and removal of nutrition and hydration from gravely ill patients will also find this

book of great interest      **Eclipse of Action** Richard Halpern, 2017-03-13 According to traditional accounts the history of tragedy is itself tragic following a miraculous birth in fifth century Athens and a brilliant resurgence in the early modern period tragic drama then falls into a marked decline While disputing the notion that tragedy has died this wide ranging study argues that it faces an unprecedented challenge in modern times from an unexpected quarter political economy Since Aristotle tragedy has been seen as uniquely exhibiting the importance of action for human happiness Beginning with Adam Smith however political economy has claimed that the source of happiness is primarily production *Eclipse of Action* examines the tense relations between action and production doing and making in playwrights from Aeschylus Marlowe Shakespeare and Milton to Beckett Arthur Miller and Sarah Kane Richard Halpern places these figures in conversation with works by Aristotle Smith Hegel Marx Hannah Arendt Georges Bataille and others in order to trace the long history of the ways in which economic thought and tragic drama interact      **The New Church Repository and Monthly Review**, 1853      Love and the Soul Robert Sardello, 2011-06-28 With economies in peril war in the Middle East genocides global warming and a host of other grim phenomena the world has never seemed so besieged The solution says Robert Sardello lies with the individual In this timely thoughtful book he explains how the soul can engage with the outer world to produce radical change Because we think of the world as a vast mechanism and behave as mechanical objects in it the results are devastation and dysfunction The key is to learn to identify with the plight of the Earth by developing a true sense of individual imagination and conscious awareness of inner purpose and beauty in conjunction with the soul of the world Sardello shows how to achieve this awareness and bring what is inside out into the world inspiring balance and stability Using the Grail legend and the myth of Sophia known as the Soul of the World as well as writings by Jung James Hillman and Rudolf Steiner *Love and the Soul* helps readers imagine a revitalized Earth by exploring the significance of grieving the transformative power of radical receptivity the creative power of dreaming and a new basis for community      **A History of Christian Doctrine** William Greenough Thayer Shedd, 1871      A Greek and English Lexicon of the New Testament Edward Robinson, 1836      *Greek and English Lexicon of the New Testament* Edward Robinson (D.D.), 1850      Proceedings of the Boston Area Colloquium in Ancient Philosophy John J. Cleary, Gary M. Gurtler, 1998-12 This volume represents some of the activities of the Boston Area Colloquium in Ancient Philosophy from the academic year 1997-98 It contains nine colloquia that were hosted by eight different colleges and universities in the greater Boston area Discussions of the works of Plato dominate this volume with six of the nine colloquia based on Platonic texts Appropriately the colloquia begin with an analysis of division in the *ancient atomists* Later a study of truth in Aristotle gives a counterpoint to the Platonic interplay of drama and pedagogy or logic and rhetoric examined in papers about the *Theaetetus* and *Symposium* A presentation of Proclus's account of evil revisits some of the issues of sophistry and morality discussed in relation to Plato's *Republic* and *Euthydemus* Finally the remaining Platonic papers are in a way not about Plato at all but about Socrates and Xanthippe supplementing Platonic

dialogues with Xenophon and others Underneath these discussions of ancient texts current modes of philosophy run along providing a score of alternative interpretative schemes This publication has also been published in paperback please click [here](#) for details
