culture while at the same time focusing sharply on recent studies and cutting edge research that has advanced the field. Divided into three parts the volume begins by defining and analyzing the concept of romantic love and interdisciplinary approach to its study in cultural context. Part II traces the origin and evolution of romantic love both in various places throughout the world and various time periods throughout history. Part III presents the revolutionary expansion of romantic love ideas and practices in the late 20th and early 21st centuries in various parts of the world focusing particularly on the development of romantic love as a cultural ideal of the modern cultures. Finally the book concludes by summarizing the major achievements in this field of study and predicts future development. A timely and thoughtful addition to the literature.

**Romantic Love in Cultural Contexts** delivers thought provoking insights to researchers in relationship scholarship sociology anthropology and cultural studies and all those interested in the universal human concept of love. Overall I find Dr Victor Karandashev is an excellent and fine scholar who has a firm grasp of both the fundamental principles of cross cultural research and of anthropology. In our increasingly connected world **Romantic Love in Cultural Contexts** updates and adds to the descriptions and explanations of similarities and differences in romantic love across generations and cultures. Romantic love encompasses the life span rather than being a phenomenon largely confined to youthful years. The topic of this project concerns the deepest of our sentiments and pervades life from birth to death. This book contributes to better knowledge of this phenomenon across generations.

**Fables for the Patriarchs** Jowen R. Tung, 2000. Exploring issues of gender in Tang dynasty literature and culture. Jowen R. Tung draws on a comprehensive range of historical literary and social texts to unravel the complex mechanisms of one of the world's oldest patriarchal systems. The author reveals the profound damage inflicted by the masculine state ideology on its subjects by illuminating the problematics of male sexuality under the hovering phallus of the emperor, the construct of male and female psyches within the pseudo monogamous household, the logic of the collective unconscious in the literati's writings and a female tradition desperately trapped inside the law of the father. Tung poses urgent questions about a civilization that builds itself upon the sacrifice of human lives and arrives at a rather dark interpretation of the Tang\_ for many the epitome of the Chinese empire. As such the book moves beyond the confines of gender studies to propose a heightened agenda for feminist studies which the author argues now stand at a critical juncture.

**His 1-800 Wife (The Ballantines Series - Book 2)** Shirley Hailstock, 2015-01-19. Catherine Carson didn't think there was an ideal man out there. And the last one she would have picked for the job was Jarrod Ballantine. He'd been a thorn in her side since she was a child but he'd also been with her when life was at its roughest. Convincing him to be her husband proved an easier task than stopping herself from becoming his wife. Fed up with her meddling family, Catherine has the perfect plan: make a deal with a nice unexciting guy who would agree to marry her for six months, then divorce. And she knew her childhood friend Jarrod Ballantine was just the perfect man for the job until he sparked a completely unexpected

desire Now Catherine must discover what she really wants to find everything she s ever dreamed of     *Our hearts. The

 Zester Hatfield,2005 Mr Hatfield with all of his years of experience in marriage parenting family missions and in the Church  
 pulls no punches in calling Christ s Bride to return to His Truth God s revealed Law Word regarding discipleship men and  
 women of faith and grace in Manhood and Womanhood outrageously successful spousal relations parenting with training in

 revive and reform the Family and the Church in the 21st Century Not for the weak kneed weak minded or humanistically  
 influenced this is for Christ s Bride as we prepare for and anticipate His return These applications of God s revealed Law  
 Word and His uncommon common sense in the lives of America s postmodern Christian culture and especially the promise of  
 duplicating of these successes for love and marriage in our children is exciting and challenging to the point of precedent  
 setting magnitudes The reader will experience riveting and exciting challenges to the status quo of our present day Christian  
 culture Based on interviews with more than 1000 adults nationwide the survey discovered that less than one out of every five  
 adults believes that children under the age of 13 are being superbly or pretty well prepared for life emotionally physically  
 spiritually intellectually or physically Fewer than one out of every twenty adults believes that America s youngsters are  
 receiving above average preparation in all five of those areas of life Americans Agree Kids Are Not Being Prepared for Life  
 The Barna Group October 26 2004 The couples who discover the answers to the moral morass of our postmodern Christian

 future Sadly the statistics of broken homes divorces adultery domestic violence drugs and promiscuity to mention only some  
 of the ills of our culture are almost equally divided between Christian families and non Christian families This is unacceptable  
 as a comparison and must change Consequently fathers and mothers of faith and grace are those who are and or who will  
 experience God s promise of victory over these fruits of our fallen nature and live a marriage experience that captures the  
 best of God s gifts of love sex and romance in marriage Daddy s Little Girl and Mommy s Little Boy brings us clear evidence  
 of just how America s Christian couples can have this victory in their marriage and how to duplicate this success in their sons
