Sentimental Journey And Other Writings:

A Sentimental Journey and Other Writings Laurence Sterne, 2003-07-10 Love is nothing without feeling And feeling is still less without love Celebrated in its own day as the progenitor of a school of sentimental writers A Sentimental Journey 1768 has outlasted its many imitators because of the humour and mischievous eroticism that inform Mr Yorick s travels Setting out to journey to France and Italy he gets little further than Lyons but finds much to appreciate in contrast to contemporary travel writers whom Sterne satirizes in the figures of Smelfungus and Mundungus A master of ambiguity and double entendre Sterne is nevertheless as concerned as his peers with exploring the nature of virtue unlike other writers of sentimental fiction Sterne insists on the inseparability of desire and feeling This new edition includes a selection from The Sermons of Mr Yorick which shed light on the concerns of the Journey The Journal to Eliza which records Sterne s feelings as he languishes for the company of Eliza Draper and A Political Romance the satire on a local ecclesiastical squabble that was the catalyst for Sterne s literary career ABOUT THE SERIES For over 100 years Oxford World s Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford s commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading

Stark,2021-01-14 Is Laurence Sterne one of the great Christian apologists Ryan Stark recommends him as such perhaps to the detriment of the parson's roguish reputation The book's aim however is not to dispel roguishness but rather to discern the theological motives behind Sterne's comic rhetoric from *Tristram Shandy* and the sermons to *A Sentimental Journey* To this end Stark reveals a veritable avalanche of biblical themes and allusions to be found in Sterne often and seemingly awkwardly in the middle of sex jokes and yet the effect is not to produce irreverence On the contrary we find an irreverently reverent apologetic Stark argues and a priest who knows how to play gracefully with religious ideas Through Sterne in fact we might rethink humour's role in the service of religion **The Librarian and Book World ,1927 The Creator as Critic and Other Writings by E.M.
