The Sentinel's Song Brittany Fichter,2021-05-24 An enchantress is murdering Queen Kartek s soldiers and threatening her kingdom Kartek s healing jewel has been lost Her only hope of saving her kingdom seems to lie in the hands of the green eyed stranger but the price is steep and the young queen doesn t have much time Seventeen year old Queen Kartek has resigned herself to marrying the greatest warrior in the Megal Desert Her true joy however lies in sharing her healing powers with her people But when an enchantress attacks her betrothed is murdered and danger camps outside of Hedjet s gates Kartek s world is turned upside down To make matters worse her healing jewel falls into an abandoned well just when she needs it the most and her only hope of retrieving the jewel lies in marrying a green eyed stranger and making him king Kartek must either choose to trust that her new husband s intentions are as honorable as he promises or try to defeat the enchantress alone For as much as she resents her new husband she quickly realizes there is more to this quiet man than meets the eye He might just be the miracle her kingdom needs and the balm she craves for her lonely heart The Green Eyed Prince is a novella set in the world of the Classical Kingdoms Collection a series of clean fairy tale retellings clean passionate romance magical mystery and heroic happily ever afters **Christian Science Sentinel** ,1907 **Official Documents, Comprising the Department and Other Reports Made to the Governor, Senate and House of Representatives of Pennsylvania** ,1892 **Manual for Privates of Infantry of the Organized Militia of the United States** United States. War Department,1909 **The Six Sentinels** Shan Iyer,2023-12-19 The Six Sentinels exist within mass value in our current epoch as the six interconnected conceptual linchpins that impede Utopia Under one world they advance and manifest effects on our world complicating it with modern pollution false distorting views and concepts that will not stand the levelling of future changes yet to manifest Together these six concepts collectively also represent the results of the effects of mass addiction to consumption They are leading to the path of a possible realization of global dystopia in many possible avenues The proletariat of today s world will address consensus for correcting the path mankind follows blindly carving a new path for demanding universal systemic change by engineered mass benevolent social engineering towards the confluence of unity With every passing day the current view of amassing transitory capital wealth divides the reality of the unreal path the reality between the rich and the poor is growing wider In addition the third world nations have become consumed as slave states to the first world s privileges by the self assumed global superpowers Yes we can open and admonish that the world today is a vastly unfair and chaotic place and the avenues of change are emerging marking the return of the eternal light of hope However the masses are slowly one by one quietly being roused from the chasms of their dreaming slumber Today the future is being constructed by those who dare to dream the mark of change We will tear down the false realities by cleaving what is desired and what will be cast out all false cages and prisons and the hidden machines of control Today the sleeping masses will see the light of truth and realize that the world is indeed an unfair and anarchic place deciding to act today to build

Gettysburg Address Jared Peatman,2013-10-30 When Abraham Lincoln addressed the crowd at the new national cemetery in Gettysburg Pennsylvania on November 19 1863 he intended his speech to be his most eloquent statement on the inextricable link between equality and democracy However unwilling to commit to equality at that time the nation stood ill prepared to accept the full message of Lincoln s Gettysburg Address In the ensuing century groups wishing to advance a particular position hijacked Lincoln s words for their own ends highlighting the specific parts of the speech that echoed their

stance while ignoring the rest Only as the nation slowly moved toward equality did those invoking Lincoln s speech come closer to recovering his true purpose In this incisive work Jared Peatman seeks to understand Lincoln s intentions at Gettysburg and how his words were received invoked and interpreted over time providing a timely and insightful analysis of one of America s most legendary orations After reviewing the events leading up to November 19 1863 Peatman examines immediate responses to the ceremony in New York Gettysburg itself Confederate Richmond and London showing how parochial concerns and political affiliations shaped initial coverage of the day and led to the censoring of Lincoln s words in some locales He then traces how over time proponents of certain ideals invoked the particular parts of the address that suited their message from reunification early in the twentieth century to American democracy and patriotism during the world wars and finally to Lincoln s full intended message of equality during the Civil War centennial commemorations and the civil rights movement of the 1960s Peatman also explores foreign invocations of the Gettysburg Address and its influence on both the Chinese constitution of 1912 and the current French constitution An epilogue highlights recent and even current applications of the Gettysburg Address and hints at ways the speech might be used in the future By tracing the evolution of Lincoln s brief words at a cemetery dedication into a revered document essential to American national identity this revealing work provides fresh insight into the enduring legacy of Abraham Lincoln and his Gettysburg Address on American history and culture
